1. COMPOSITION OF CREDIT DERIVATIVES DETERMINATIONS COMMITTEES

1.1 General

(a) Committees. Credit Derivatives Determinations Committees (each, a "Committee") are committees established for purposes of making determinations in connection with Credit Derivative Transactions that have, or are deemed to have, incorporated the March 2009 Supplement or the July 2009 Supplement in the relevant Confirmation (each such Credit Derivative Transaction, a "Relevant Transaction"). Each Committee is governed by the rules set forth in these Credit Derivatives Determinations Committees Rules (the "Rules").

(b) The Secretary. ISDA shall serve as the secretary of each Committee (the "DC Secretary") and shall perform administrative duties and make certain determinations as provided for under the Rules. Communications to the DC Secretary under the Rules shall be made in the manner prescribed and in accordance with the contact information published from time to time for this purpose by the DC Secretary on its Website. Unless otherwise specified, all determinations by the DC Secretary under the Rules shall be made in a commercially reasonable manner. For any Transaction Type determination required to be made by the DC Secretary under the Rules, the DC Secretary may, if necessary, consult data provided by The Depository Trust and Clearing Corporation or its relevant subsidiary ("DTCC") compiled in accordance with the Trading Volume Data Guidelines. The DC Secretary may rely on the accuracy of any data provided by DTCC with respect to the Rules.

(c) Effectiveness of Notices. Determinations of effectiveness of notices under the Rules will be made in accordance with Section 12(a) of the 2002 ISDA Master Agreement, except as modified by the Rules. Each reference to written notice in the Rules shall be interpreted to include notice via facsimile and/or email.

1.2 Participating Institutions

(a) List of Participating Institutions. The DC Secretary shall compile and maintain an up-to-date list of each non-dealer ISDA Member on the List of Non-dealer Committee Members and each dealer ISDA Member that, respectively, (i) has notified the DC Secretary that it (or an Affiliate) wishes to be considered for membership on the Committees and (ii) if a dealer ISDA Member, has agreed to provide DTCC with all necessary consents to effect the selection process under the Rules (the "List of Participating Institutions"). Each such institution shall identify itself as either a dealer ISDA Member or a non-dealer ISDA Member, provided that any such institution that identifies itself as a non-dealer ISDA Member must satisfy the criteria for participation on the Non-Dealer Committee as set forth in Schedule 2 to the Rules. For each non-dealer ISDA Member on the List of Participating Institutions, its self-identified classification as a "private investment company manager", "registered investment company manager" or "other" shall also be included. For the avoidance of doubt, no ISDA Member may be considered for membership on the Committees as both a dealer ISDA Member and a non-dealer ISDA Member.

(b) List of Participating CCPs. The DC Secretary shall compile and maintain an up-to-date list of each CCP that (i) has notified the DC Secretary that it wishes to be considered for membership on one or more Committees and (ii) has agreed to provide each relevant data repository the DC Secretary with all necessary consents to effect the selection process under
the Rules (the "**List of Participating CCPs**"). Each such CCP shall notify the DC Secretary of each Region for which it wishes to be considered for membership. **If a CCP is or has become an Affiliate of another CCP, the DC Secretary shall not consider both affiliated CCPs for membership on the same Committee.**

(c) **List of Authorized Contacts.** Each Participating Institution and Participating CCP shall designate, from time to time, one or more individuals as points of contact at the relevant institution with respect to each Committee (each, an "**Authorized Contact**") and shall notify the DC Secretary, from time to time, of the identities and contact information (including the telephone number and email address) of each such Authorized Contact. For the avoidance of doubt, each Participating Institution and Participating CCP may appoint different Authorized Contacts with respect to different Regions. Authorized Contacts may be changed at any time upon effective receipt by the DC Secretary of written notice from the relevant Participating Institution or Participating CCP, as applicable. The DC Secretary shall maintain a list of all current Authorized Contacts and may rely on the identities and contact information provided by the relevant Participating Institution or Participating CCP, as applicable, until such time as the DC Secretary is effectively notified of a change.

1.3 **Specific Procedures Related to Dealer and CCP Selection**

(a) **Compiling DTCC Dealer Lists.** On the 10th New York and London Business Day immediately preceding a List Review Date (other than the Initial List Review Date), and on each other date specified under the Rules, DTCC shall compile, in accordance with the Trading Volume Data Guidelines, a list of certain dealer ISDA Members ordered by trading volume of Credit Derivative Transactions globally (the "**Global Dealer Trading Volume List**") and, for each Region, a list of certain dealer ISDA Members ordered by trading volume of Credit Derivative Transactions referencing any Transaction Type of such Region (each, a "**Regional Dealer Trading Volume List**"). Each Participating Dealer Institution will be included in the DTCC lists compiled under this Section 1.3(a) (**Compiling DTCC Dealer Lists**).

(i) **Affiliate Accounts.** On the 25th New York and London Business Day immediately preceding a List Review Date (other than the Initial List Review Date), DTCC shall provide, via the DC Secretary, each Participating Dealer Institution with a list of the DTCC accounts for each Participating Dealer Institution that will be included for purposes of the trading volume determinations made under the Trading Volume Data Guidelines. A Participating Dealer Institution may add or remove a DTCC account for such Participating Dealer Institution by submitting a request in writing to the DC Secretary before 5:00 p.m. New York time on the 20th New York and London Business Day immediately preceding a List Review Date (other than the Initial List Review Date). If any additions or removals are submitted, the DC Secretary shall provide each Participating Dealer Institution with an updated list incorporating all such additions or removals with respect to the relevant List Review Date. The Dealer Members may remove any DTCC account relating to an Affiliate of a Participating Dealer Institution from the list by at least 80% of the Dealer Members, in a binding vote held by the DC Secretary following a request to hold such a vote by at least 3 Dealer Members, voting in favor of removing the relevant DTCC account from the list. Such binding vote must be held and the outcome thereof must be notified to the DC Secretary prior to 5:00 p.m. New York time on the 15th New York and London Business Day immediately preceding a List Review Date (other than the Initial List Review Date). The Participating Dealer Institution to which such DTCC account relates shall not participate in such vote and shall not count for purposes of the voting threshold determination.
(ii) **Mergers.** The DC Secretary shall provide DTCC with a list of each Participating Dealer Institution that a Convened DC has Resolved, since the immediately preceding List Review Date in accordance with Section 1.10(k) (*Affiliates and Mergers*), is part of an Affiliate Group. With respect to each such Participating Dealer Institution, the DC Secretary shall also provide (A) the date of such occurrence determined under Section 1.10(k) (*Affiliates and Mergers*) (the "Merger Date"), (B) each relevant Merged Institution with respect to such Participating Dealer Institution, (C) each relevant Merged Institution with respect to such Participating Dealer Institution that has not failed to participate as a Participating Bidder in more than one Non-LCDS Auction that was held during the period from, and including, the most recent List Review Date to, but excluding, the Merger Date, and (D) for each Region, each relevant Merged Institution with respect to such Participating Dealer Institution that has not failed to participate as a Participating Bidder in more than one Non-LCDS Auction that references any Reference Entity of a Transaction Type included in such Region and that was held during the period from, and including, the most recent List Review Date to, but excluding, the Merger Date.

(b) **Compiling CCP Lists.** On Prior to the 10th New York and London Business Day immediately preceding a List Review Date, and on each other date specified under the Rules, a Managing Director (or equivalent) at such Participating CCP will provide to the DC Secretary, DTCC for each Region for which it wishes to be considered for membership, the notional volume of Relevant Credit Derivative Transactions cleared by such Participating CCP (such amount for each Region, a "CCP Clearing Amount") and its certification that the CCP Clearing Amount fulfills the requirements in Sections 2(a) through (c) of the CCP Data Guidelines. On the 10th New York and London Business Day immediately preceding a List Review Date, the DC Secretary shall compile, in accordance with the CCP Data Guidelines and for each Region, a list of CCPs ordered by volume of Credit Derivative Transactions cleared that reference any Transaction Type included in such the CCP Clearing Amount for the relevant Region (each, a "Regional CCP Clearing Volume List"). Each Participating CCP will be included in the relevant Regional CCP Clearing Volume Lists compiled under this Section 1.3(b) (*Compiling CCP Lists*) and each Regional CCP Clearing Volume List shall be provided to the DC Secretary.

(c) **Verifying the Lists.** Each time a list is compiled in accordance with Sections 1.3(a) (*Compiling DTCC Dealer Lists*), Section 1.3(b) (*Compiling CCP Lists*) or 1.3(d) (*Re-compiling DTCC Dealer Lists*), each Participating Dealer Institution or Participating CCP, as applicable, shall be promptly provided with a representative sample of the data that has been included in the volume determination for such Participating Dealer Institution or Participating CCP, as applicable. A Participating Dealer Institution or Participating CCP, as applicable, shall be deemed to accept the volume determination with respect to such Participating Dealer Institution or Participating CCP, as applicable, if the DC Secretary is not notified in writing within three New York and London Business Days from the effective receipt of the sample data by such Participating Dealer Institution or Participating CCP, as applicable, that a challenge has been raised with DTCC by such Participating Dealer Institution or Participating CCP, as applicable. All challenges by a Participating Dealer Institution or Participating CCP, as applicable, must be resolved within five New York and London Business Days from the effective receipt of the sample data by such Participating Dealer Institution or Participating CCP, as applicable. Once all challenges, if any, have been resolved, the relevant list will be re-compiled, if necessary.

(d) **Re-compiling DTCC Dealer Lists.** The Global Dealer Trading Volume List and each Regional Dealer Trading Volume List shall be re-compiled in accordance with Section 1.3(a) (*Compiling DTCC Dealer Lists*) if (i) a dealer ISDA Member added to the List of Participating Institutions is not currently included on the relevant DTCC lists or (ii) a new
List Review Date is determined in accordance with Section 5.2(f) (Reconstituting the Committees with respect to Regional Dealer Members).

(e) **Discovering Error in the Lists.** If, after the deadline set forth in Section 1.3(c) (Verifying the Lists) for resolving any challenges raised with respect to a DTCC list by one or more Participating Dealer Institutions or Participating CCPs, as applicable, DTCC discovers a material error in the Global Dealer Trading Volume List, a Regional Dealer Trading Volume List or a Regional CCP Clearing-Dealer Trading Volume List, DTCC will inform the DC Secretary of such error and promptly re-compile the relevant DTCC list(s). If an institution was incorrectly selected as a Designated DC Member or Designated CCP Member due to such error, such institution shall be promptly replaced on the relevant Committee(s), provided that such institution shall be permitted to finish serving on each Convened DC that is deliberating at the time.

1.4 **Relevant Lists for Dealers and Non-dealers**

(a) **List of Ineligible Institutions.** The DC Secretary shall compile on the Initial List Review Date and maintain an up-to-date list of (i) each Participating Institution that, at any given time, is ineligible for membership of each relevant Committee for one or more of the reasons set out in Sections 1.4(a)(A) (Failure to Participate in Previous Auctions as of the Initial List Review Date – Loss of Global Eligibility), 1.4(a)(B) (Failure to Participate in Previous Auctions as of the Initial List Review Date – Loss of Regional Eligibility), Section 1.8(b) (Standard Agreement), 1.10(d) (Failure to Pay an ISDA Invoice), 1.10(e) (Failure to Participate in a Non-LCDS Auction), 1.10(f) (Auction Exemption for Global Dealer Voting Members and Regional Dealer Voting Members), 1.10(g) (Failure to Attend Meetings) or 1.10(i) (Resignation), (ii) the reason(s) for each such Participating Institution's ineligibility and (iii) the expiration date for each such reason for ineligibility (such list, the "List of Ineligible Institutions" and each institution on such list, an "Ineligible Institution"). A Participating Institution shall be removed from the List of Ineligible Institutions once all reasons for ineligibility for such Participating Institution have expired in accordance with the relevant expiration date under the Rules. For the avoidance of doubt, the resignation of a Participating Institution in accordance with Section 1.10(i) (Resignation) shall not result in the removal of such institution from the List of Ineligible Institutions until all reasons for ineligibility for such Participating Institution have expired in accordance with the relevant expiration date under the Rules.

(A) **Failure to Participate in Previous Auctions as of the Initial List Review Date – Loss of Global Eligibility.** On the Initial List Review Date, each Participating Dealer Institution that has failed to participate as a Participating Bidder in more than one Non-LCDS Auction that was held during the period from, and including, January 1, 2009 to, but excluding, the Initial List Review Date shall have separate entries for each such missed Non-LCDS Auction added to the List of Missed Auctions in accordance with Section 1.4(d) (List of Missed Auctions) and such Participating Dealer Institution shall be added to the List of Ineligible Institutions for "Failure to Participate in Auctions".

(B) **Failure to Participate in Previous Auctions as of the Initial List Review Date – Loss of Regional Eligibility.** On the Initial List Review Date, for each Region, each Participating Dealer Institution that has failed to participate as a Participating Bidder in more than one Non-LCDS Auction that references any Reference Entity of a Transaction Type included in such Region and that was held during the period from, and including, (I) if the Region is EMEA, October 1, 2008 or (II) if the Region is not EMEA, January 1, 2009, to, but excluding, the Initial List Review Date, shall be added to the List of Ineligible Institutions for "Failure to Participate in Regional Auctions" for such Region.
**Failure to Participate in Previous Auctions – New Participating Institutions.** Each dealer ISDA Member added for the first time to the List of Participating Institutions after the Initial List Review Date shall have entries added to the List of Missed Auctions for prior Non-LCDS Auctions where such dealer ISDA Member did not participate as a Participating Bidder, as determined by reference to the provisions of Section 1.10(e) (*Failure to Participate in a Non-LCDS Auction*); provided that when applying Section 1.10(e) (*Failure to Participate in a Non-LCDS Auction*) for purposes of this Section 1.4(a)(C) (*Failure to Participate in Previous Auctions – New Participating Institutions*), an entry to the List of Missed Auctions shall only be added for a Non-LCDS Auction held during the period from, and including, the List Review Date occurring immediately prior to the date such dealer ISDA Member is added to the List of Participating Institutions to, but excluding, the date such dealer ISDA Member is added to the List of Participating Institutions.

Under Sections 1.4(a)(A) (*Failure to Participate in Previous Auctions as of the Initial List Review Date – Loss of Global Eligibility*) and 1.4(a)(B) (*Failure to Participate in Previous Auctions as of the Initial List Review Date – Loss of Regional Eligibility*), if more than one (including a senior and subordinated) Non-LCDS Auction was held for purposes of settling Credit Derivative Transactions upon the occurrence of a single Credit Event with respect to a Reference Entity, each such Non-LCDS Auction will be considered as a separate Non-LCDS Auction. For purposes of determining whether a Participating Dealer Institution participated as a Participating Bidder in a specific Non-LCDS Auction, a Participating Dealer Institution shall be deemed to include each Affiliate of such Participating Dealer Institution as of the date of such Non-LCDS Auction, such that, if an Affiliate of a Participating Dealer Institution participates as a Participating Bidder, such Participating Dealer Institution will also be considered to have participated as a Participating Bidder.

**Lists of Eligible Dealers.** The DC Secretary shall compile on the Initial List Review Date and thereafter maintain an up-to-date list of:

(i) each Participating Dealer Institution, after removing each Participating Dealer Institution that is an Ineligible Institution (such list, the "List of Eligible Global Dealer Members" and each institution on such list, an "Eligible Global Dealer"); and

(ii) for each Region, each Participating Dealer Institution, after removing each Participating Dealer Institution that is an Ineligible Institution; provided that a Participating Dealer Institution (A) shall not be removed from such list for being on the List of Ineligible Institutions for "Failure to Participate in Auctions" and (B) shall only be removed from such list for being on the List of Ineligible Institutions for "Failure to Participate in Regional Auctions" if such ineligibility relates to the relevant Region (each such list, a "List of Eligible Regional Dealer Members" and each institution on such list, an "Eligible Regional Dealer").

**Lists of Non-dealers.** The DC Secretary shall maintain an up-to-date list of the institutions on the Non-dealer Committee (such list, the "List of Non-dealer Committee Members"). The DC Secretary shall compile on the Initial List Review Date and thereafter maintain an up-to-date list of (i) each Participating Non-dealer Institution that is not an Ineligible Institution, (ii) each such Participating Non-dealer Institution's self-identification as a "private investment company manager", "registered investment company manager" or "other" and (iii) a designation of whether each such Participating Non-dealer Institution has been previously identified to serve on a Committee (such list, the "List of Eligible Non-dealer Members" and each institution on such list, an "Eligible Non-dealer"). Each time an Eligible Non-dealer is selected as a Designated Non-dealer Voting Member under the Rules, the DC Secretary shall immediately update the designation of such Eligible Non-dealer on the List of Eligible Non-dealer Members as having been previously identified to
serve on a Committee and such designation shall remain until reset even if the relevant Eligible Non-dealer is later removed from the List of Eligible Non-dealer Members and then is re-added to such list at a later time. Once each institution on the List of Eligible Non-dealer Members has been designated as having been previously identified to serve on a Committee, the DC Secretary shall reset the designations so that each institution on the List of Eligible Non-dealer Members shall be deemed to have not been previously identified to serve on a Committee. Each Participating Non-dealer Institution that was added to the Non-dealer Committee after January 1, 2010 and is added to the List of Eligible Non-dealer Members on a date on which there is at least one institution on the List of Eligible Non-dealer Members that is designated as not having been previously identified to serve on a Committee shall be designated as having been previously identified to serve on a Committee.

(d) **List of Missed Auctions.** The DC Secretary shall, in accordance with Sections 1.4(a)(A) (*Failure to Participate in Previous Auctions as of the Initial List Review Date – Loss of Global Eligibility*), 1.4(a)(B) (*Failure to Participate in Previous Auctions as of the Initial List Review Date – Loss of Regional Eligibility*), 1.4(a)(C) (*Failure to Participate in Previous Auctions – New Participating Institutions*) and 1.10(e) (*Failure to Participate in a Non-LCDS Auction*), maintain an up-to-date list of (i) each Participating Dealer Institution that, at any given time, has failed to participate as a Participating Bidder in one or more Non-LCDS Auctions, (ii) the Auction Date of each such Non-LCDS Auction and (iii) the Region in which the Transaction Type of the Reference Entity in respect of which each such Non-LCDS Auction was held is included (the "**List of Missed Auctions**"). With respect to a Participating Dealer Institution, all entries on the List of Missed Auctions shall be deleted on each List Review Date where such Participating Dealer Institution is not on the List of Ineligible Institutions for "Failure to Participate in Auctions". For the avoidance of doubt, if more than one (including a senior and subordinated) Non-LCDS Auction is held for purposes of settling Relevant Transactions upon the occurrence of a single Credit Event with respect to an Affected Reference Entity, each such Non-LCDS Auction will be considered as a separate Non-LCDS Auction for purposes of this Section 1.4(d) (*List of Missed Auctions*).

