1. The EMEA DC understands that a lock up agreement potentially exists in respect of Deliverable Obligation Number 1. To the extent that any holder of Deliverable Obligation Number 1 is prohibited by such a lock up agreement from transferring its holding of such Deliverable Obligation (or any additional portion thereof that it subsequently purchases), such Deliverable Obligation or portion thereof **CANNOT** be delivered in settlement of a RAST and therefore will be deemed not to appear on the Final List for those purposes, unless any applicable exceptions apply pursuant to the lock up agreement. Please note that notwithstanding any such exceptions, transferors under RASTs cannot oblige transferees to adhere to such a lock up agreement. For the avoidance of doubt, any portion of Deliverable Obligation Number 1 that is not subject to such a lock up agreement shall remain unaffected.
