

EMEA Determinations Committee Statement
Anglo Irish Bank Corporation Limited
November 25, 2010.

The EMEA Determinations Committee resolved that CDS auctions would be held which apply to all relevant senior and subordinated auction-settled CDS transactions in relation to Anglo Irish Bank Corporation Limited.

In light of the timing constraints imposed by the pending exchange offer relating to certain Anglo Irish Bank Corporation Limited subordinated bonds, it is anticipated that the auctions will be held on an expedited timescale, probably in the week commencing 6th December.