(e) **List of Missed Meetings.** The DC Secretary shall, in accordance with Section 1.10(g) (*Failure to Attend Meetings*), maintain an up-to-date list of (i) each Participating Institution that, while serving as a Convened DC Member, in contravention of the Rules, (A) failed to be present at a Convened DC meeting where one or more binding votes are held, (B) was present at a Convened DC meeting where one or more binding votes were held but failed to vote in each such binding vote or (C) failed to submit an email vote in respect of a Mandatory Email Vote within the required timeframe, in each case, other than pursuant to Section 2.3(c) (*Abstention*), (ii) the total number of entries for each such Participating Institution and (iii) the date of each such entry (the "**List of Missed Meetings**"). With respect to a Participating Institution, all entries on the List of Missed Meetings shall be deleted on (A) each Term Start Date for such Participating Institution where such Participating Institution is not on the List of Ineligible Institutions for "Failure to Attend Meetings" and (B) each List Review Date where such Participating Institution is not on the List of Ineligible Institutions for "Failure to Attend Meetings"; provided that sub-clause (B) shall not apply on a List Review Date with respect to a Participating Institution if entries on the List of Missed Meetings for such Participating Institution have been deleted pursuant to sub-clause (A) in respect of a Term Start Date that occurred with respect to such Participating Institution since the List Review Date immediately prior to such List Review Date.
1.5 Relevant Lists for CCPs

The List of CCP Missed Meetings may be made available to any regulatory, self-regulatory or supervising authority having appropriate jurisdiction over any Participating CCP.

1.6 Identifying DC Members

(a) Identifying Dealer Members on each List Review Date. On each List Review Date, the DC Secretary shall provide DTCC with the List of Eligible Global Dealer Members and each List of Eligible Regional Dealer Members and request DTCC to identify the following from the Global Dealer Trading Volume List or relevant Regional Dealer Trading Volume List, as applicable, and in each case, as most recently compiled, in accordance with the Trading Volume Data Guidelines:

1.6(a)(iii) *(Identifying Dealer Members on each List Review Date)* shall be promptly notified by the DC Secretary of such multiple selections and may choose either to be a Designated Regional Dealer Voting Member for the Region(s) with respect to which it has been selected or to be a Designated Global Dealer Consultative Member by providing written notice to the DC Secretary; provided that if the DC Secretary does not effectively receive notice of such choice within one New York and London Business Day of effective receipt by such Participating Dealer Institution of notice from the DC Secretary under this Section 1.6(b) *(Option to Act as a Global Dealer Consultative Member or a Regional Dealer Voting Member)*, such Participating Dealer Institution shall be deemed to have chosen to be a Designated Regional Dealer Voting Member for the Region(s) with respect to which it has been selected under Section 1.6(a)(ii) *(Identifying Dealer Members on each List Review Date)*. In connection with a Participating Dealer Institution selecting to be either a Designated Regional Dealer Voting Member or a Designated Global Dealer Consultative Member, the DC Secretary (based on the lists compiled by DTCC under Section 1.3 *(Specific Procedures Related to Dealer and CCP Selection)*) may provide such Participating Dealer Institution with information regarding the one or more Regions where such Participating Dealer Institution is currently selected as a Designated Regional Dealer Voting Member and any additional Regions where such Participating Dealer Institution will be selected at least as a Designated Regional Dealer Consultative Member and, depending on the remaining selection process, potentially as a Designated Regional Dealer Voting Member.

(i) **Choosing to be a Designated Global Dealer Consultative Member.** If the relevant Participating Dealer Institution chooses to be a Designated Global Dealer Consultative Member, such Participating Dealer Institution shall not be considered a Designated Regional Dealer Voting Member under the Rules for any of the Region(s) with respect to which it has been selected under Section 1.6(a)(ii) *(Identifying Dealer Members on each List Review Date)* and the selection process shall resume (A) to select the proper number of Designated Regional Dealer Voting Members under Section 1.6(a)(ii) *(Identifying Dealer Members on each List Review Date)*; provided that a Participating Dealer Institution that, at such time, has chosen with respect to the relevant List Review Date to be a Designated Global Dealer Consultative Member under this Section 1.6(b) *(Option to Act as a Global Dealer Consultative Member or a Regional Dealer Voting Member)* shall not be considered for such selection and (B) to select the Designated Regional Dealer Consultative Member under Section 1.6(a)(iv) *(Identifying Dealer Members on each List Review Date)*.

(c) **Identifying Non-dealer Members on each List Review Date.** On each List Review Date, the DC Secretary shall identify the following:

(i) five Eligible Non-dealers on the List of Eligible Non-dealer Members, selected in the following order (each, a "Designated Non-dealer Voting Member"): 

---

2
(A) first, each then-current Non-dealer Voting Member that is a Holdover Non-dealer Member or Designated Non-dealer Voting Member that is a Holdover Non-dealer Member, if any;  

(B) second, the then-current Non-dealer Consultative Member, if any; and  

(C) third, at random from those Eligible Non-dealers that are designated as not having been previously identified to serve on a Committee,  

provided that (I) at least one of the Designated Non-dealer Voting Members selected must be classified as a "private investment company manager" on the List of Participating Institutions and (II) at least one of the Designated Non-dealer Voting Members selected must be classified as a "registered investment company manager" on the List of Participating Institutions. If the proviso immediately above is not satisfied, the fifth (and, if necessary, the fourth) Designated Non-dealer Voting Member initially selected shall be replaced by an Eligible Non-dealer selected at random from those Eligible Non-dealers designated as not having been previously identified to serve on a Committee and designated as a "private investment company manager" or "registered investment company manager", as applicable, depending on which category is unrepresented, or if no such Eligible Non-dealers remain, by any Eligible Non-dealer selected at random from those designated as a "private investment company manager" or "registered investment company manager", as applicable, depending on which category is unrepresented. Following identification of the five Designated Non-dealer Voting Members, two shall be designated a "First Term Non-dealer", two shall be designated a "Second Term Non-dealer" and one shall be designated a "Third Term Non-dealer", in each case, at random, provided that a current Non-dealer Voting Member that is again selected as a Designated Non-dealer Voting Member shall retain the designation already applicable to such Non-dealer Voting Member; and  

(ii) one Eligible Non-dealer on the List of Eligible Non-dealer Members, selected at random from those Eligible Non-dealers that are designated as not having been previously identified to serve on a Committee and have not already been selected as a Designated Non-dealer Voting Member with respect to such List Review Date (the "Designated Non-dealer Consultative Member"),  

provided that a Designated Non-dealer Voting Member or a Designated Non-dealer Consultative Member with respect to a List Review Date shall not be an Affiliate of a Designated Global Dealer Voting Member, Designated Regional Dealer Voting Member, Designated Global Dealer Consultative Member or Designated Regional Dealer Consultative Member identified with respect to such List Review Date.

(d) Designated CCP Members. Each Participating CCP selected in accordance with Sections 1.7(a) (Preliminary Period), 1.7(b) (Identifying CCP Members on each List Review Date) or 1.7(c) (Additional CCP Members) 1.7(b) (DC Approval of Participating CCPs) shall be a "Designated CCP Member".

1.8 Procedures for becoming a DC Member

(a) Notifying Designated DC Members. Each Designated DC Member will be notified promptly by the DC Secretary that it has been identified by the DC Secretary as a Designated DC Member. In the event that any Designated Global Dealer Voting Member is not a current Global Dealer Voting Member or any Designated Regional Dealer Voting Member is not a current Regional Dealer Voting Member for the relevant Region, the DC Secretary shall match each newly selected Designated Global Dealer Voting Member or Designated Regional Dealer Voting Member, as applicable, with the Global Dealer Voting
Member or Regional Dealer Voting Member, as applicable, being replaced by such Designated DC Voting Member for purposes of the replacement process under Section 1.10(a) (Failure by a Global Dealer Voting Member or a Regional Dealer Voting Member to Qualify for Continued DC Membership).

(b) **Standard Agreement.** As of each List Review Date, the DC Secretary shall cause to have in place a standard agreement, pursuant to which Designated DC Members (or, with respect to any particular Designated DC Member, an Affiliate of such Designated DC Member representing such Designated DC Member on the relevant Committee(s)), Designated CCP Members and the DC Secretary will each acknowledge and agree to their respective rights and responsibilities as described in the Rules (the "Standard Agreement"). In order to be eligible to participate on a Committee, each Designated DC Member (or Affiliate representing such Designated DC Member) shall effectively enter into, accede to, or renew adherence to, the Standard Agreement prior to 5:00 p.m. New York time on a day falling ten New York and London Business Days immediately after becoming a Designated DC Member with respect to such List Review Date (the "DC Participation Deadline").

In the event that a Designated DC Member (or Affiliate representing such Designated DC Member) does not effectively enter into, accede to, or renew adherence to, the Standard Agreement on or prior to the DC Participation Deadline, such Designated DC Member shall be immediately removed from each Committee on which it serves, the List of Eligible Global Dealer Members, each relevant List of Eligible Regional Dealer Members and the List of Eligible Non-dealer Members, as applicable, upon effective receipt by such Designated DC Member of valid written notice from the DC Secretary. Upon effective removal, such Designated DC Member shall also be added to the List of Ineligible Institutions for "Failure to Execute the Standard Agreement" and the expiration date for being on the List of Ineligible Institutions for "Failure to Execute the Standard Agreement" shall be the day immediately preceding the second List Review Date immediately following the date of such effective removal. Upon effective removal from a Committee, a Replacement DC Member will be selected in respect of such Committee in accordance with Section 1.11 (Replacement of DC Members).

A Designated DC Member that has entered into, acceded to, or renewed adherence to, the Standard Agreement in accordance with its terms shall be an "Adhered DC Member" and shall cease to be a Designated DC Member.

(c) **Term of Membership on each Committee.** Each Adhered DC Member shall serve on each relevant Committee until resigning or being removed in accordance with the Rules, and the start of the term for each Adhered DC Member shall be as follows (each Adhered DC Member shall become a "DC Member" from the start of such Adhered DC Member's term and for purposes of the Rules, shall no longer be considered to be an Adhered DC Member from the start of such Adhered DC Member's term):

(i) each Adhered Global Dealer Voting Member and Adhered Regional Dealer Voting Member shall begin its term on each relevant Committee on the later of (A) the day falling 30 calendar days after the List Review Date for the relevant calendar year and (B) the date of becoming an Adhered DC Member (such later date, the "Dealer Term Start Date");

(ii) each Adhered First Term Non-dealer Voting Member shall begin its term on each Committee on the later of (A) the day falling 30 calendar days after the List Review Date for the relevant calendar year and (B) the date of becoming an Adhered DC Member (such later date, the "Non-dealer First Term Start Date");

(iv) the Adhered Third Term Non-dealer Voting Member shall begin its term on each Committee on the later of (A) November 30th of the relevant calendar year and (B) the date of becoming an Adhered DC Member (such later date, the "Non-dealer Third Term Start Date"); and

(v) each Adhered Consultative Member shall begin its term on each relevant Committee on the later of (A) the day falling 30 calendar days after the List Review Date for the relevant calendar year and (B) the date of becoming an Adhered DC Member (such later date, the "Consultative Term Start Date"), provided that if a current Non-dealer Voting Member designated as either a "Second Term Non-dealer" or a "Third Term Non-dealer" is also the Adhered Consultative Member, the Consultative Term Start Date shall not be until the Non-dealer Second Term Start Date or Non-dealer Third Term Start Date, as applicable, and the term of the current Non-dealer Consultative Member shall not end until replaced by the Adhered Consultative Member, unless the current Non-dealer Consultative Member has also been selected as a Designated Non-dealer Voting Member, in which case replacement DC Member shall be selected to replace such institution as the Non-dealer Consultative Member in accordance with Section 1.11 (Replacement of DC Members) until the Consultative Term Start Date (as determined above).

Notwithstanding the above, with respect to the Initial List Review Date, each Adhered DC Member shall begin its term on the later of (A) April 8, 2009 and (B) the date of becoming an Adhered DC Member.

(d) Publication of DC Members. The DC Secretary shall, on each Term Start Date, promptly publish on its Website the identity of each then-current DC Member. The identity of any DC Member that replaces a DC Member prior to the immediately following Term Start Date shall also be promptly published by the DC Secretary on its Website along with the identity of the institution such DC Member is replacing.

(e) Failure to Identify Fifteen DC Members. In the event that there are fewer than fifteen DC Members for one or more Regions and the empty voting positions are unable to be filled in accordance with the Rules, each Convened DC for the relevant Region will comprise the number of DC Members existing for such Region until such time as the DC Secretary is able to fill any empty voting position in accordance with the replacement provisions of Section 1.11 (Replacement of DC Members).

1.9 Procedures for becoming a CCP Member

(a) Notifying Designated CCP Members. Each Designated CCP Member will be notified promptly by the DC Secretary that it has been identified by the DC Secretary as a Designated CCP Member.

(b) Standard Agreement. In order to be eligible to participate on a Committee, each Designated CCP Member shall effectively enter into, accede to, or renew adherence to, the Standard Agreement prior to 5:00 p.m. New York time on a day falling ten New York and London Business Days immediately after becoming a Designated CCP Member (the "CCP Participation Deadline").
In the event that a Designated CCP Member does not effectively enter into, accede to, or renew adherence to, the Standard Agreement on or prior to the CCP Participation Deadline, such Designated CCP Member shall be immediately removed from each Committee on which it serves and the List of Participating CCPs upon effective receipt by such Designated CCP Member of valid written notice from the DC Secretary. Upon effective removal from a Committee, the DC Secretary will attempt to select a Replacement CCP Member in respect of such Committee in accordance with Section 1.12 (Replacement of CCP Members).

A Designated CCP Member that has entered into, acceded to, or renewed adherence to, the Standard Agreement in accordance with its terms shall be an "Adhered CCP Member" and shall cease to be a Designated CCP Member.

(c) Term of Membership on each Committee. Each Adhered CCP Member shall serve on each relevant Committee until resigning or being removed in accordance with the Rules, and the start of the term for each Adhered CCP Member shall be as follows (such date, the "CCP Term Start Date")—the later of (i) the day falling 30 calendar days after the List Review Date for the relevant calendar year and (ii) the date of becoming an Adhered CCP Member (such later date, the "CCP Term Start Date").

(i) on or prior to the List Review Date occurring during the 2012 calendar year, each Adhered CCP Member shall begin its term on the first of the following dates to occur following its designation as an Adhered CCP Member: (A) June 30, 2011, (B) September 30, 2011 and (C) December 30, 2011;

(ii) otherwise, on the later of (A) the day falling 30 calendar days after the List Review Date for the relevant calendar year and (B) the date of becoming an Adhered CCP Member.

From the start of such Adhered CCP Member's term, each Adhered CCP Member shall become a "CCP Member" and shall no longer be considered to be an Adhered CCP Member.

(d) Publication of CCP Members. The DC Secretary shall, on each CCP Term Start Date, promptly publish on its Website the identity of each then-current CCP Member.

1.10 Removal from the Eligible Lists and the Determinations Committees

(a) Failure by a Global Dealer Voting Member or a Regional Dealer Voting Member to Qualify for Continued DC Membership. As of a List Review Date, a Global Dealer Voting Member that fails to qualify as a Designated Global Dealer Voting Member or a Regional Dealer Voting Member that fails to qualify as a Designated Regional Dealer Voting Member for the relevant Region, as applicable, shall be replaced on each relevant Committee on the Dealer Term Start Date of the Designated DC Member matched under Section 1.8(a) (Notifying Designated DC Members) to replace such Global Dealer Voting Member or Regional Dealer Voting Member, as applicable. For the avoidance of doubt, a Global Dealer Voting Member or Regional Dealer Voting Member being replaced under this Section 1.10(a) (Failure by a Global Dealer Voting Member or a Regional Dealer Voting Member to Qualify for Continued DC Membership) shall be permitted to finish serving on each Convened DC that is deliberating at the time.

(b) Failure by a CCP Member to Qualify for Continued DC Membership. As of a List Review Date, a CCP Member that fails to qualify as a Designated CCP Member for each Region with respect to which it is currently a CCP Member shall be removed from each relevant Committee for which it no longer qualifies on the day falling 30 calendar days after such List Review Date (unless it obtains the approval of the relevant Committee to remain a
member pursuant to Section 1.7(c) (Additional CCP Members)—1.7(b) (DC Approval of Participating CCPs). For the avoidance of doubt, a CCP Member being removed under this Section 1.10(b) (Failure by a CCP Member to Qualify for Continued DC Membership) shall be permitted to finish serving on each Convened DC that is deliberating at the time.

(c) **Term End Date for a Non-dealer Voting Member or Consultative Member.** The term of each Non-dealer Voting Member and Consultative Member shall end on the earlier of (i) the date on which such Non-dealer Voting Member or Consultative Member, as applicable, is replaced in accordance with Section 1.11 (Replacement of DC Members) and (ii) the relevant Term Start Date under Section 1.8(c) (Term of Membership on each Committee) for the new Non-dealer Voting Member or Consultative Member, if any, replacing such Non-dealer Voting Member or Consultative Member, as applicable. For the avoidance of doubt, a Non-dealer Voting Member or Consultative Member being replaced under Section 1.10(c)(ii) (Term End Date for a Non-dealer Voting Member or Consultative Member) shall be permitted to finish serving on each Convened DC that is deliberating at the time.

(d) **Failure to Pay an ISDA Invoice.** If any Participating Institution, or any Affiliate of any Participating Institution, has an invoice from ISDA that (i) remains unpaid for more than one year after effective receipt of such invoice by such Participating Institution or Affiliate, as applicable, (ii) has not been challenged in good faith by such Participating Institution or Affiliate, as applicable, and (iii) such Participating Institution has not been previously added to the List of Ineligible Institutions on account of such invoice, such Participating Institution shall be added to the List of Ineligible Institutions for "Failure to Pay an ISDA Invoice" and the expiration date for being on the List of Ineligible Institutions for "Failure to Pay an ISDA Invoice" shall be the date on which payment in full of such invoice is effectively received by the DC Secretary. If a Participating Institution is added to the List of Ineligible Institutions for "Failure to Pay an ISDA Invoice", such Participating Institution shall also be removed from each Committee on which it serves, if any, the List of Eligible Global Dealer Members, each relevant List of Eligible Regional Dealer Members and the List of Eligible Non-dealer Members, as applicable. Upon effective removal of a Participating Institution from a Committee, a Replacement DC Member will be selected in respect of such Committee in accordance with Section 1.11 (Replacement of DC Members). Notwithstanding the above, the DC Secretary may waive or postpone the application of this Section 1.10(d) (Failure to Pay an ISDA Invoice) at any time in its sole discretion.

(e) **Failure to Participate in a Non-LCDS Auction.** Each time a Participating Dealer Institution fails to participate as a Participating Bidder in a Non-LCDS Auction, the DC Secretary shall enter, on the List of Missed Auctions, the name of such Participating Dealer Institution, the Auction Date of such missed Non-LCDS Auction and the Region in which the Transaction Type of the Reference Entity in respect of which the relevant Non-LCDS Auction was held is included; provided that an entry shall not be added to the List of Missed Auctions if the Participating Dealer Institution failed to participate as a Participating Bidder due to (i) regulatory restrictions preventing such Participating Dealer Institution from participating in the relevant Non-LCDS Auction (and a certificate signed by a Managing Director (or other substantively equivalent title) of such Participating Dealer Institution attesting to such effect, based on reasonable belief, is provided to the DC Secretary prior to the Auction Date of the relevant Non-LCDS Auction) or (ii) a Convened DC rejecting such institution's request to act as a Participating Bidder.

(A) **Loss of Global Eligibility.** Each time a Participating Institution accumulates an entry on the List of Missed Auctions so that such Participating Institution has two or more entries on the List of Missed Auctions since the most recent List Review Date, such Participating Institution shall be, upon effective receipt by such Participating Institution of valid written
notice from the DC Secretary, (I) immediately removed from each relevant Committee with respect to which such Participating Institution serves as a Global Dealer Voting Member or Global Dealer Consultative Member, as applicable, if any, and from the List of Eligible Global Dealer Members to the extent such Participating Institution is on the List of Eligible Global Dealer Members at such time and (II) added, unless already on the List of Ineligible Institutions for "Failure to Participate in Auctions", to the List of Ineligible Institutions for "Failure to Participate in Auctions". The expiration date for being on the List of Ineligible Institutions for "Failure to Participate in Auctions" shall be the day immediately preceding the second List Review Date immediately following the most recent Auction Date with respect to the most recent entry included on the List of Missed Auctions for such Participating Institution.

(B) **Loss of Regional Eligibility.** Each time a Participating Institution accumulates an entry on the List of Missed Auctions so that such Participating Institution has two or more entries on the List of Missed Auctions since the most recent List Review Date for a specific Region, such Participating Institution shall be, upon effective receipt by such Participating Institution of valid written notice from the DC Secretary, (I) immediately removed from the Committee for such Region with respect to which such Participating Institution serves as a Regional Dealer Voting Member or Regional Dealer Consultative Member, as applicable, if any, and from the List of Eligible Regional Dealer Voting Members for such Region to the extent such Participating Institution is on the relevant List of Eligible Regional Dealer Voting Members at such time and (II) added, unless already on the List of Ineligible Institutions for "Failure to Participate in Regional Auctions" for the relevant Region, to the List of Ineligible Institutions for "Failure to Participate in Regional Auctions" for the relevant Region. The expiration date for being on the List of Ineligible Institutions for "Failure to Participate in Regional Auctions" shall be the day immediately preceding the second List Review Date immediately following the most recent Auction Date with respect to the most recent entry included on the List of Missed Auctions for such Participating Institution and for the relevant Region.

Upon effective removal of a DC Member from a Committee, if any, a Replacement DC Member will be selected with respect to such Committee to replace such DC Member in accordance with Section 1.11 (Replacement of DC Members). For the avoidance of doubt, if more than one (including a senior and subordinated) Non-LCDS Auction is held for purposes of settling Relevant Transactions upon the occurrence of a single Credit Event with respect to an Affected Reference Entity, each such Non-LCDS Auction will be considered as a separate Non-LCDS Auction for purposes of Section 1.4(d) (List of Missed Auctions) and this Section 1.10(e) (Failure to Participate in a Non-LCDS Auction). For purposes of determining whether a Participating Dealer Institution participated as a Participating Bidder in a specific Non-LCDS Auction, a Participating Dealer Institution shall be deemed to include each Affiliate of such Participating Dealer Institution as of the date of such Non-LCDS Auction, so that if an Affiliate of a Participating Dealer Institution participates as a Participating Bidder, such Participating Dealer Institution will also be considered to have participated as a Participating Bidder.

(f) **Auction Exemption for Global Dealer Voting Members and Regional Dealer Voting Members.** With respect to a Non-LCDS Auction for which a Global Dealer Voting Member or a Regional Dealer Voting Member would have an entry added on the List of Missed Auctions under Section 1.10(e) (Failure to Participate in a Non-LCDS Auction) and, for a Regional Dealer Voting Member, is held with respect to a Reference Entity of a Transaction Type included in a Region in respect of which such Regional Dealer Voting Member serves as a DC Member (such Non-LCDS Auction, a "Relevant Auction"), such Global Dealer Voting Member and such Regional Dealer Voting Member may only be exempt from participating as a Participating Bidder in a Relevant Auction by requesting an
exemption from the DC Secretary by written notice; provided that such Global Dealer Voting Member or Regional Dealer Voting Member must not have already received an exemption during the period from, and including, the List Review Date occurring immediately prior to the date of such exemption request to, and including, the date of such exemption request. For each Non-LCDS Auction, the DC Secretary will grant up to two exemption requests and will grant such exemptions to those requests effectively received first by the DC Secretary; provided that an exemption will not be granted to a Global Dealer Voting Member or a Regional Dealer Voting Member that has received an exemption since the immediately preceding List Review Date. Upon granting one or more exemptions with respect to a Non-LCDS Auction, the DC Secretary shall promptly notify the Authorized Contact(s) of each DC Member, in writing and/or by telephone, of the identity of the exempted Global Dealer Voting Member(s) and/or Regional Dealer Voting Member(s). For the avoidance of doubt, an exemption will not prevent a Global Dealer Voting Member or a Regional Dealer Voting Member from being added to the List of Missed Auctions under the provisions of Section 1.4(d) (List of Missed Auctions) and Section 1.10(e) (Failure to Participate in a Non-LCDS Auction).

(i) **Loss of Global Eligibility.** If an entry to the List of Missed Auctions is added for a Relevant Auction with respect to a Global Dealer Voting Member and such Global Dealer Voting Member has not obtained an exemption for such Relevant Auction, such Global Dealer Voting Member shall be, upon effective receipt by such Global Dealer Voting Member of valid written notice from the DC Secretary, (A) immediately removed from each relevant Committee and from the List of Eligible Global Dealer Voting Members to the extent such Global Dealer Voting Member is on the List of Eligible Global Dealer Voting Members at such time and (B) added, unless already on the List of Ineligible Institutions for "Failure to Participate in Auctions", to the List of Ineligible Institutions for "Failure to Participate in Auctions". The expiration date for being on the List of Ineligible Institutions for "Failure to Participate in Auctions" shall be the day immediately preceding the second List Review Date immediately following the most recent Auction Date with respect to the most recent entry included on the List of Missed Auctions for such Participating Institution.

(ii) **Loss of Regional Eligibility.** If an entry to the List of Missed Auctions is added for a Relevant Auction with respect to a Regional Dealer Voting Member and such Regional Dealer Voting Member has not obtained an exemption for such Relevant Auction, such Regional Dealer Voting Member shall be, upon effective receipt by such Regional Dealer Voting Member of valid written notice from the DC Secretary, (A) immediately removed from the Committee for the relevant Region and the List of Eligible Regional Dealer Members for the relevant Region to the extent such Regional Dealer Voting Member is on the List of Eligible Regional Dealer Members at such time and (B) added, unless already on the List of Ineligible Institutions for "Failure to Participate in Regional Auctions" for the relevant Region, to the List of Ineligible Institutions for "Failure to Participate in Regional Auctions" for the relevant Region. The expiration date for being on the List of Ineligible Institutions for "Failure to Participate in Regional Auctions" shall be the day immediately preceding the second List Review Date immediately following the most recent Auction Date with respect to the most recent entry included on the List of Missed Auctions for such Participating Institution and for the relevant Region.

Upon effective removal of a DC Member from a Committee, a Replacement DC Member will be selected with respect to such Committee to replace such DC Member in accordance with Section 1.11 (Replacement of DC Members). For the avoidance of doubt, if more than one (including a senior and subordinated) Non-LCDS Auction is held for purposes of settling Relevant Transactions upon the occurrence of a single Credit Event with respect to an Affected Reference Entity, each such Non-LCDS Auction will be considered as a separate Non-LCDS Auction for purposes of this
Section 1.10(f) (Auction Exemption for Global Dealer Voting Members and Regional Dealer Voting Members).

(g) **Failure to Attend Meetings.** Each time a Convened DC Voting Member, in contravention of Section 2.3(b) (Voting and Participation), (i) fails to be present at a Convened DC meeting where one or more binding votes are held, (ii) is present at a Convened DC meeting where one or more binding votes are held but fails to vote in each such binding vote or (iii) fails to submit an email vote in respect of a Mandatory Email Vote within the required timeframe, in each case, other than pursuant to Section 2.3(c) (Abstention), such Convened DC Voting Member shall be deemed to have missed a meeting and the DC Secretary shall enter the name of such Convened DC Voting Member on the List of Missed Meetings. Each time a Convened DC Consultative Member, in contravention of Section 2.3(b) (Voting and Participation), fails to be present at a Convened DC meeting where one or more binding votes are held, other than pursuant to Section 2.3(c) (Abstention), the DC Secretary shall enter the name of such Convened DC Consultative Member on the List of Missed Meetings. Each time a DC Member accumulates an entry on the List of Missed Meetings that results in such DC Member having two or more entries on the List of Missed Meetings since the most recent Term Start Date for such DC Member, such DC Member shall be immediately removed from each Committee on which it serves, the List of Eligible Global Dealer Members, each relevant List of Eligible Regional Dealer Members and the List of Eligible Non-dealer Members, as applicable, upon effective receipt by such DC Member of valid written notice from the DC Secretary. Upon effective removal, such DC Member shall also be added, unless already on the List of Ineligible Institutions for "Failure to Attend Meetings", to the List of Ineligible Institutions for "Failure to Attend Meetings". Upon effective removal, the expiration date for being on the List of Ineligible Institutions for "Failure to Attend Meetings" shall be the day immediately preceding the second List Review Date immediately following the date of such effective removal. Upon effective removal from a Committee, a Replacement DC Member will be selected in respect of such Committee in accordance with Section 1.11 (Replacement of DC Members).

(h) **Bankruptcy Event of Default.** A Convened DC may Resolve, by a Supermajority, that an event under Section 5(a)(vii)(1), (4), (5) or (6) (or under Section 5(a)(vii)(8) or (9) to the extent either Section 5(a)(vii)(8) or (9) would apply with respect to Section 5(a)(vii)(1), (4), (5) or (6)) of the 2002 ISDA Master Agreement has occurred and is continuing with respect to a Participating Institution. If the Participating Institution with respect to which such event occurs and is continuing is one of the relevant Convened DC Voting Members, such Participating Institution shall not participate in the vote. Following a DC Resolution under this Section 1.10(h) (Bankruptcy Event of Default) that such event has occurred and is continuing with respect to a Participating Institution, such Participating Institution shall be immediately removed from each Committee on which it serves, if any, upon effective receipt by such Participating Institution of valid written notice from the DC Secretary. In addition, such Participating Institution shall be removed from the List of Participating Institutions, the List of Eligible Global Dealer Members, each relevant List of Eligible Regional Dealer Members and the List of Eligible Non-dealer Members, as applicable, and shall not be permitted to be included on the List of Participating Institutions until a Convened DC Resolves by a Supermajority to allow such inclusion; provided that inclusion on the List of Participating Institutions shall in no event occur earlier than the second List Review Date immediately following the date of such effective removal. Upon effective removal from a Committee, a Replacement DC Member will be selected in respect of such Committee in accordance with Section 1.11 (Replacement of DC Members).

(i) **Resignation.** Any Participating Institution may at any time request to resign from the List of Participating Institutions, the List of Eligible Global Dealer Members, each List of
Eligible Regional Dealer Members, the List of Eligible Non-dealer Members and each Committee on which it serves by written notice to the DC Secretary. Such resignation shall be effective from the date of effective receipt by the DC Secretary of valid notice and, upon effective resignation from a Committee, a Replacement DC Member will be selected with respect to such Committee in accordance with Section 1.11 (Replacement of DC Members). For the avoidance of doubt, a Participating Institution may not request to resign from only a specific list or Committee. Upon effective resignation from a Committee, a Participating Institution shall be added to the List of Ineligible Institutions for "Resignation". The expiration date for being on the List of Ineligible Institutions for "Resignation" shall be the day immediately preceding the second List Review Date immediately following the most recent date of such Participating Institution's effective removal from a Committee. For the avoidance of doubt, the resignation of a Participating Institution shall not result in the removal of such institution from the List of Ineligible Institutions.

(j) **Reinstatement.** Any institution that has resigned under Section 1.10(i) (Resignation) may at any time request to be reinstated to the List of Participating Institutions, the List of Eligible Global Dealer Members, a List of Eligible Regional Dealer Members and the List of Eligible Non-dealer Members, as applicable, by written notice to the DC Secretary. Upon effective receipt by the DC Secretary of valid notice, such reinstatement shall be immediately effective but, if applicable, such institution will remain an Ineligible Institution until the expiration of all reasons for ineligibility for such institution (including, for the avoidance of doubt, ineligibility for "Resignation").

(k) **Affiliates and Mergers.** A Convened DC may Resolve by a Majority (i) that one or more institutions (including another Participating Institution) (A) have consolidated or amalgamated with, or merged into, or transferred all or substantially all their assets to, a Participating Institution or (B) are or have become Affiliates of a Participating Institution and (ii) the date of such occurrence (following such DC Resolution, such institutions, together, shall be an "Affiliate Group"). The Convened DC Voting Members, if any, that are part of a potential Affiliate Group shall not participate in any vote under this Section 1.10(k) (Affiliates and Mergers). An Affiliate Group is entitled to one entry on the List of Participating Institutions, the List of Eligible Global Dealer Members, each relevant List of Eligible Regional Dealer Members and the List of Eligible Non-dealer Members, as applicable, and shall, promptly and jointly, notify the DC Secretary of the appropriate Participating Institution to include and the identity and contact information of the joint Authorized Contact(s) of the Affiliate Group. The DC Secretary shall also include only such Participating Institution notified by the Affiliate Group on each other list maintained in accordance with the Rules. In addition, an Affiliate Group shall be limited to one voting representative and one vote for each Convened DC. Any resulting empty position(s) on each relevant Committee shall be filled by the selection of one or more Replacement DC Members in respect of each relevant Committee in accordance with Section 1.11 (Replacement of DC Members). For the avoidance of doubt, the foregoing determinations may be made with respect to events that may have occurred prior to such Participating Institution being added to the List of Participating Institutions.

(l) **Loss of CCP Observer Status.** A Convened DC may Resolve by Supermajority to remove a CCP Member from the Committee for the relevant Region if such CCP Member (i) breaches any of its obligations under the Rules or the Standard Agreement (other than the requirement to attend meetings of a Convened DC under Section 2.3(b) (Voting and Participation)) or (ii) ceases to have an Open Interest in, and make available for clearing, Relevant Credit Derivative Transactions that reference one or more Reference Entities of a Transaction Type that is included in the relevant Region. Such CCP Member shall be immediately removed from the relevant Committee upon effective receipt by such CCP.
Member of valid written notice from the DC Secretary. Upon effective removal from a Committee, the DC Secretary will attempt to select a Replacement CCP Member in respect of such Committee in accordance with Section 1.12 (Replacement of CCP Members).

(m) **Resignation of a CCP Member.** Any Participating CCP may at any time request to resign from the List of Participating CCPs and/or any Committee on which it serves by written notice to the DC Secretary. Such resignation shall be effective from the date of effective receipt by the DC Secretary of valid notice and, upon effective resignation from a Committee, the DC Secretary will attempt to select a Replacement CCP Member in respect to such Committee in accordance with Section 1.12 (Replacement of CCP Members).

(n) **Removal from a Committee and Acting as a Participating Bidder.** Each DC Member or CCP Member that resigns, is replaced or is removed from a Committee shall no longer be a DC Member or a CCP Member, as applicable, for purposes of the Rules. For the avoidance of doubt, being removed from a Committee shall not prevent a DC Member or any of its Affiliates from acting as a Participating Bidder in any Auction, subject to any approval of a Convened DC required under Section 3.2(b)(ii) (Other Auction-related Determinations).

### 1.11 Replacement of DC Members

(a) **The Replacement Process.** Each Designated DC Member, Adhered DC Member or DC Member that is to be replaced pursuant to the Rules (each, a "Replaced Institution") shall be replaced by a Participating Institution (the "Replacement DC Member") in accordance with the provisions of this Section 1.11 (Replacement of DC Members).

(b) **Identifying Eligible Replacement Institutions for Dealer Members.** With respect to a Replaced Institution that is a Dealer Member, the DC Secretary shall first attempt to identify potential replacements for such Dealer Member as follows:

(i) if the Replaced Institution is a Designated Global Dealer Voting Member, Adhered Global Dealer Voting Member or Global Dealer Voting Member, the DC Secretary shall identify as a potential replacement each Eligible Global Dealer that is not a Designated Global Dealer Voting Member, Adhered Global Dealer Voting Member or Global Dealer Voting Member;

(ii) if the Replaced Institution is a Designated Global Dealer Consultative Member, Adhered Global Dealer Consultative Member or Global Dealer Consultative Member, the DC Secretary shall identify as a potential replacement each Eligible Global Dealer that is not a Designated DC Voting Member, Adhered DC Voting Member, DC Voting Member, Designated Global Dealer Consultative Member, Adhered Global Dealer Consultative Member or Global Dealer Consultative Member;

(iii) if the Replaced Institution is a Designated Regional Dealer Voting Member, Adhered Regional Dealer Voting Member or Regional Dealer Voting Member, the DC Secretary shall identify as a potential replacement, for each Region in respect of which the Replaced Institution is designated to serve or serves, as applicable, each Eligible Regional Dealer on the List of Eligible Regional Dealer Members for such Region that is not a Designated DC Voting Member, Adhered DC Voting Member or DC Voting Member in respect of such Region; and

(iv) if the Replaced Institution is a Designated Regional Dealer Consultative Member, Adhered Regional Dealer Consultative Member or Regional Dealer Consultative Member, the DC Secretary shall identify as a potential replacement, for each Region in respect of which the Replaced Institution is designated to serve or serves, as applicable, each Eligible Regional
Dealer on the List of Eligible Regional Dealer Members for such Region that is not a Designated DC Member, Adhered DC Member or DC Member in respect of such Region.

If only one Participating Dealer Institution is identified as a potential replacement for a Replaced Institution that is a Dealer Member, such Participating Dealer Institution shall be the Replacement DC Member. If more than one Participating Institution is identified as a potential replacement for a Replaced Institution that is a Dealer Member, the DC Secretary shall provide DTCC with a list of such potential replacements and the Replacement DC Member shall be the potential replacement that DTCC identifies as appearing highest on (A) for potential replacements identified under Sections 1.11(b)(i) or (ii) (Identifying Eligible Replacement Institutions for Dealer Members), the Global Dealer Trading Volume List or (B) for potential replacements identified under Sections 1.11(b)(iii) or (iv) (Identifying Eligible Replacement Institutions for Dealer Members), the relevant Regional Dealer Trading Volume List, in each case, as most recently compiled.

Notwithstanding the above, if a Designated DC Member has been selected on a List Review Date to replace the relevant Replaced Institution pursuant to Sections 1.6(a) (Identifying Dealer Members on each List Review Date) and 1.8(a) (Notifying Designated DC Members) but the Term Start Date applicable to such Designated DC Member has not yet occurred, such Designated DC Member shall be the Replacement DC Member.

(c) Identifying an Eligible Replacement Institution for Non-dealer Members. With respect to a Replaced Institution that is a Non-dealer Member, the DC Secretary shall first attempt to identify a Replacement DC Member as follows:

(i) if the Replaced Institution is a Designated Non-dealer Voting Member, Adhered Non-dealer Voting Member, or Non-dealer Voting Member, the Replacement DC Member shall be the Participating Non-dealer Institution that is currently the Designated Non-dealer Consultative Member, Adhered Non-dealer Consultative Member or Non-dealer Consultative Member, as applicable; provided that (A) at least one (including the Replacement DC Member) of the Designated Non-dealer Voting Members, Adhered Non-dealer Voting Members and Non-dealer Voting Members must be classified as a "private investment company manager" and (B) at least one (including the Replacement DC Member) of the Designated Non-dealer Voting Members, Adhered Non-dealer Voting Members and Non-dealer Voting Members must be classified as a "registered investment company manager". If the proviso immediately above is not satisfied, the Replacement DC Member shall instead be an Eligible Non-dealer that is (I) not a Designated Non-dealer Voting Member, Adhered Non-dealer Voting Member, Non-dealer Voting Member, Designated Non-dealer Consultative Member, Adhered Non-dealer Consultative Member or Non-dealer Consultative Member and (II) selected at random by the DC Secretary from those Eligible Non-dealers designated as not having been previously identified to serve on a Committee and designated as a "private investment company manager" or "registered investment company manager", as applicable, depending on which category is unrepresented; provided that if no such Eligible Non-dealers remain, the Replacement DC Member shall be an Eligible Non-dealer selected at random by the DC Secretary from those designated as a "private investment company manager" or "registered investment company manager", as applicable, depending on which category is unrepresented; and

(ii) if the Replaced Institution is a Designated Non-dealer Consultative Member, Adhered Non-dealer Consultative Member or Non-dealer Consultative Member, the Replacement DC Member shall be an Eligible Non-dealer that is not a Designated DC Member, Adhered DC Member or DC Member, selected at random by the DC Secretary from (A) those Eligible Non-dealers that are designated as not having been previously identified to serve on a Committee or (B) if no such Eligible Non-dealers remain, any Eligible Non-dealer,
provided that the Replacement DC Member shall not be an Affiliate of a Dealer Member.

Notwithstanding the above, if a Designated DC Member has been selected on a List Review Date to replace the relevant Replaced Institution pursuant to Section 1.6(c) (Identifying Non-dealer Members on each List Review Date) but the Term Start Date applicable to such Designated DC Member has not yet occurred, such Designated DC Member shall be the Replacement DC Member, provided that, for purposes of replacing a Replaced Institution that is a "First Term Non-dealer" or a "Second Term Non-dealer" in accordance with this paragraph, the Designated DC Member first designated as a "First Term Non-dealer" or a "Second Term Non-dealer", as applicable, on such List Review date shall be the Replacement DC Member.

(d) **Inability to Identify a Replacement DC Member.** If the DC Secretary is unable to identify a Replacement DC Member in accordance with Sections 1.11(b) (Identifying Eligible Replacement Institutions for Dealer Members) or 1.11(c) (Identifying an Eligible Replacement Institution for Non-dealer Members), the DC Secretary shall attempt to identify a Replacement DC Member in accordance with the provisions of Section 1.11(e) (Identifying Ineligible Replacement Institutions).

(e) **Identifying Ineligible Replacement Institutions.** Each time that the DC Secretary applies this Section 1.11(e) (Identifying Ineligible Replacement Institutions), the DC Secretary shall, by reference to the relevant sub-clause of Section 1.6(a) (Identifying Dealer Members on each List Review Date), 1.6(c) (Identifying Non-dealer Members on each List Review Date), 1.11(b) (Identifying Eligible Replacement Institutions for Dealer Members) or 1.11(c) (Identifying an Eligible Replacement Institution for Non-dealer Members) that is applicable based on the position being filled, identify one or more Ineligible Institutions in accordance with the following priority, provided that an Ineligible Institution that is on the List of Ineligible Institutions for "Failure to Execute the Standard Agreement" shall not be so identified:

(i) first, the DC Secretary shall identify as a potential replacement each Ineligible Institution that (A) would otherwise be selected under the relevant sub-clause but for being an Ineligible Institution, (B) is a Participating Institution and (C) is on the List of Ineligible Institutions solely for "Failure to Pay an ISDA Invoice";

(ii) second, to the extent that no Ineligible Institution satisfying sub-clause (i) exists, the DC Secretary shall identify as a potential replacement each Ineligible Institution that (A) would otherwise be selected under the relevant sub-clause but for being an Ineligible Institution, (B) is a Participating Institution, (C) is on the List of Ineligible Institutions solely for "Failure to Attend Meetings" and, if applicable, "Failure to Pay an ISDA Invoice" and (D) has the least number of entries on the List of Missed Meetings out of such Ineligible Institutions;

(iii) third, to the extent that no Ineligible Institution satisfying sub-clause (ii) exists, the DC Secretary shall identify as a potential replacement each Ineligible Institution that (A) would otherwise be selected under the relevant sub-clause but for being an Ineligible Institution, (B) is a Participating Institution and (C) is on the List of Ineligible Institutions solely for "Resignation" and, if applicable, "Failure to Attend Meetings" and/or "Failure to Pay an ISDA Invoice"; and

(iv) fourth, to the extent that no Ineligible Institution satisfying sub-clause (iii) exists, the DC Secretary shall identify as a potential replacement each Ineligible Institution that (A) would otherwise be selected under the relevant sub-clause but for being an Ineligible Institution, (B) is a Participating Institution, (C) is on the List of Ineligible Institutions for "Failure to
Participate in Auctions" and (D) has the least number of entries on the List of Missed Auctions out of such Ineligible Institutions; provided that for regional replacements, only entries on the List of Missed Auctions for the relevant Region will be considered.

For a replacement selection with respect to a Non-dealer Member, the Replacement DC Member shall be selected at random from the Ineligible Institutions identified as potential replacements. For a replacement selection with respect to a Replaced Institution that is a Dealer Member, if only one Ineligible Institution is identified as a potential replacement, such Participating Dealer Institution shall be the Replacement DC Member. However, if more than one Ineligible Institution is identified as a potential replacement for such Dealer Member, the DC Secretary shall provide DTCC with a list of such potential replacements and the Replacement DC Member shall be the potential replacement that DTCC identifies as appearing highest on (I) if the replacement is being made in accordance with Section 1.6(a)(i) or 1.6(a)(iii) (Identifying Dealer Members on each List Review Date) or 1.11(b)(i) or 1.11(b)(ii) (Identifying Eligible Replacement Institutions for Dealer Members), the Global Dealer Trading Volume List or (II) if the replacement is being made in accordance with Section 1.6(a)(ii) or 1.6(a)(iv) (Identifying Dealer Members on each List Review Date) or Section 1.11(b)(iii) or 1.11(b)(iv) (Identifying Eligible Replacement Institutions for Dealer Members), the relevant Regional Dealer Trading Volume List, in each case, as most recently compiled.

(f) **Option to Remain a Global Consultative Dealer.** Notwithstanding the above, if the Replacement DC Member selected in accordance with this Section 1.11 (Replacement of DC Members) is currently a Designated Global Dealer Consultative Member, Adhered Global Dealer Consultative Member or Global Dealer Consultative Member, such Replacement DC Member shall be promptly notified by the DC Secretary and may choose to remain in its current position instead of assuming the position of the Replaced Institution by providing written notice of such choice to the DC Secretary; provided that if the DC Secretary does not effectively receive notice of such choice within one New York and London Business Day of effective receipt by such Replacement DC Member of notice from the DC Secretary under Section 1.11(h) (Notifying the Replacement DC Member), such Replacement DC Member shall be deemed to have chosen not to remain as a Designated Global Dealer Consultative Member, Adhered Global Dealer Consultative Member or Global Dealer Consultative Member, as applicable. If such Replacement DC Member chooses to remain as a Designated Global Dealer Consultative Member, Adhered Global Dealer Consultative Member or Global Dealer Consultative Member, as applicable, such Participating Dealer Institution shall not be considered a Replacement DC Member under the Rules and the DC Secretary shall select another Replacement DC Member in accordance with this Section 1.11 (Replacement of DC Members) for the Replaced Institution; provided that a Participating Dealer Institution that, at such time, has chosen with respect to such Replaced Institution to remain as a Designated Global Dealer Consultative Member, Adhered Global Dealer Consultative Member or Global Dealer Consultative Member, as applicable, shall not be considered for such selection.

(g) **Subsequent Replacements.** In the event that a Replacement DC Member selected in accordance with this Section 1.11 (Replacement of DC Members) is currently serving as a Designated DC Member, Adhered DC Member or DC Member immediately prior to being designated as a Replacement DC Member, the empty position resulting from the operation of this Section 1.11 (Replacement of DC Members) shall also be filled in accordance with this Section 1.11 (Replacement of DC Members).

(h) **Notifying the Replacement DC Member.** Each Replacement DC Member will promptly be notified by the DC Secretary, in writing and/or by telephone, that it has been identified as a Replacement DC Member. For purposes of Section 1.8(b) (Standard Agreement), the DC Participation Deadline shall be 5:00 p.m. New York time on the day falling ten New York
and London Business Days immediately following the date of effective receipt by the Replacement DC Member of valid notice from the DC Secretary that such Replacement DC Member has been selected by the DC Secretary as a Replacement DC Member, provided that if a Replacement DC Member identified pursuant to Section 1.11(e) (Identifying Ineligible Replacement Institutions) is the same as the Replaced Institution, such Replacement DC Member will not be required to re-execute the Standard Agreement.

(i) Holdover Non-dealer Members. Each Replacement DC Member that effectively receives notice that it has been identified as a Replacement DC Member for a Designated Non-dealer Voting Member, Adhered Non-dealer Voting Member or Non-dealer Voting Member after the date falling eight calendar months prior to the start date of the next term for the designation of such Designated Non-dealer Voting Member, Adhered Non-dealer Voting Member or Non-dealer Voting Member, as applicable, as specified in Section 1.8(c)(ii)(A), (iii)(A) or (iv)(A) (Term of Membership on each Committee), as applicable, shall be a "Holdover Non-dealer Member".

(j) Proper Designation under the Rules. For purposes of the Rules, a Replacement DC Member shall be considered a Designated Global Dealer Voting Member, Designated Global Dealer Consultative Member, Designated Regional Dealer Voting Member, Designated Regional Dealer Consultative Member, Designated Non-dealer Voting Member or Designated Non-dealer Consultative Member, as applicable, based on the designation of the position being filled, and the Replaced Institution shall no longer be considered as such. With respect to replacements for a Designated Non-dealer Voting Member, Adhered Non-dealer Voting Member or Non-dealer Voting Member, the Replacement DC Member shall be designated a "First Term Non-dealer", "Second Term Non-dealer" or "Third Term Non-dealer" so as to correspond to the designation of the Replaced Institution. For purposes of the replacement process under Section 1.10(a) (Failure by a Global Dealer Voting Member or a Regional Dealer Voting Member to Qualify for Continued DC Membership), a Replacement DC Member shall be considered to be matched with the institution, if any, that the Replaced Institution was matched with under Section 1.8(a) (Notifying Designated DC Members). If the Replaced Institution was a DC Member immediately prior to being replaced, the Replacement DC Member shall begin its term on the Committees and shall be deemed to be a DC Member immediately upon becoming an Adhered DC Member, notwithstanding Section 1.8(c) (Term of Membership on each Committee).

(k) Failure to Identify a Replacement DC Member. In the event that, with respect to a Replaced Institution, no Replacement DC Member has been selected under this Section 1.11 (Replacement of DC Members), each relevant Committee will be composed of the remaining DC Members identified for such Region until such time as the DC Secretary is able to fill the empty position(s) through the replacement provisions of this Section 1.11 (Replacement of DC Members).

1.12 Replacement of CCP Members

(a) The Identifying Replacement Process CCP Members. On or after the List Review Date occurring during the 2012 calendar year only, the DC Secretary will attempt to replace each With respect to a Designated CCP Member, Adhered CCP Member or CCP Member that has failed to adhere to the Standard Agreement, has resigned or has been removed pursuant to the Rules (each, an "Exiting CCP") with a Participating CCP (the "Replacement CCP Member") in accordance with the provisions of this Section 1.12 (Replacement of CCP Members). For the avoidance of doubt, prior to the List Review Date occurring during the 2012 calendar year, the DC Secretary shall not attempt to replace a Designated CCP Member, Adhered CCP Member or CCP Member, the DC Secretary shall attempt to
identify a potential replacement for such Exiting CCP by selecting the Participating CCP (the "Replacement CCP Member"), if any, that satisfies each of the criteria in 1.7(a) (Identifying CCP Members on a List Review Date) for the relevant Region, provided that the requirement that such Participating CCP be one of the first three CCPs on the most recently compiled Regional CCP Clearing Volume List for such Region shall be assessed without taking into account any CCP that is an Exiting CCP.

(b) Identifying Replacement CCP Members. On or after the List Review Date occurring during the 2012 calendar year, with respect to an Exiting CCP, the DC Secretary shall attempt to identify a potential replacement for such Exiting CCP by selecting the Participating CCP, if any, that satisfies each of the criteria in 1.7(b) (Identifying CCP Members on a List Review Date) for the relevant Region, provided that the requirement that such Participating CCP be one of the first three CCPs on the most recently compiled Regional CCP Clearing Volume List for such Region shall be assessed without taking into account any CCP that is an Exiting CCP.

(c) Notifying the Replacement CCP Member. The Replacement CCP Member, if any, will promptly be notified by the DC Secretary, in writing and/or by telephone, that it has been identified as a Replacement CCP Member. For purposes of Section 1.9(b) (Standard Agreement), the CCP Participation Deadline shall be 5:00 p.m. New York time on the day falling ten New York and London Business Days immediately following the date of effective receipt by the Replacement CCP Member of valid notice from the DC Secretary that such Replacement CCP Member has been selected by the DC Secretary as a Replacement CCP Member.

(d) Proper Designation under the Rules. For purposes of the Rules, a Replacement CCP Member shall be considered a Designated CCP Member and the Exiting CCP shall no longer be considered as such. If the Exiting CCP was a CCP Member immediately prior to being replaced, the Replacement CCP Member shall begin its term on each relevant Committee and shall be deemed to be a CCP Member immediately upon becoming an Adhered CCP Member, notwithstanding Section 1.9(c) (Term of Membership on each Committee).

(e) Failure to Identify a Replacement CCP Member. In the event that, with respect to an Exiting CCP, it has not been possible to select a Replacement CCP Member in accordance with the criteria in this Section 1.12 (Replacement of CCP Members), the DC Secretary shall cease to attempt to replace such Exiting CCP and each relevant Committee will be composed of the remaining DC Members and CCP Members identified for such Region.

2. PROCEDURES OF CREDIT DERIVATIVES DETERMINATIONS COMMITTEES

2.1 Convening a Committee

(a) Notifying ISDA. In order to convene a Committee, an Eligible Market Participant must request a meeting of a Committee by notifying the DC Secretary of the issue(s) it believes should be deliberated by such Committee (each, a "Potential DC Issue"). All requests to the DC Secretary should include a reasonably detailed description of all of the issues that the relevant Eligible Market Participant believes the relevant Committee should deliberate and, if applicable, supporting information that is consistent with the definition of Publicly Available Information. For the avoidance of doubt, a Potential DC Issue regarding the potential occurrence of a Credit Event may relate to a potential Credit Event that is not continuing at the time of the request to convene a Committee. The DC Secretary shall notify the relevant DC Members and CCP Members of the request for a meeting of a Committee in accordance with Section 2.2(a) (Notifying the Committee). Any Potential DC Issue may be
withdrawn by the Eligible Market Participant that submitted such Potential DC Issue to the
DC Secretary at any time prior to the earlier of (i) the first meeting at which deliberations
are held with respect to such Potential DC Issue and (ii) the time of such first meeting, as
determined in accordance with Section 2.4(b) (Convening the Committee for the First Time),
without regard to any deferral of such meeting by the Convened DC Voting Members. Any
such withdrawal shall constitute a dismissal of such Potential DC Issue for purposes of the
Definitions (but, for the avoidance of doubt, will not constitute a rejection, or deemed
rejection, of such Potential DC Issue for purposes of Section 2.5(a) (General Interest
Questions)). Any Potential DC Issue may be designated as a "General Interest Question" by
the Eligible Market Participant submitting such Potential DC Issue (a "General Interest
Question"), in which case the identity of such Eligible Market Participant will not be
disclosed by the DC Secretary. For the avoidance of doubt, each Potential DC Issue that has
been designated as a General Interest Question shall be treated in the same manner as any
other Potential DC Issue under the Rules, unless otherwise specified herein.

(b) Publicly Available Information. For each Potential DC Issue relating to whether the
Repudiation/Moratorium Extension Condition is satisfied or whether a Potential Failure to
Pay, Potential Repudiation/Moratorium or Credit Event has occurred, a Committee may not
deliberate the issue until such Committee determines, in accordance with Section 3.1(a)
(Publicly Available Information Resolution), that Publicly Available Information has been
provided to the DC Secretary; provided that (i) the references to "a party" or "the parties" in
Section 3.5(a) of the Definitions shall be deemed to refer to the Eligible Market Participant
submitting the information, (ii) the references to "Credit Event Notice" and
"Repudiation/Moratorium Extension Notice" in Section 3.5(a) of the Definitions shall be
deemed to refer to requests submitted to the DC Secretary, (iii) for purposes of Section
3.5(a)(i) of the Definitions, the Specified Number is two and (iv) the reference to Buyer
and Seller in Section 3.5(b) of the Definitions shall be deemed to refer to the Eligible Market
Participant submitting the information and the DC Secretary, respectively. Each Eligible
Market Participant submitting information to the DC Secretary shall be deemed to represent
and warrant that such information has been disclosed and can be made public without
violating any law, agreement or understanding regarding the confidentiality of such
information and the DC Secretary, each DC Member and each CCP Member may rely on
such representation in addition to the assumption of Section 3.5(c) of the Definitions.

(c) Determining the Relevant Transaction Type. Following effective receipt of a request for
a meeting of a Committee, unless the Rules provide that a Committee for each Region shall
be convened, the DC Secretary shall determine, where relevant, (i) each Reference Entity
that is the subject of the meeting request (each, an "Affected Reference Entity") and (ii) the
Transaction Type of each Affected Reference Entity based on the Transaction Types in the
version of the Credit Derivatives Physical Settlement Matrix most recently published by
ISDA as of the date of effective receipt of such request by the DC Secretary (each, an
"Implicated Transaction Type"). If there is more than one Implicated Transaction Type
for a meeting request, the DC Secretary shall promptly request DTCC to determine, in
accordance with the Trading Volume Data Guidelines, which Affected Reference Entity and
Transaction Type has the greatest notional trading volume (such Transaction Type, the
"Dominant Transaction Type"). The "Relevant Transaction Type" shall be the
Implicated Transaction Type, or where there is more than one Implicated Transaction Type
for a meeting request, the Dominant Transaction Type, provided that where the Affected
Reference Entity is the United States of America, the Relevant Transaction Type shall be
deemed to be included in the Americas Region only.

(d) Convening the DC Members. Following effective receipt of a request for a meeting of a
Committee, the DC Secretary shall convene the relevant DC Voting Members (i) for each
Region, where the Rules provide that a Committee for each Region shall be convened or (ii) for the Region that includes the Relevant Transaction Type, where the Rules do not provide that a Committee for each Region shall be convened (each such DC Voting Member, with respect to a Convened DC, a "Convened DC Voting Member"). In addition, the DC Secretary shall convene the relevant Consultative Members for (A) each Region, where the Rules provide that a Committee for each Region shall be convened or (B) the Region that includes the Relevant Transaction Type, where the Rules do not provide that a Committee for each Region shall be convened (each such eligible institution, with respect to a Convened DC, a "Convened DC Consultative Member"). Finally, the DC Secretary shall convene the relevant CCP Members for (A) each Region, where the Rules provide that a Committee for each Region shall be convened or (B) the Region that includes the Relevant Transaction Type, where the Rules do not provide that a Committee for each Region shall be convened (each such CCP Member, with respect to a Convened DC, a "Convened DC CCP Member").

(e) Reducing the Size of the Convened DC in Certain Situations. If, with respect to a Committee, fewer than eight Convened DC Voting Members that are Global Dealer Voting Members and/or fewer than two Convened DC Voting Members that are Regional Dealer Voting Members are identified by the DC Secretary under Section 2.1(d) (Convening the DC Members) following effective receipt of a request for a meeting of a Committee, the following provisions shall apply:

(i) the number of Convened DC Voting Members that are either Global Dealer Voting Members or Regional Dealer Voting Members shall be aggregated and subtracted from the number ten (such result, the "Dealer Shortage"); and

(ii) the Dealer Shortage shall be divided by two and rounded down to the nearest whole number (such result, the "Non-dealer Reduction Amount").

The number of Convened DC Voting Members that are Non-dealer Voting Members shall be reduced by an amount equal to the Non-dealer Reduction Amount. The DC Secretary shall select each Non-dealer Voting Member to be removed from the Convened DC at random from the Non-dealer Voting Members that have not been designated as a Removed Non-dealer, and each such Non-dealer Voting Member shall be immediately removed from the Convened DC upon effective receipt by the relevant Non-dealer Voting Member of valid written notice from the DC Secretary (such Non-dealer Voting Member, a "Removed Non-dealer"). For purposes of this sub-clause, once each Non-dealer Voting Member has been designated as a Removed Non-dealer, the DC Secretary shall reset the designations described above so that each Non-dealer Voting Member shall be deemed to have not been previously designated as a Removed Non-dealer.

2.2 Notifying the Committee and Determining the DC Questions

(a) Notifying the Committee. Following the identification of the relevant Convened DC Members in accordance with Section 2.1(d) (Convening the DC Members) (the Committee composed by such Convened DC Members, a "Convened DC"), the DC Secretary shall promptly notify, in writing and/or by telephone, the Authorized Contact(s) of each Convened DC Member of each Potential DC Issue, provided that if the DC Secretary effectively receives two substantially similar Potential DC Issues on or around the same time on the same calendar day (as determined by the DC Secretary in its sole discretion), at least one of which is submitted by a Convened DC Voting Member, the DC Secretary may, in its sole discretion, decide not to notify such Authorized Contacts of the Potential DC Issue submitted by the Convened DC Voting Member and instead request such Convened DC Voting Member to agree to deliberate the other substantially similar Potential DC Issue. In
In order to hold a meeting of a Convened DC to deliberate a Potential DC Issue, at least one Convened DC Voting Member must have agreed to deliberate such Potential DC Issue by notifying the DC Secretary, provided that, with respect to a Potential DC Issue that has been designated as a General Interest Question, at least two Convened DC Voting Members must have agreed to deliberate such Potential DC Issue (in either case, such agreed Potential DC Issue, a "DC Issue"). In instances where a Convened DC Voting Member proposes a Potential DC Issue to be deliberated by a Convened DC, such Convened DC Voting Member shall count towards satisfying the applicable agreement requirements specified in the immediately preceding sentence. The DC Secretary will not disclose the identity of any Convened DC Voting Member that agrees to deliberate a Potential DC Issue. If the DC Secretary does not effectively receive agreement from the required number of Convened DC Voting Members to deliberate a Potential DC Issue by 5:00 p.m. Relevant City Time on the second Relevant City Business Day immediately following the date on which the DC Secretary notified the Convened DC Members of such Potential DC Issue in accordance with this Section 2.2(a) (Notifying the Committee), such Potential DC Issue shall be deemed to have been rejected by the Convened DC. In each instance where a Potential DC Issue is deemed to have been rejected, the DC Secretary shall publish notice on its Website in accordance with Section 2.5(d)(iv) (Publication on the ISDA Website). For the avoidance of doubt, the Committee may refuse to consider a Potential DC Issue that is merely a matter of bilateral dispute solely between two Eligible Market Participants.

With respect to a Potential DC Issue that (i) is submitted in accordance with Section 2.1(a) (Notifying ISDA) by an Eligible Market Participant that is an Eligible CCP, (ii) is not designated as a "General Interest Question" and (iii) relates to (A) an Eligible Cleared Reference Entity with respect to such Eligible CCP and (B) a matter subject to resolution under any of Section 3.1 (Credit Event Resolutions), 3.3 (Deliverable Obligation Resolutions), 3.5 (Succession Event Resolutions), 3.6 (Substitute Reference Obligation Resolutions) or 3.7 (Merger of Reference Entity and Seller) (such Potential DC Issue, a Qualifying CCP Question), the DC Secretary will not be required to obtain the agreement of any Convened DC Voting Members to deliberate the Qualifying CCP Question and, instead, a meeting of the relevant Committee will always be convened in accordance with Section 2.4(b) (Convening the Committee for the First Time) (subject to the provisions of Section 2.4(c)(ii) (Dismissing a Particular DC Question)).

The DC Secretary shall maintain an up to date list of each CCP (the "List of Eligible CCPs") that has executed and delivered to the DC Secretary a letter agreement substantially in the form of Schedule 3 hereto or such other form substantially to the same effect as the DC Secretary may publish from time to time on its Website in replacement thereof (the "CCP Letter Agreement" and each CCP on such list, an "Eligible CCP"). On or prior to the New York and London Business Day on or immediately following March 1st of each year, each CCP on the List of Eligible CCPs shall provide written certification that, as of March 1st of the relevant year, such CCP continues to satisfy the criteria contained in the most recent version of the CCP Letter Agreement. Failure to provide such certification shall result in the removal of such Eligible CCP from the List of Eligible CCPs if such failure is not remedied within 10 calendar days after effective receipt of notice of such failure from the DC Secretary. An Eligible CCP shall also be removed from the List of Eligible CCPs if the relevant Committee resolves by Supermajority that such Eligible CCP has failed to comply with any of its obligations under the CCP Letter Agreement at any time and such failure is not remedied within 30 calendar days after effective receipt of notice of such failure from the DC Secretary. For the avoidance of doubt, the DC Secretary shall be under no obligation to actively monitor compliance by an Eligible CCP with any of its obligations under the CCP Letter Agreement.
In determining whether a Reference Entity is an Eligible Cleared Reference Entity, the DC Secretary will rely on information certified to the DC Secretary by the Eligible CCP submitting the relevant Potential DC Issue.

(b) Determining and Rephrasing the DC Questions. With respect to a Convened DC, the DC Secretary shall form the meeting agenda by phrasing specific questions for each of the DC Issues (each, a "DC Question") in order to allow the Convened DC to make each determination that a Convened DC is permitted to make under the Rules. Where applicable, DC Questions should be phrased in order to resemble, as closely as practicable, the standard format of the relevant question in Schedule 1 to the Rules; provided that the relevant question in Schedule 1 may be broken down into component questions for a specific DC Issue, which will each constitute a DC Question for purposes of the Rules. For example, whether Obligation Acceleration has occurred would be a component of the question of whether a Credit Event has occurred. Furthermore, whether an obligation satisfies the Not Contingent Deliverable Obligation Characteristic would be a component of the question of whether an obligation is a Deliverable Obligation. Similarly, whether an event results from a deterioration in the creditworthiness or financial condition of a Reference Entity would be a component question of whether a Restructuring has occurred. DC Questions relating to DC Issues that fall under Section 3.8 (Other DC Resolutions) should be phrased as "yes" or "no" questions to the extent practicable and shall, as equitably as practicable, not be framed in a manner as to be suggestive of any given result. The DC Secretary may, whenever it deems necessary, solicit additional information from the Convened DC Members for purposes of phrasing a DC Question. A Convened DC may Resolve by a Majority to rephrase, with respect to a DC Question, the phrasing determined by the DC Secretary.

2.3 Quorum, Participation and Voting Procedures for a Convened DC

(a) Quorum. A Convened DC shall not engage in any deliberations or take any vote unless a Quorum is obtained. If a Quorum is not obtained at the first meeting of a Convened DC, such Convened DC shall reconvene at 3:00 p.m. Relevant City Time on the same Relevant City Business Day (in the case where the Relevant Transaction Type is included in the Americas or EMEA) or 9:00 a.m. Relevant City Time on the immediately following Relevant City Business Day (in the case where the Relevant Transaction Type is included in Asia Ex-Japan, Australia-New Zealand or Japan), and, in each case, every 24 hours after the first meeting (provided that the Convened DC shall only reconvene on a Relevant City Business Day) until a Quorum is obtained. If a Quorum is not obtained at any subsequent meeting of the Convened DC, additional meetings shall be scheduled in accordance with Section 2.4(a) (Meetings of the Convened DC). At least 80% of the Convened DC Voting Members, of whom at least three are Non-dealer Voting Members, must be present (either in person or by telephone, videoconference or web conference) to engage in any deliberations or take any vote at a meeting of a Convened DC (such requirement, the "80% Requirement"); provided that, if the 80% Requirement is not satisfied at any meeting of the Convened DC, (i) at least 60% of the Convened DC Voting Members, without regard to the number of Non-dealer Voting Members included in such 60%, must be present for the next meeting and all subsequent meetings of such Convened DC (such requirement, the "60% Requirement") and (ii) if the 60% Requirement is not satisfied at a relevant meeting, at least 50% of the Convened DC Voting Members, without regard to the number of Non-dealer Voting Members included in such 50%, must be present for all subsequent meetings of such Convened DC (such applicable required threshold, the "Quorum").

(b) Voting and Participation. Each Convened DC Voting Member shall have one vote on a Convened DC. Each Convened DC Voting Member is required to vote in all binding votes held by the relevant Convened DC, subject to the abstention provisions of Section 2.3(c)
(Abstention). Convened DC Consultative Members and Convened DC CCP Members may participate in all discussions of a Convened DC but shall not delay any vote of such Convened DC or participate in any vote of such Convened DC. Each Convened DC Consultative Member must be present (either in person or by telephone, videoconference or web conference) at each meeting of a Convened DC where a binding vote is held (unless a binding vote by email is held), subject to the abstention provisions of Section 2.3(c) (Abstention). Each Convened DC CCP Member must be present (either in person or by telephone, videoconference or web conference) at each meeting of a Convened DC.

(c) Abstention. If a Convened DC Voting Member or Convened DC Consultative Member, or any of its Affiliates, is an Affected Reference Entity in respect of a Convened DC, such Convened DC Voting Member or Convened DC Consultative Member, as applicable, may decide not to participate and any such Convened DC Voting Member shall not vote in any meeting of such Convened DC, notwithstanding Section 2.3(b) (Voting and Participation). For the avoidance of doubt, each Convened DC Voting Member or Convened DC Consultative Member abstaining under this Section 2.3(c) (Abstention) shall not be added to the List of Missed Meetings for such failure to be present at a meeting where a binding vote is held with respect to such Convened DC Voting Member or Convened DC Consultative Member or Affiliate thereof, as applicable, and each Convened DC Voting Member abstaining under this Section 2.3(c) (Abstention) shall not be added to the List of Missed Meetings for a failure to vote and shall not be included in any relevant voting threshold or Quorum determination under the Rules. For the avoidance of doubt, if a Convened DC Voting Member is present at a meeting where neither such Convened DC Voting Member nor any of its Affiliates is an Affected Reference Entity in respect of such Convened DC and such Convened DC Voting Member does not vote in any binding vote of such Convened DC in contravention of Section 2.3(b) (Voting and Participation), the DC Secretary shall enter the name of such Convened DC Voting Member on the List of Missed Meetings in accordance with Section 1.10(g) (Failure to Attend Meetings), as if such Convened DC Voting Member had failed to attend the relevant meeting of such Convened DC.

(d) Voting Representative. Each Convened DC Voting Member must choose one individual to cast votes on its behalf before a Convened DC. Such individual must be able to cast votes on behalf of the relevant Convened DC Voting Member at any time without further consultation or approval of any other member or officer of such Convened DC Voting Member or its Affiliates. Any individual purporting to represent a Convened DC Voting Member before a Convened DC shall be deemed to have validly exercised such Convened DC Voting Member's vote unless the DC Secretary has actual knowledge that the relevant individual is not authorized to bind the relevant Convened DC Voting Member in a vote of the Convened DC, in which case such Convened DC Voting Member shall be deemed to have failed to have voted and an entry with respect to such Convened DC Voting Member shall be added to the List of Missed Meetings. For the avoidance of doubt, more than one representative of a Convened DC Member may participate in the discussions of a Convened DC and, subject to appropriate authorization of the relevant Convened DC Voting Members, a single individual may exercise the vote of more than one Convened DC Voting Member.

(e) Replacement of a Convened DC Voting Member by a Consultative Member. Upon the effective resignation or removal of a Convened DC Voting Member from a Convened DC under the Rules, all prior votes of such Convened DC Voting Member remain valid notwithstanding any replacement in accordance with this Section 2.3(e) (Replacement of a Convened DC Voting Member by a Consultative Member). Such Convened DC Voting Member shall be replaced for voting purposes of such Convened DC by the Convened DC Consultative Member that corresponds to the designation of such Convened DC Voting Member. For the avoidance of doubt, a Global Dealer Voting Member shall be replaced by
a Global Dealer Consultative Member, a Regional Dealer Voting Member by the relevant Regional Dealer Consultative Member and a Non-dealer Voting Member by the Non-dealer Consultative Member; provided that if there is more than one possible replacement, the replacement shall be chosen by the DC Secretary from such replacements at random. The replacement provisions of Section 1.11 (Replacement of DC Members) or Section 1.12 (Replacement of CCP Members), as applicable, shall not apply to replace a Convened DC Member on a Convened DC and, instead, any such subsequent replacement pursuant to the provisions of Section 1.11 (Replacement of DC Members) or Section 1.12 (Replacement of CCP Members), as applicable, will only have effect with respect to future Committees. If a Convened DC Voting Member that resigns or is removed from a Convened DC is not replaced for voting purposes in accordance with this Section 2.3(e) (Replacement of a Convened DC Voting Member by a Consultative Member), such Convened DC Voting Member shall not be included in any voting threshold or Quorum determination under the Rules with respect to such Convened DC. Upon the effective resignation or removal of a Convened DC Member from a Convened DC under the Rules, such Convened DC Member shall no longer be considered a Convened DC Voting Member, a Convened DC Consultative Member or a Convened DC CCP Member, as applicable.

2.4 Procedures of a Convened DC

(a) Meetings of the Convened DC. Meetings of the Convened DC may be held in person, by telephone, by videoconference and/or by web conference; provided that a Convened DC Member may participate by telephone in any meetings of the Convened DC. Following the first meeting of a Convened DC scheduled under Section 2.4(b) (Convening the Committee for the First Time), subsequent meetings may be convened either (i) by a Majority, which may specify an alternate location or method of meeting or (ii) by the DC Secretary by providing the Convened DC Members with the equivalent notice as would be required under Section 2.4(b) (Convening the Committee for the First Time) for convening the initial meeting of the Convened DC (determined for purposes of this provision as if agreement to deliberate a Potential DC Issue was effectively received at the moment notice of the subsequent meeting is provided to the Convened DC Members by the DC Secretary), unless an earlier meeting time is determined by the DC Secretary, in its sole discretion, to be required in order to comply with a deadline imposed by these Rules. In the event that a meeting of a Convened DC is to be held in person, it shall be held in the Relevant City and may be held at ISDA’s offices in the Relevant City. Deliberations of a Convened DC can occur at any time among the Convened DC Members by email. Convened DC Members may deliberate any of the DC Questions at any meeting of the relevant Convened DC.

(b) Convening the Committee for the First Time. Following receipt by the DC Secretary under Section 2.1(a) (Notifying ISDA) of a request for the DC Secretary to convene a meeting of a Committee and upon the satisfaction of the requirements of Section 2.2(a) (Notifying the Committee), the DC Secretary shall give notice to the Authorized Contact(s) of each Convened DC Member, in writing and/or by telephone, (i) that a meeting of the relevant Committee is to take place by telephone, by videoconference and/or by web conference, (ii) the time and conference call details of such meeting and (iii) the DC Question(s). Upon effective receipt by the DC Secretary at or before 4:00 p.m. Relevant City Time on a Relevant City Business Day of (A) valid notice of the agreement of the requisite number of Convened DC Voting Members to deliberate a Potential DC Issue under Section 2.2(a) (Notifying the Committee) or (B) a request from a Convened DC Voting Member that the DC Secretary convene a meeting under Section 2.1(a) (Notifying ISDA) with respect to a Potential DC Issue that such Convened DC Voting Member has not designated as a General Interest Question, the time of the meeting of the relevant Committee shall be 11:00 a.m. Relevant City Time on the Relevant City Business Day immediately
following such effective receipt by the DC Secretary (in the case where the Relevant Transaction Type is included in the Americas or EMEA) or 9:00 a.m. Relevant City Time on the second Relevant City Business Day immediately following such effective receipt by the DC Secretary (in the case where the Relevant Transaction Type is included in Asia Ex-Japan, Australia-New Zealand or Japan), in each case, unless modified by the Convened DC Voting Members in accordance with this Section 2.4(b) (Convening the Committee for the First Time). Otherwise, the time of the meeting of the relevant Committee shall be 11:00 a.m. Relevant City Time on the second Relevant City Business Day immediately following such effective receipt by the DC Secretary (in the case where the Relevant Transaction Type is included in the Americas or EMEA) or 9:00 a.m. Relevant City Time on the third Relevant City Business Day immediately following such effective receipt by the DC Secretary (in the case where the Relevant Transaction Type is included in Asia Ex-Japan, Australia-New Zealand or Japan), in each case, unless modified by the Convened DC Voting Members in accordance with this Section 2.4(b) (Convening the Committee for the First Time). Notwithstanding the above, in the case where the Relevant Transaction Type is included in Asia Ex-Japan, Australia-New Zealand or Japan, the first meeting of the relevant Committee with respect to a DC Question shall be delayed until the immediately following Relevant City Business Day or as necessary, if, prior to such first meeting, the DC Secretary effectively receives notice from one Convened DC Voting Member that the date of such meeting is not a day on which both (I) commercial banks are open for general business (including dealings in foreign exchange and foreign currency deposits) and (II) bond markets are open, in a city relevant to the jurisdiction of incorporation of the Affected Reference Entity. The Convened DC Voting Members may agree by unanimity to meet for purposes of holding a binding vote with respect to a DC Question at an earlier time than otherwise provided for in the Rules or may agree by Supermajority to defer holding the first meeting to deliberate the relevant DC Question for a period of time or otherwise meet in an alternate manner than as provided for in this Section 2.4(b) (Convening the Committee for the First Time) provided that the Convened DC Voting Members will not be able to defer the first meeting to deliberate a Qualifying CCP Question pursuant to this Section 2.4(b) (Convening the Committee for the First Time) for more than three Relevant City Business Days.

(c) Transferring or Dismissing DC Questions. Upon receipt of notice from the DC Secretary under Section 2.4(b) (Convening the Committee for the First Time) of a meeting of the relevant Committee and the DC Question(s), the Convened DC may transfer or dismiss DC Questions at any time in accordance with the following provisions.

(i) Challenging the Relevant Transaction Type. Any Convened DC Voting Member (that is not acting in its capacity as a Convened DC Voting Member of a Replacement DC) may challenge the DC Secretary’s determination of the Relevant Transaction Type by requesting that a vote be held to transfer one or more DC Questions to a Committee for another Region. A Convened DC may transfer the DC Question(s) to a Committee for another Region by Resolving by a Supermajority (or by a Majority on or before the first Relevant City Business Day on which such Convened DC holds a meeting to deliberate such DC Question(s)) the Relevant Transaction Type. Upon a Convened DC voting to change the Relevant Transaction Type and transfer the DC Question(s) to a Committee for another Region, the DC Secretary shall convene a Committee in accordance with Section 2.4(b) (Convening the Committee for the First Time) for the Relevant Transaction Type Resolved by such Convened DC (a "Replacement DC"), provided that the DC Secretary will be deemed to have effectively received a request for a meeting of the new Committee by a Convened DC Voting Member at the time the vote by the prior Convened DC was published by the DC Secretary. For the avoidance of doubt, a Replacement DC cannot vote to further transfer DC Questions to another Committee.
(ii) **Dismissing a Particular DC Question.** A Convened DC may Resolve to dismiss a DC Question, for any reason, by a Supermajority. For the avoidance of doubt, the dismissal of a DC Question will not constitute a DC Resolution with respect to whether or not the matter referenced in such DC Question has occurred, exists or is satisfied and, for the avoidance of doubt, will not constitute a rejection, or deemed rejection, of such DC Question for purposes of Section 2.5(a) (*General Interest Questions*).

A Committee may only dismiss a Qualifying CCP Question by Supermajority pursuant to this Section 2.4(c)(ii) (*Dismissing a Particular DC Question*) in circumstances where the Committee Resolves that such dismissal is due to (i) a lack of available information necessary to answer the relevant question or (ii) the premature nature of the question (as indicated by the Convened DC and published by the DC Secretary). Any such dismissal should not, for purposes of a CCP’s rules, constitute a refusal to consider the question or a dismissal or rejection of the question or give rise to any other right of a CCP to convene a "fallback DC" or resolve the question unilaterally.

A Qualifying CCP Question that is dismissed pursuant to this Section 2.4(c)(ii) (*Dismissing a Particular DC Question*) may not be re-submitted to the DC Secretary by an Eligible CCP unless there is new information or analysis with respect to such Qualifying CCP Question that was not previously presented to the Committee so that such Qualifying CCP Question may reasonably be considered to no longer be subject to a lack of available information or be premature.

(d) **Binding Votes.** A binding vote is necessary in order to Resolve any DC Question and shall be taken whenever a majority of the Convened DC Voting Members participating in a meeting of a Convened DC request a binding vote and a Quorum has been obtained for such meeting. Unless otherwise specified in the Rules, a Convened DC must hold a binding vote on each DC Question by 5:00 p.m. Relevant City Time on the second Relevant City Business Day after the day on which the first meeting at which such DC Question was deliberated is held. For the avoidance of doubt, a Convened DC may not commence deliberations in respect of a DC Question until a separate but related DC Question completes External Review. Notwithstanding the above, the Convened DC may Resolve by a Supermajority to extend the deadline for holding a binding vote with respect to any DC Question. During a meeting of a Convened DC, the Convened DC Voting Members may agree by Majority to hold a binding vote by email (a "**Mandatory Email Vote**"). Once the Convened DC Voting Members agree to hold a Mandatory Email Vote, a vote must be submitted within twenty-four hours of such agreement in order to be counted, provided that the Convened DC may alter this timing when agreeing to hold a Mandatory Email Vote. In addition, the Convened DC Voting Members may, at any time, hold a binding vote by email without previously agreeing to do so (a "**Non-mandatory Email Vote**"), provided that the failure of a Convened DC Voting Member to submit an email vote in respect of a Non-mandatory Email Vote shall not result in such Convened DC Voting Member being entered on the List of Missed Meetings in accordance with Section 1.10(g) (*Failure to Attend Meetings*). For purposes of either a Mandatory Email Vote or a Non-mandatory Email Vote, a DC Question shall be considered Resolved once (i) the applicable voting threshold with respect to such DC Question has been satisfied and (ii) a Quorum satisfying the 80% Requirement is obtained by reference to the email votes effectively received, provided that votes will be accepted by the DC Secretary, and any related DC Resolution will not be published by the DC Secretary pursuant to 2.5(d)(iii) (*Publication on the ISDA Website*), until any deadline established for the relevant Mandatory Email Vote or Non-mandatory Email Vote, as applicable, has expired.
2.5 General Provisions

(a) General Interest Questions. Following (i) satisfaction of the agreement requirements with respect to a General Interest Question in accordance with Section 2.2(a) (Notifying the Committee) and (ii) publication of notice of the relevant Committee being convened following satisfaction of such agreement requirements in accordance with Section 2.5(d) (Publication on the ISDA Website), any Convened DC Member may require the DC Secretary to instruct such counsel that the DC Secretary may have appointed from time to time in accordance with Section 2.5(f) (Third-Party Advice and Legal Sub-Committees) to present a summary of the issues pertinent to the determination of the General Interest Question and neither the DC Secretary nor such counsel shall disclose the identity of the Convened DC Member(s) that requested such summary. Any General Interest Question that has been rejected, or deemed to have been rejected, by a Convened DC may not be re-submitted for consideration by an Eligible Market Participant unless new information or analysis with respect to such General Interest Question that was not previously presented to the Convened DC becomes known and is included in any subsequently submitted request to the DC Secretary except in the case of an Eligible CCP wishing to re-submit such General Interest Question as a Qualifying CCP Question, provided that such Eligible CCP did not originally submit such General Interest Question. For the avoidance of doubt, in any such subsequently submitted request, the relevant Potential DC Question may, but need not, be designated as a General Interest Question. Nothing in Section 2.1(a) (Notifying ISDA),
Section 2.2(a) (Notifying the Committee) or this Section 2.5(a) (General Interest Questions) purports to affect any obligation of the DC Secretary to disclose any information as may be required of the DC Secretary by applicable law, regulation or court order.

(b) **DC Resolutions.** Each DC Voting Member shall perform its obligations under the Rules in a commercially reasonable manner in Resolving a DC Question and shall base its vote on information that is either public or can be published by the Convened DC in accordance with Section 2.5(d)(v) (Publication on the ISDA Website); provided that neither the DC Secretary nor any DC Voting Member is under any obligation to research, investigate, supplement, or verify the veracity of, any information on which the relevant Convened DC bases its decision. Each DC Question shall be Resolved based on the provisions of the Definitions (taking into consideration any amendments thereto contemplated in the relevant DC Question) or the provisions of such other documents as contemplated in the relevant DC Question and each DC Resolution shall only apply to Relevant Transactions for which the relevant provisions are not materially inconsistent with such provisions in the Definitions (including any such amendments) or such other documentation and notwithstanding the use of terms in the Rules that are defined in the Definitions. To the extent practicable, each DC Resolution should be as specific as possible as to what was Resolved. A DC Question that has been Resolved, including following a Decision of the relevant External Reviewers, may not be re-deliberated or voted on again by a Convened DC, except (i) if new information that was not previously known to the Convened DC becomes known to the Convened DC with respect to such DC Question and (ii) subject to Section 9.1(c)(iii) of the Definitions.

(c) **No Reversal of Explicit Agreement.** A DC Resolution shall have effect from the time such DC Resolution is published by the DC Secretary in accordance with Section 2.5(d) (Publication on the ISDA Website), unless the DC Resolution specifies an alternate date of effectiveness. Notwithstanding the above, no DC Resolution shall have retroactive effect with respect to a Relevant Transaction by overruling any inconsistent determination explicitly agreed to between the parties under, and made in accordance with, the terms of such Relevant Transaction.

(d) **Publication on the ISDA Website.** The DC Secretary shall promptly publish on its Website:

(i) (A) each request that the DC Secretary receives in accordance with Section 2.1(a) (Notifying ISDA), other than a Potential DC Issue that the DC Secretary considers is substantially similar to another Potential DC Issue pursuant to Section 2.2(a) (Notifying the Committee), (B) in circumstances where the Potential DC Issue specified in any such request has not been designated as a General Interest Question, the identity of the Eligible Market Participant that submitted such request and (C) each piece of supporting information submitted with such request;

(ii) notice of a specific Committee being convened under Section 2.4(b) (Convening the Committee for the First Time) following agreement by the requisite number of Convened DC Voting Members to deliberate one or more Potential DC Issues in accordance with Section 2.2(a) (Notifying the Committee) and the relevant DC Questions for such Convened DC;

(iii) subject to Section 4.2(c) (Approval and Adherence), each binding vote of a Convened DC, the DC Question or issue corresponding to such binding vote, the identity and vote of each Convened DC Voting Member with respect to such binding vote and whether the DC Question has been Resolved or is being referred to External Review, as applicable;
any decision by a Convened DC not to deliberate a Potential DC Issue in accordance with Section 2.2(a) (Notifying the Committee), transfer a DC Question to another Committee in accordance with Section 2.4(c)(i) (Challenging the Relevant Transaction Type) or dismiss a DC Question under Section 2.4(c)(ii) (Dismissing a Particular DC Question); and

any information relating to the deliberations of a Convened DC that such Convened DC Resolves by a Majority to publish, acting in a commercially reasonable manner—

any DC Meeting Statements in accordance with 2.5(g) (DC Meeting Statements).

Prior Succession Events. Prior to June 20, 2009, any March 2009 Protocol Adherent may submit notice of a potential Succession Event to the DC Secretary for a Convened DC to Resolve. The DC Secretary shall maintain an up-to-date list of such submitted notices of potential Succession Events and shall publish and update such list on its Website. Each request to consider whether an event constitutes a Succession Event shall be treated as a request to convene a Committee under this Section 2 (Procedures of Credit Derivatives Determinations Committees).

Third-Party Advice and Legal Sub-Committees. A Convened DC may Resolve to solicit information, advice or commentary from any third party by a Majority. Outside legal counsel or third-party professionals may be hired, if necessary, by (i) a Convened DC by a Majority, (ii) Convened DC Members and/or (iii) the DC Secretary at any time to assist in the performance of their respective duties under the Rules. A Convened DC may also Resolve by a Majority to form legal sub-committees, comprised of each Convened DC Member of the relevant Convened DC, to consider questions relevant to the credit derivatives market generally. The Convened DC Members comprising any such legal sub-committee will enjoy the applicable rights and be bound by the applicable obligations set forth in Section 5.1 (Waivers and Disclaimers) and Section 5.2(a) (Confidentiality) as though the meetings of such legal sub-committee were meetings of the relevant Convened DC.

DC Meeting Statements.

Publication of DC Meeting Statements. At the end of each Convened DC meeting, the DC Secretary will produce a draft DC Meeting Statement. Such draft DC Meeting Statement shall describe the issue(s) considered during such Convened DC meeting, the resolution of such issue(s) (if any) and the next steps of the relevant Convened DC (if any).

If during a Convened DC meeting, the Convened DC Resolves by a Majority to publish such DC Meeting Statement, the DC Secretary will publish such DC Meeting Statement on its Website promptly following such DC Resolution.

Review of Draft DC Meeting Statements. If a Convened DC does not Resolve by a Majority to publish a DC Meeting Statement during a Convened DC meeting pursuant to Section 2.5(g)(i) above, the DC Secretary will send a draft DC Meeting Statement to the relevant Convened DC promptly following the relevant Convened DC meeting, and the Convened DC may review such draft during the relevant Initial Review Period.

The DC Secretary may in its discretion make changes to the draft DC Meeting Statement during the Initial Review Period. If material changes are made to the draft DC Meeting Statement, the DC Secretary will recirculate a revised DC Meeting Statement to the relevant Convened DC for further review during the next following Further Review Period. The DC Secretary shall determine in its discretion whether a change is material for this purpose. For the avoidance of doubt, in the event that a draft DC Meeting Statement is revised multiple times, the Convened DC may resolve whether or not to publish such draft.
times, a separate Further Review Period may occur, in the DC Secretary's discretion, for purposes of review of each version of the draft DC Meeting Statement by the relevant Convened DC.

(iii) Voting on Draft DC Meeting Statements. At any time during an Initial Review Period or Further Review Period, a Convened DC Member may submit a Voting Request with respect to the relevant draft DC Meeting Statement. If during an Initial Review Period or Further Review Period the DC Secretary receives a Voting Request, the DC Secretary will promptly request that each Convened DC Member notify the DC Secretary by email prior to the Voting Deadline whether such Convened DC Member believes that the draft DC Meeting Statement should be published in its then-current form.

The draft DC Meeting Statement will be published in its then-current form unless a Supermajority of the Convened DC Members indicate by the relevant Voting Deadline that the draft DC Meeting Statement should not be published in its then-current form (for the avoidance of doubt, a vote not received from any Convened DC Member by the DC Secretary prior to the expiration of such Voting Deadline will not be deemed to be a vote against publication of such DC Meeting Statement in its then-current form). In the event that a Supermajority of the Convened DC Members vote against publication of the DC Meeting Statement in its then-current form, the DC Secretary will either (i) redraft and recirculate the DC Meeting Statement, providing an opportunity for further review during a Further Review Period, or (ii) convene another meeting of the relevant Convened DC.

Votes submitted pursuant to this paragraph (iii) will not constitute binding votes for the purposes of Section 2.5(d)(iii) (Publication on the ISDA Website). A Convened DC Member that does not submit a vote pursuant to this paragraph (iii) will not be penalized as having missed a vote for purposes of Section 1.10(g) (Failure to Attend Meetings).

(iv) Publication on the ISDA Website. If a Voting Request is not received during either the Initial Review Period or a Further Review Period, as applicable, and the DC Secretary does not make material changes to the draft DC Meeting Statement after having last circulated the draft DC Meeting Statement to the relevant Convened DC for review (as determined by the DC Secretary in its sole discretion), the DC Secretary will publish the DC Meeting Statement in its then-current form on its website after the Initial Review Period or relevant Further Review Period, as applicable.

If a Voting Request has been received by the DC Secretary, the DC Secretary may at any time prior to the Voting Deadline publish the relevant DC Meeting Statement in its then-current form on its Website if a sufficient number of votes of the Convened DC Members in favor of publication have been received, such that a Supermajority of the Convened DC Members voting against publication would be impossible to achieve.

In each case, the DC Secretary shall have discretion to delay publication in order to obtain consensus on the content of such DC Meeting Statement.

This Section 2.5(g) (DC Meeting Statements) is without prejudice to Section 2.5(d)(v) (Publication on the ISDA Website).

3. RESOLUTIONS OF A CONVENED DC

3.1 Credit Event Resolutions

(a) Publicly Available Information Resolution. A Convened DC may Resolve, with respect to an Affected Reference Entity, by a Majority, the date on which the DC Secretary first
effectively received both a request to convene the Committee for a DC Question falling under this Section 3.1 (Credit Event Resolutions) and Publicly Available Information that satisfies the requirements of Section 2.1(b) (Publicly Available Information) for purposes of such DC Question; provided that (i) determinations of effectiveness of notices for purposes of this clause shall be determined in accordance with Section 1.10 of the Definitions and (ii) each reference to "Calculation Agent City time" and "Calculation Agent City Business Day" shall be deemed to refer to "Regional City Time" and "Regional City Business Day", respectively, provided that where the Relevant Transaction Type is included in the Australia-New Zealand Region, Sydney shall be deemed to be the only Regional City for purposes of this provision only (such DC Resolution, a "Credit Event Request Resolution").

(b) **Credit Event Resolution.** Following a Credit Event Request Resolution, a Convened DC may Resolve, with respect to an Affected Reference Entity, by a Supermajority:

(i) whether the Repudiation/Moratorium Extension Condition is satisfied or whether a Potential Failure to Pay or a Potential Repudiation/Moratorium has occurred;

(ii) whether a Credit Event of the type referenced in the relevant DC Question has occurred; and

(iii) if applicable, the date of the occurrence of such Potential Failure to Pay, Potential Repudiation/Moratorium and/or Credit Event, by reference to (A) if the Relevant Transaction Type is included in the Region of Japan, Tokyo time or (B) if the Relevant Transaction Type is not included in the Region of Japan, Greenwich Mean Time (such DC Resolution, together with the related Credit Event Request Resolution, a "Credit Event Resolution").

(c) **Documentation of Component Transaction.** Following a DC Resolution that an event that constitutes a Restructuring has occurred with respect to a Relevant Transaction, for purposes of any Relevant Transaction that is (i) a July 2009 Supplement Transaction and (ii) an Index Transaction, the Convened DC may Resolve by a Majority the form of documentation that will apply to the portion of such Relevant Transaction relating to the Affected Reference Entity that, as of the calendar day immediately following such DC Resolution, will be separated from such Relevant Transaction and separately documented as a separate Credit Derivative Transaction (such portion of such Relevant Transaction, a "Component Transaction") to the extent that the Convened DC determines that such Component Transaction should not be evidenced by a Confirmation for use with the Credit Derivatives Physical Settlement Matrix.

### 3.2 Auction Resolutions and Potential Auctions Resolutions

(a) **Holding one or more Auctions.** Upon the occurrence of a Credit Event Resolution, a Convened DC may:

(i) in circumstances where the relevant Credit Event is not a Restructuring (or, with respect to a July 2009 Supplement Transaction only, where such Credit Event is a Restructuring for purposes of any Relevant Transactions for which neither "Restructuring Maturity Limitation and Fully Transferable Obligation Applicable" ("Mod R") or "Modified Restructuring Maturity Limitation and Conditionally Transferable Obligation Applicable" ("Mod Mod R") is specified in the related Confirmation), Resolve by a Majority whether one or more auctions will be held to settle Relevant Transactions with respect to which such Credit Event Resolution has occurred in accordance with the terms set out in the Credit Derivatives Auction Settlement Terms, with, for each auction, such amendments thereto as the
Convened DC Resolves in accordance with this Section 3.2 (*Auction Resolutions and Potential Auctions Resolutions*) (such DC Resolution, an "*Auction Resolution*" and each such auction, an "*Auction*"), provided that, if DTCC determines in accordance with the Relevant Transaction and Triggered Transaction Data Guidelines that, as of the date of such Credit Event Resolution, there exist, outstanding and confirmed through DTCC, 300 or more of such Relevant Transactions for which Auction Settlement is specified in the related Confirmations and to which five or more Global Dealer Voting Members and/or Global Dealer Consultative Members (and/or, with respect to the Region in which the Transaction Type of the relevant Affected Reference Entity is included, Regional Dealer Voting Members and/or Regional Dealer Consultative Members of the Convened DC for such Region) are parties (the "*Relevant Transaction 300/5 Criteria*") (provided that in determining whether the Relevant Transaction 300/5 Criteria are satisfied, DTCC will also incorporate into the data it provides to the Convened DC relevant information provided in a timely manner to DTCC by other appropriate sources, such as central clearing houses, if the Convened DC Resolves by Supermajority that DTCC shall incorporate such information into the data it provides to the Convened DC), one or more Auctions will be held to settle such Relevant Transactions in accordance with the Credit Derivatives Auction Settlement Terms, with, for each Auction, such amendments thereto as the Convened DC Resolves in accordance with this Section 3.2 (*Auction Resolutions and Potential Auctions Resolutions*); or

(ii) in circumstances where the relevant Credit Event is a Restructuring for purposes of any Relevant Transaction that is a July 2009 Supplement Transaction for which either Mod R or Mod Mod R is specified in the related Confirmation, Resolve by a Majority whether one or more Auctions may be held to settle such Relevant Transactions with respect to which such Credit Event Resolution has occurred in accordance with the terms set out in the Credit Derivatives Auction Settlement Terms, with, for each Auction, such amendments thereto as the Convened DC Resolves in accordance with this Section 3.2 (*Auction Resolutions and Potential Auctions Resolutions*) (such DC Resolution, a "*Potential Auctions Resolution*").

If the Deliverable Obligation Provisions for all Relevant Transactions with respect to which a Credit Event Resolution has occurred are not equivalent in all material respects, the Convened DC may Resolve to hold separate Auctions and, in such case, shall Resolve the set(s) of Deliverable Obligation Terms that will apply, respectively, for purposes of each such Auction in accordance with Section 3.2(c) (*Deliverable Obligation Terms*). Following a Restructuring with respect to any Relevant Transaction that is a July 2009 Supplement Transaction for which either Mod R or Mod Mod R is specified in the related Confirmation, the Convened DC may Resolve by a Majority whether one or more Auctions based on the respective Limitation Dates (or, with respect to such Relevant Transactions that are Triggered by Seller, the Maximum Maturity) applicable to such Relevant Transactions may be held to settle such Relevant Transactions.

(b) **Other Auction-related Determinations.** The Global Dealer Voting Members and Regional Dealer Voting Members of a Convened DC shall Resolve, for each Auction, by a Majority:

(i) the Auction Date for each Auction; provided that the Auction Date shall be the third Relevant City Business Day immediately preceding the 30th calendar day after the Credit Event Resolution Request Date unless the Global Dealer Voting Members and Regional Dealer Voting Members of such Convened DC Resolve otherwise;

(ii) whether an institution (other than a Global Dealer Voting Member, a Global Dealer Consultative Member, a Regional Dealer Voting Member or a Regional Dealer Consultative Member of such Convened DC) that submits a Participating Bidder Letter with respect to an Auction will be permitted to act as a Participating Bidder for purposes of the relevant
Auction; provided that (A) an Eligible Global Dealer or Eligible Regional Dealer or any Affiliate of such Eligible Global Dealer or Eligible Regional Dealer (in each case, other than a Global Dealer Voting Member, a Global Dealer Consultative Member, a Regional Dealer Voting Member or a Regional Dealer Consultative Member of such Convened DC) that submits a Participating Bidder Letter will be permitted to act as a Participating Bidder for purposes of the relevant Auction unless the Global Dealer Voting Members and Regional Dealer Voting Members of a Convened DC Resolve otherwise by a Supermajority and (B) any Global Dealer Voting Member, Global Dealer Consultative Member, Regional Dealer Voting Member or Regional Dealer Consultative Member that participates in an Auction as a Participating Bidder will be deemed to be bound by the same terms, obligations, representations, waivers and agreements contained in the Participating Bidder Letter relating to such Auction that would bind any institution required to submit such Participating Bidder Letter in order to participate as a Participating Bidder in such Auction, irrespective of whether or not such Global Dealer Voting Member, Global Dealer Consultative Member, Regional Dealer Voting Member or Regional Dealer Consultative Member, as applicable, has in fact submitted a Participating Bidder Letter in respect of the relevant Auction; and

(iii) all of the Supplemental Auction Terms, to the extent applicable; provided that the Initial Market Quotation Amount shall not be less than (A) if the Relevant Currency is USD or EUR, 2,000,000 units of the Relevant Currency or (B) if the Relevant Currency is JPY, 20,000,000 units of the Relevant Currency.

(c) Deliverable Obligation Terms. With respect to an Auction, a Convened DC may Resolve by a Majority a separate set of Deliverable Obligation Terms to be published with respect to each set of Credit Derivatives Auction Settlement Terms. A Convened DC may Resolve by a Supermajority to add one or more sets of Deliverable Obligation Terms (and consequently publish a single set of Credit Derivatives Auction Settlement Terms with more than one set of Deliverable Obligation Terms) up until five calendar days prior to the first Auction Date to occur with respect to the relevant Affected Reference Entity; provided that no additional set of Deliverable Obligation Terms may have the effect of bringing into question a previous DC Resolution that an obligation of the relevant Affected Reference Entity is a Deliverable Obligation with respect to the relevant set of Credit Derivatives Auction Settlement Terms. Each set of Deliverable Obligation Terms shall include (collectively, the "Deliverable Obligation Terms"):

(i) the Deliverable Obligation Category and Deliverable Obligation Characteristics;

(ii) whether the Deliverable Obligations are to be determined by reference to any Additional Provisions;

(iii) whether an obligation should be specifically excluded and/or included as a Deliverable Obligation or Reference Obligation, notwithstanding that such obligation meets, or fails to meet, as applicable, the Deliverable Obligation Terms otherwise determined to be applicable;

(iv) whether "All Guarantees" is applicable;

(v) the obligation of the relevant Affected Reference Entity by reference to which the Not Subordinated Deliverable Obligation Characteristic, if applicable, should be assessed; and

(vi) each other provision, if any, that the Convened DC Resolves is necessary to establish the criteria for what obligations will constitute Deliverable Obligations with respect to the relevant set of Credit Derivatives Auction Settlement Terms.
Each time a Convened DC Resolves a set of Deliverable Obligation Terms with respect to a set of Credit Derivatives Auction Settlement Terms, the DC Secretary shall promptly publish such set of Deliverable Obligation Terms on its Website.

(d) **Amendments to the Credit Derivatives Auction Settlement Terms.** With respect to an Auction, any amendment to the Credit Derivatives Auction Settlement Terms, as amended from time to time in accordance with this Section 3.2(d) (*Amendments to the Credit Derivatives Auction Settlement Terms*), that is not otherwise provided for in Section 3 (*Resolutions of a Convened DC*) may only be made after a public comment period, subject to the penultimate sentence of this Section 3.2(d) (*Amendments to the Credit Derivatives Auction Settlement Terms*). A Convened DC shall Resolve a proposed amendment by a Supermajority and allow any Eligible Market Participant to provide comment on the proposed amendment to the DC Secretary until 5:00 p.m. Relevant City Time on the Relevant City Business Day on or immediately following the seventh calendar day after the publication of such proposed amendment by the DC Secretary on its Website. By 7:00 p.m. Relevant City Time on the Relevant City Business Day on or immediately following the seventh calendar day after the publication of such proposed amendment by the DC Secretary on its Website, the DC Secretary will notify the Convened DC of all comments received by the DC Secretary with respect to the proposed amendment and the Convened DC, acting in a commercially reasonable manner, may make any changes to the proposed amendment that it Resolves to be necessary or desirable by a Supermajority. Notwithstanding the above, the provisions of this Section 3.2(d) (*Amendments to the Credit Derivatives Auction Settlement Terms*) can be overridden by the Convened DC by a Supermajority in order to allow amendment to the Credit Derivatives Auction Settlement Terms without a public comment period. For the avoidance of doubt, any change to the Credit Derivatives Auction Settlement Terms made in accordance with any other provision of this Section 3 (*Resolutions of a Convened DC*), including Resolving the Supplemental Auction Terms, shall not fall under this Section 3.2(d) (*Amendments to the Credit Derivatives Auction Settlement Terms*).

(e) **Decision to not hold an Auction.** Subject to satisfaction of the Relevant Transaction 300/5 Criteria or the Triggered Transaction 300/5 Criteria, as applicable, a Convened DC may Resolve, at any time, by a Majority:

(i) that no Credit Derivatives Auction Settlement Terms will be published following a Credit Event Resolution; and

(ii) up to the Auction Final Price Determination Date of an Auction, that any Auction contemplated by a set of Credit Derivatives Auction Settlement Terms that has been published by ISDA will not be held.

3.3 **Deliverable Obligation Resolutions**

(a) **Identifying Deliverable Obligations.**

(i) **Following an Auction Resolution.** Following an Auction Resolution, the Deliverable Obligations of an Affected Reference Entity, for a particular set of Credit Derivatives Auction Settlement Terms and one or more sets of Deliverable Obligation Terms, shall be identified in accordance with the procedures in this Section 3.3 (*Deliverable Obligation Resolutions*). For the avoidance of doubt, any identification of a Deliverable Obligation in accordance with this Section 3.3 (*Deliverable Obligation Resolutions*) with respect to a set of Credit Derivatives Auction Settlement Terms shall only apply to a Relevant Transaction that is an Auction Covered Transaction, as defined in such set of Credit Derivatives Auction Settlement Terms.
Following a Potential Auctions Resolution. Following a Potential Auctions Resolution, the Deliverable Obligations of an Affected Reference Entity shall be identified in accordance with the procedures in this Section 3.3 (Deliverable Obligation Resolutions), provided that any Deliverable Obligation so identified must, with respect to a Relevant Transaction, and in accordance with Section 2.32 or Section 2.33 of the Definitions, as applicable, also satisfy (i) the Restructuring Maturity Limitation Date requirement or the Modified Restructuring Maturity Limitation Date requirement, if any, as applicable, and (ii) the Fully Transferable Obligation requirement or the Conditionally Transferable Obligation requirement, if any, as applicable (each such identified Deliverable Obligation, a "Permissible Deliverable Obligation").

Proposing Deliverable Obligations. Any Convened DC Voting Member may propose to the DC Secretary that an obligation of the relevant Affected Reference Entity be included on an initial list of potential Deliverable Obligations (such list, the "Initial List"). Any Eligible Market Participant may notify the DC Secretary of its proposal to include a particular obligation on the Initial List, and the DC Secretary will notify the Convened DC Voting Members of such proposal for their consideration. In order for an obligation to be included on the Initial List, whether proposed by a Convened DC Voting Member or an Eligible Market Participant, a description of the obligation, the CUSIP or ISIN number of the obligation and public copies of, or public internet links to, all material documentation, including offering documents, pricing supplements, indentures and, as applicable, guarantees, or, in each case, equivalent documentation howsoever designated in respect of the relevant obligation must be provided to the DC Secretary and the Convened DC must Resolve by a Majority to include such obligation on the Initial List. The DC Secretary shall publish the Initial List on its Website by 5:00 p.m. Relevant City Time on the Relevant City Business Day occurring on or immediately following the day that falls three calendar days after the first meeting of the Convened DC held with respect to a DC Question falling under this Section 3.3 (Deliverable Obligation Resolutions) at which an obligation of the relevant Affected Reference Entity is proposed for inclusion on the Initial List.

Adding Obligations. Any Eligible Market Participant (including any DC Member) may propose to the DC Secretary obligations not on the Initial List to be included on a further list of potential Deliverable Obligations. Any such proposal to add an obligation to such list must (A) have been effectively received by the DC Secretary by 5:00 p.m. Relevant City Time on the Relevant City Business Day occurring on or immediately following the day that falls two calendar days after the publication of the Initial List, (B) include the information and documentation described in Section 3.3(b) (Proposing Deliverable Obligations) and (C) include agreement by such Eligible Market Participant to pay any of the reasonable costs related to any successful challenge to the inclusion of such obligation that could be incurred under Section 3.3(c) (The Final List of Deliverable Obligations) (each such obligation, a "Supplemental Obligation" and the Supplemental Obligations, together with the obligations on the Initial List, form the "Supplemental List"). The DC Secretary may, in its sole discretion, refuse to include any proposed obligation on the Supplemental List where adequate supporting information and documentation is not provided or may refer the proposal to the Convened DC Members in an attempt to locate the adequate supporting information and documentation to satisfy sub-clause (B) above. The DC Secretary shall publish the Supplemental List on its Website by 7:00 p.m. Relevant City Time, on the Relevant City Business Day occurring on or immediately following the day that falls two calendar days after the publication of the Initial List.

Challenging Obligations. Any Eligible Market Participant (including any DC Member) may challenge the inclusion of an obligation on the Supplemental List (including obligations that were also on the Initial List) by notifying the DC Secretary. Any such challenge must
(A) have been effectively received by the DC Secretary by 5:00 p.m. Relevant City Time on the Relevant City Business Day occurring on or immediately following the day that falls three calendar days after the publication of the Supplemental List (the "Challenge Deadline"), (B) include the CUSIP or ISIN of the challenged obligation and a full statement of the reasons why such obligation should not be considered a Deliverable Obligation and (C) include agreement by such Eligible Market Participant to pay any of the reasonable costs related to such challenge, if unsuccessful, that could be incurred under Section 3.3(e) (The Final List of Deliverable Obligations). Any such valid challenge shall be considered to be a DC Issue for purposes of the Rules.

(e) The Final List of Deliverable Obligations. Following the publication of the Supplemental List, the Convened DC shall Resolve each challenge to each obligation on the Supplemental List by a Supermajority. Each challenge must be Resolved by 5:00 p.m. Relevant City Time on the Relevant City Business Day occurring on or immediately following the day that falls two calendar days after the Challenge Deadline. Each obligation for which it is Resolved that such obligation falls within a set of Deliverable Obligation Terms with respect to the relevant set of Credit Derivatives Auction Settlement Terms shall be included on the Final List, other than an obligation included within a set of Deliverable Obligation Terms that is not an obligation of the Affected Reference Entity (provided that the Convened DC may still include such an obligation on the Final List). For each obligation on the Supplemental List that is successfully challenged and not included on the Final List, the institution(s) that proposed such obligation shall, pro rata, bear the reasonable costs incurred by the DC Secretary or the Convened DC in obtaining advice and analysis as to whether or not such obligation is a Deliverable Obligation, as determined by the DC Secretary in a commercially reasonable manner. For each obligation on the Supplemental List that is unsuccessfully challenged, the institution(s) that challenged such obligation shall, pro rata, bear the reasonable costs incurred by the DC Secretary or the Convened DC in obtaining advice and analysis as to whether or not such obligation is a Deliverable Obligation, as determined by the DC Secretary in a commercially reasonable manner. Promptly upon the resolution of all DC Questions (including those that have been referred to External Review, if any) concerning whether an obligation on the Supplemental List should be excluded from the final list of Deliverable Obligations (such list, the "Final List"), the DC Secretary shall publish the Final List on its Website. With respect to a Final List compiled following a Potential Auctions Resolution, at the time of publication of such Final List, the DC Secretary shall specify each range of Scheduled Termination Dates with respect to which the same Permissible Deliverable Obligations apply.

(f) Timetables. The Convened DC may Resolve to amend any deadline or time period established by this Section 3.3 (Deliverable Obligation Resolutions) by a Supermajority. The Convened DC may Resolve by a Supermajority to alter a previous DC Resolution regarding a potential Deliverable Obligation if new information becomes known to the Convened DC. Notwithstanding Section 2.5(b) (DC Resolutions), the Global Dealer Voting Members and Regional Dealer Voting Members of a Convened DC may Resolve by a Supermajority to amend previous DC Resolutions fixing the Auction Date and other timing-related terms of the Auction if challenges under Section 3.3(d) (Challenging Obligations) result in a delay in publication of the Final List.

(g) Other Deliverable Obligations-related Determinations. A Convened DC may Resolve by a Majority:

(i) with respect to each Deliverable Obligation, the longest number of Transaction Type Business Days for physical settlement in accordance with then current market practice of such Deliverable Obligation;
(ii) with respect to each Deliverable Obligation, if applicable, the outstanding principal balance of such Deliverable Obligation, including the Accre ted Amount, if any, with respect to such Deliverable Obligation if it is an Accreting Obligation and the methodology for making the foregoing calculation;

(iii) subject to Section 3.3(h) (Loan Documentation), with respect to each Deliverable Obligation, any specific assignment, novation or other document or any other action that may be necessary, customary or desirable and reasonably requested by either party under a Relevant Transaction in connection with Buyer's Delivery; and

(iv) if applicable, the Currency Rate Source.

(h) Loan Documentation. Notwithstanding Section 3.3(g)(iii) (Other Deliverable Obligations-related Determinations), with respect to each Deliverable Obligation that is a Loan, a Convened DC may Resolve by a Supermajority the documentation customarily used in the relevant market for Delivery of such Loan at that time, including any market advisory, and any amendments to such documentation to the extent necessary in order to preserve the economic equivalent, as closely as practicable, of the delivery and payment obligations of the parties under the Definitions.

3.4 Post-Final-List Determinations Where Mod R or Mod Mod R is Applicable

(a) Triggered Transactions and the Triggered Transaction 300/5 Criteria. Upon publication of the Final List following the occurrence of a Potential Auctions Resolution, the Convened DC will, for purposes of any Relevant Transaction that is a July 2009 Supplement Transaction for which Mod R or Mod Mod R and, in either case, Auction Settlement, are specified in the related Confirmation, determine in accordance with Section 3.4(b) (DTCC Triggered Transaction Data) the number of such Relevant Transactions that are confirmed through DTCC and with respect to which a Notifying Party has delivered an effective Credit Event Notice in accordance with the terms of such Relevant Transaction and on or prior to the Exercise Cut-off Date applicable to such Notifying Party (such timely and effective delivery of a Credit Event Notice, a "Trigger", and any such Relevant Transaction so triggered, a "Triggered Transaction"). If 300 or more of any group of such Relevant Transactions for which the same Permissible Deliverable Obligations apply, and to which five or more Global Dealer Voting Members and/or Global Dealer Consultative Members (and/or, with respect to the Region in which the Transaction Type of the relevant Affected Reference Entity is included, Regional Dealer Voting Members and/or Regional Dealer Consultative Members of the Convened DC for such Region) are parties, are Triggered on or prior to the Exercise Cut-off Date applicable to Buyer (such Exercise Cut-off Date, the "Buyer Exercise Cut-off Date", and such criteria, the "Triggered Transaction 300/5 Criteria"), Credit Derivatives Auction Settlement Terms will be published with respect to such Relevant Transactions. In the event that the Triggered Transaction 300/5 Criteria are not satisfied with respect to a group of Relevant Transactions for which the same Permissible Deliverable Obligations apply, the Convened DC will Resolve by a Majority whether Credit Derivatives Auction Settlement Terms will be published, pursuant to which a Relevant Transaction in such group of Relevant Transactions would be an Auction Covered Transaction. The foregoing notwithstanding, no Credit Derivatives Auction Settlement Terms may be published with respect to a Relevant Transaction (i) that is Triggered by Buyer, (ii) that has a Scheduled Termination Date that is later than the 20-year Limitation Date and (iii) with respect to which Buyer has not exercised the Movement Option.

(b) DTCC Triggered Transaction Data. With respect to each group of Relevant Transactions for which the same Permissible Deliverable Obligations apply, DTCC will, in accordance
with the Relevant Transaction and Triggered Transaction Data Guidelines, provide to the Convened DC by 5:00 p.m. Relevant City Time on each Relevant City Business Day prior to, and including, the Buyer Exercise Cut-off Date, both a daily and a cumulative total of the number of such Relevant Transactions that have been Triggered. In accordance with the Relevant Transaction and Triggered Transaction Data Guidelines, DTCC will only count Triggered Transactions for which Auction Settlement is specified in the related Confirmations and that are confirmed through DTCC, unless the Convened DC Resolves by Supermajority that information provided in a timely manner to DTCC by other appropriate sources, such as central clearing houses, may also be counted by DTCC in the data provided by DTCC to the Convened DC. In accordance with the Relevant Transaction and Triggered Transaction Data Guidelines, for purposes of counting such Triggered Transactions, (i) any such Relevant Transaction with respect to which each of Buyer and Seller has delivered an effective Credit Event Notice on or prior to the applicable Exercise Cut-off Date will be counted as one Triggered Transaction and (ii) all portions of a single such Relevant Transaction that are Triggered separately on or prior to the Buyer Exercise Cut-off Date, pursuant to Section 3.9 of the Definitions, will be counted collectively as one Triggered Transaction. With respect to each such group of Relevant Transactions, ISDA will publicly announce on the Relevant City Business Day immediately following the Buyer Exercise Cut-off Date (A) whether Credit Derivatives Auction Settlement Terms will be published with respect to such Relevant Transactions and (B) the number of such Relevant Transactions that have been Triggered. If, however, with respect to any such group of Relevant Transactions, DTCC informs the Convened DC on any day up to, and including, the Buyer Exercise Cut-off Date that the Triggered Transaction 300/5 Criteria have been satisfied, ISDA will publicly announce on such day that Credit Derivatives Auction Settlement Terms will be published, pursuant to which such Relevant Transactions will be Auction Covered Transactions.

(c) **Auction Date.** The Auction Date specified in any such Credit Derivatives Auction Settlement Terms will be no earlier than six Relevant City Business Days following the Buyer Exercise Cut-off Date.

### 3.5 Succession Event Resolutions

(a) **Succession Event Request.** A Convened DC may Resolve, with respect to an Affected Reference Entity, by a Majority, the date on which the DC Secretary first received a request to convene the Committee for a DC Question falling under this Section 3.5 (Succession Event Resolutions); provided that (i) determinations of effectiveness of notices for purposes of this clause shall be determined in accordance with Section 1.10 of the Definitions and (ii) each reference to "Calculation Agent City time" and "Calculation Agent City Business Day" shall be deemed to refer to "Regional City Time" and "Regional City Business Day", respectively, provided that where the Relevant Transaction Type is included in the Australia-New Zealand Region, Sydney shall be deemed to be the only Regional City for purposes of this provision only (such DC Resolution, a "Succession Event Request Resolution").

(b) **Occurrence of a Succession Event.** A Convened DC may Resolve, with respect to an Affected Reference Entity, by a Supermajority:

(i) whether an event that is a Succession Event has occurred (such DC Resolution, a "Succession Event Occurrence Resolution"); and

(ii) (A) in the case of a Reference Entity that is not a Sovereign, the legally effective date of any such Succession Event and (B) in the case of a Reference Entity that is a Sovereign, the date
of the occurrence of any such Succession Event (in each case, such DC Resolution, together with the related Succession Event Occurrence Resolution and the related Succession Event Request Resolution, a "Succession Resolution").

(c) **Identity of the Successor(s).** Following a Succession Resolution, the Convened DC (i) will reconvene at 11:00 a.m. Relevant City Time (in the case where the Relevant Transaction Type is included in the Americas or EMEA) or 9:00 a.m. Relevant City Time (in the case where the Relevant Transaction Type is included in Asia Ex-Japan, Australia-New Zealand or Japan) (or, in each case, if later, immediately upon Resolving the legally effective date or the date of occurrence, as applicable, of the Succession Event under sub-clause (B) below) on the later of (A) the Relevant City Business Day occurring on or immediately following the day that falls 14 calendar days after the date that the Convened DC Resolves to be the legally effective date or the date of occurrence, as applicable, of the Succession Event and (B) the Relevant City Business Day on which such Convened DC Resolves the legally effective date or the date of occurrence, as applicable, of the Succession Event and (ii) at such reconvening, may Resolve by a Majority to take no action on such date and to reconvene at 11:00 a.m. Relevant City Time (in the case where the Relevant Transaction Type is included in the Americas or EMEA) or 9:00 a.m. Relevant City Time (in the case where the Relevant Transaction Type is included in Asia Ex-Japan, Australia-New Zealand or Japan), in each case, on the day that falls three Relevant City Business Days thereafter (the later of (i) or (ii), as applicable, the "Reconvening Date"). On the Reconvening Date, the Convened DC may Resolve, notwithstanding the definition of Best Available Information and solely on the basis of information that is publicly available as of the Reconvening Date, with respect to an Affected Reference Entity, by a Supermajority:

(i) with respect to an Affected Reference Entity that is not a Sovereign,

(A) the Relevant Obligation(s) of the Affected Reference Entity, if any;
(B) the outstanding principal balance of any Relevant Obligation(s); and
(C) the proportion of the Relevant Obligation(s) to which each purported Successor succeeds.

Following, and by reference to the DC Resolutions under Sections 3.5(c)(i)(A), (B) and (C) (Identity of the Successor(s)), the Convened DC shall Resolve the identity of the Successor(s) by a Majority.

(ii) with respect to an Affected Reference Entity that is a Sovereign, the direct or indirect successor(s) to such Affected Reference Entity irrespective of whether such successor(s) assumes any of the obligations of such Affected Reference Entity.

In any instance where a Reviewable Question falling under this Section 3.5(c) (Identity of the Successor(s)) is returned to the Convened DC by the External Reviewers under Section 4.6(a) (Returning the Reviewable Question to the Convened DC), the Reconvening Date shall be deemed to be the date on which the Convened DC first deliberates the returned Reviewable Question.

### 3.6 Substitute Reference Obligation Resolutions

(a) **Substitute Reference Obligations.** A Convened DC may Resolve, with respect to an Affected Reference Entity, by a Supermajority:

(i) whether circumstances have occurred in respect of one or more Relevant Transactions that require a Substitute Reference Obligation to be identified; and
any Substitute Reference Obligation, while preserving the economic equivalent, as closely as practicable, of the delivery and payment obligations of two hypothetical parties to a Relevant Transaction that would be affected by the identification of a Substitute Reference Obligation.

3.7 Merger of Reference Entity and Seller

(a) **Merger of Reference Entity and Seller.** A Convened DC may Resolve by a Supermajority, with respect to an Affected Reference Entity, whether an entity that acts as seller of protection under one or more Relevant Transactions (such entity, the "Relevant Seller") or such Affected Reference Entity has consolidated or amalgamated with, or merged into, or transferred all or substantially all its assets to, the Affected Reference Entity or the Relevant Seller, as applicable, or that the Relevant Seller and the Affected Reference Entity have become Affiliates.

3.8 Other DC Resolutions

(a) **Interpretation and Amendments to the March 2009 Protocol and the July 2009 Protocol.** A Convened DC may Resolve by Supermajority (i) a question of interpretation regarding the provisions of either the March 2009 Protocol or the July 2009 Protocol, as applicable (including, without limitation, the definition of March 2009 Protocol Covered Transaction and July 2009 Protocol Covered Transaction) and (ii) any amendments to Schedule 1 of the March 2009 Protocol or to Schedule 1 of the July 2009 Protocol in order to correct errors or otherwise give effect to the purpose of the March 2009 Supplement or the purpose of the July 2009 Supplement.

(b) **Other Determinations Relating to the Overall Market.** Any other matter of contractual interpretation relevant to the credit derivatives market generally (that is not merely a matter of bilateral dispute solely between two Eligible Market Participants) may be Resolved by a Supermajority, separately, of each Committee convened for each relevant Region, as determined by the DC Secretary. For the avoidance of doubt, the relevant Convened DC Members may engage in consultations with other market participants for purposes of Resolving the relevant DC Question.

4. EXTERNAL REVIEW

4.1 Referral to External Review

(a) **Eligible DC Questions for Review.** Any DC Question relating to DC Resolutions under Sections 3.1(b) (Credit Event Resolution), 3.3(e) (The Final List of Deliverable Obligations), 3.3(h) (Loan Documentation), 3.5(b)(i) or 3.5(b)(ii) (Occurrence of a Succession Event), 3.5(c)(i)(A), 3.5(c)(i)(B), 3.5(c)(i)(C) or 3.5(c)(ii) (Identity of the Successor(s)), 3.6 (Substitute Reference Obligation Resolutions) or 3.7 (Merger of Reference Entity and Seller) shall be referred to the external review process described in this Section 4 (External Review) (such process, "External Review") if a Convened DC holds a binding vote on, but is unable to Resolve by a Supermajority, such DC Question (such DC Question, an "Eligible Review Question"). Furthermore, any DC Question relating to DC Resolutions under Section 3.8(b) (Other Determinations Relating to the Overall Market) shall be referred to External Review if a Convened DC Resolves by a Majority to send such DC Question to External Review. The referral of an Eligible Review Question will occur at such time when there are at least three External Reviewers selected in accordance with Section 4.3(a) (Conflicts) and Section 4.3(b) (Selection of External Reviewers).
Forming Reviewable Questions. Upon referral of an Eligible Review Question to the DC Secretary for External Review in accordance with Section 4.1 (Eligible DC Questions for Review), the DC Secretary shall rephrase such Eligible Review Question in order to resemble, where applicable, the standard format of the relevant reviewable question in Schedule 1 to the Rules; provided that the phrasing may be modified to accurately reflect an Eligible Review Question that is a component question of the relevant reviewable question in Schedule 1 (each such rephrased Eligible Review Question, a "Reviewable Question"). Each Eligible Review Question falling under Sections 3.1(b)(iii) (Credit Event Resolution), 3.5(b)(ii) (Occurrence of a Succession Event), 3.5(e)(i)(B) or 3.5(e)(i)(C) (Identity of the Successor(s)), in accordance with the applicable standard format for Reviewable Questions specified in Schedule 1 to the Rules, shall include the two answers that were supported by the most Convened DC Voting Members during the binding vote held by the Convened DC with respect to the DC Question corresponding to such Eligible Review Question; provided that, if the number of votes in favor of either of the two answers that were supported by the most Convened DC Voting Members is tied with one or more other answers, all such tied answers shall be included in such Eligible Review Question. Each Eligible Review Question falling under Section 3.8(b) (Other Determinations Relating to the Overall Market) shall be phrased in the manner Resolved by the Convened DC.

Presented Positions. The positions to be presented to the External Reviewers (each, a "Presented Position") with respect to any Reviewable Question shall be as follows:

(i) in the case of a Reviewable Question phrased to be answered either "yes" or "no", the Presented Positions shall be the respective arguments in favor of the "yes" and "no" answers; and

(ii) in the case of a Reviewable Question not phrased to be answered either "yes" or "no", the Presented Positions shall consist of the arguments in favor of the two answers that were supported by the most Convened DC Voting Members during the binding vote held by the Convened DC with respect to such Reviewable Question; provided that, if the number of votes in favor of either of the two answers that were supported by the most Convened DC Voting Members is tied with one or more other answers, all such tied answers shall be included as Presented Positions.

Publishing Reviewable Questions. All Reviewable Questions shall be promptly published by the DC Secretary on its Website, along with the answer relating to each Presented Position and the Submission Deadline with respect to such Reviewable Question.

4.2 Pool Members

Terms of Engagement. The DC Secretary shall cause to have in place standard terms of engagement, pursuant to which Pool Members and the DC Secretary will acknowledge and agree to their respective rights and responsibilities as described in the Rules (the "Terms of Engagement"). The Terms of Engagement shall include provisions to pay compensation to External Reviewers and shall allow Pool Members to recuse themselves from External Review in situations where they believe a potential conflict of interest exists. The DC Secretary and a Pool Member may agree at any time to extend the term of the Terms of Engagement with respect to such Pool Member rather than allowing the Terms of Engagement to expire with respect to such Pool Member.

Nominating Pool Members. With respect to each Region, any ISDA Member may nominate one or more individuals to be a Pool Member for such Region by notice to the DC Secretary of each such nomination (each such individual, a "Potential Pool Member").
Each nomination notified to the DC Secretary will be deliberated for purposes of confirming the nomination in accordance with Section 4.2(c) (Approval and Adherence) the next time a meeting of a Convened DC of the relevant Region is convened; provided that the DC Secretary may convene a Convened DC of the relevant Region once per month solely for the purpose of deliberating Potential Pool Member nominations. An individual nominated to be a Potential Pool Member must be willing to provide a resume, biography or other background materials requested by the DC Secretary or the Convened DC in order to permit the Convened DC to deliberate.

(c) **Approval and Adherence.** A Potential Pool Member shall be able to participate in External Review only after (i) a Convened DC Resolves to confirm the nomination of the relevant individual as a Potential Pool Member by a Majority; provided that a Convened DC may not confirm the nomination of an individual that is a current employee of either a DC Member or an Affiliate of a DC Member and (ii) such Potential Pool Member adheres to the Terms of Engagement described in Section 4.2(a) (Terms of Engagement) (each such approved and adhering Potential Pool Member, a "Pool Member"). Notwithstanding Section 2.5(d) (Publication on the ISDA Website), the DC Secretary shall not publish the binding vote taken for purposes of confirming a Potential Pool Member.

(d) **External Review Panel List.** The DC Secretary shall maintain a list, for each Region, of all Pool Members for such Region (each list, an "External Review Panel List"). The DC Secretary shall publish the members of each External Review Panel List from time to time on its Website. Any Pool Member may resign from an External Review Panel List at any time upon effective receipt by the DC Secretary of valid written notice from such Pool Member.

(e) **Removal.** A Convened DC may Resolve to remove a Pool Member by a Majority; provided that a Pool Member that is currently serving as an External Reviewer may be removed from the External Review Panel only for fraud, wilful misconduct or voluntary breach of an express term of the Terms of Engagement ("Cause"). Following a DC Resolution to remove a Pool Member, the Terms of Engagement with respect to the relevant Pool Member shall terminate upon effective receipt by such Pool Member of valid written notice from the DC Secretary.

### 4.3 Composition of the External Review Panels

(a) **Conflicts.** Upon the existence of an Eligible Review Question, any Convened DC Voting Member may identify any Pool Member from the External Review Panel List for the same Region as such Convened DC for purposes of analyzing their availability and potential conflicts of interest with respect to such Eligible Review Question (each such Pool Member, a "Potential External Reviewer"). Each Potential External Reviewer shall notify the Convened DC, via the DC Secretary, by 5:00 p.m. Relevant City Time on the first Relevant City Business Day after being designated a Potential External Reviewer or such other time as the Convened DC Resolves by a Majority, of its availability and disclose to the Convened DC any conflict of interest which exists or is foreseeable with respect to either the Reviewable Question or the related DC Questions which may be deliberated by the Convened DC. Any Convened DC Voting Member or Convened DC Consultative Member may also raise an existing or potential conflict of interest with respect to a Potential External Reviewer or may ask for additional information to be disclosed.

(b) **Selection of External Reviewers.** Following the disclosure of availability and potential conflicts of interest in accordance with Section 4.3(a) (Conflicts), the Convened DC may Resolve by unanimity to select up to five Potential External Reviewers (of which the fourth
and fifth, if any, shall be designated as the first and second alternate, respectively). If the Convened DC fails to select a total of five Potential External Reviewers and Resolves by a Majority to have the DC Secretary select the remaining Potential External Reviewers required, the DC Secretary shall select, at random, the number of remaining Potential External Reviewers necessary in order to reach a total of five selected Potential External Reviewers (or all remaining Potential External Reviewers if there are fewer than five in total) (of which the fourth and fifth, if any, shall be designated as the first and second alternate, respectively), provided that each Potential External Reviewer selected by the DC Secretary can be dismissed by the Convened DC Resolving by a Majority. The Convened DC may also follow the procedures in Section 4.3(a) (Conflicts) and this Section 4.3(b) (Selection of External Reviewers) to select additional Potential External Reviewers as necessary at any time during External Review to maintain three External Reviewers on the External Review Panel and up to two alternates. For purposes of the Rules, each Potential External Reviewer that (i) is not designated as an alternate and (ii) is either (A) selected by unanimity by the Convened DC or (B) is selected at random by the DC Secretary and is not dismissed by the Convened DC in accordance with this Section 4.3(b) (Selection of External Reviewers) shall be an "External Reviewer" and upon the existence of three External Reviewers, an "External Review Panel" shall be deemed to have been formed.

(c) Resignation. Any Potential External Reviewer may resign from being considered under Section 4.3(a) (Conflicts) for an External Review Panel due to unavailability or an existing or potential conflict of interest and any External Reviewer may resign from an External Review Panel due to an existing or potential conflict of interest. Such resignation shall be effective upon effective receipt by the DC Secretary of valid written notice from such Potential External Reviewer or External Reviewer, as applicable.

(d) Scope of the External Review Panel. Each External Review Panel formed with respect to a Reviewable Question shall also Review any other Reviewable Questions originating from the same Convened DC. For the avoidance of doubt, the External Review Schedule shall apply separately with respect to each Reviewable Question but, if possible, the External Reviewers should group two or more Reviewable Questions together for purposes of efficiency (such as multiple Reviewable Questions relating to obligations of an Affected Reference Entity).

(e) Replacement of an External Reviewer. If an External Reviewer is effectively removed for Cause or resigns at any point during External Review, the first alternate shall no longer be designated as an alternate and shall be deemed to be an External Reviewer under the Rules following effective receipt of notice from the DC Secretary. Upon the effective replacement of an External Reviewer, (i) on or prior to the Submission Deadline for the relevant Reviewable Question, the External Review Schedule will remain unchanged or (ii) after the Submission Deadline for the relevant Reviewable Question, the External Review Schedule will be reset to the Submission Deadline and proceed accordingly.

(f) Replacement of Alternates. If at any time, the first alternate is removed by the Convened DC in accordance with Section 4.3(b) (Selection of External Reviewers), resigns under Section 4.3(c) (Resignation) or is no longer designated as an alternate, the second alternate shall immediately become the first alternate and a new second alternate shall be selected by the Convened DC in accordance with the procedures of Section 4.3(a) (Conflicts) and Section 4.3(b) (Selection of External Reviewers).

(g) Failure to Form a Complete External Review Panel. If, at any time, an External Review Panel does not contain three External Reviewers (taking into account each designated alternate, if any) the External Review process shall be suspended until a sufficient number of
External Reviewers have been selected by the Convened DC in accordance with this Section 4 (External Review).

4.4 The External Review Schedule

(a) **External Review Schedule.** The following schedule shall apply to External Review unless modified in accordance with Section 4.4(b) (*Modification to the Schedule*) (the "External Review Schedule"):

(i) Within four Relevant City Business Days from the referral of an Eligible Review Question to the DC Secretary for External Review, the External Reviewers and the Advocates shall hold an administrative meeting (subject to the provisions of Section 4.5(b) (*Administrative Meetings*)).

(ii) Written Materials shall be submitted to the External Reviewers no more than seven Relevant City Business Days after the referral of an Eligible Review Question to the DC Secretary for External Review (the "Submission Deadline").

(iii) Oral Argument shall be heard at a time and on a Relevant City Business Day specified by the External Reviewers, but in no event before two Relevant City Business Days following the Submission Deadline and in no event later than four Relevant City Business Days after the Submission Deadline.

(iv) The External Reviewers shall render their Decision by 5:00 p.m. Relevant City Time no later than five Relevant City Business Days after the Submission Deadline (the "Decision Deadline").

(b) **Modification to the Schedule.** The Convened DC may, at any time, Resolve by a Supermajority to modify the External Review Schedule for a particular Reviewable Question. The DC Secretary shall promptly notify the External Reviewers of any modification to the External Review Schedule, and in cases where the External Review Schedule is modified prior to the start of External Review, the DC Secretary shall notify the External Reviewers prior to the first administrative meeting.

4.5 General External Review Procedures

(a) **Advocates.** The Convened DC Voting Members and Convened DC Consultative Members who support a particular Presented Position shall identify one or more persons to coordinate their communications with the External Reviewers, present their arguments to the External Reviewers and participate in Oral Arguments (each such identified persons, an "Advocate"). Such Convened DC Voting Members and Convened DC Consultative Members shall notify the DC Secretary and the External Reviewers of the identity of, and contact information for, their Advocate(s). All communication by the External Reviewers with the Convened DC shall be via either the DC Secretary or the Advocates. There shall be no oral communication between the External Reviewers and any individual Advocate unless an Advocate for each Presented Position is given the opportunity to be present during or is otherwise included in such communication. Communication in writing between the External Reviewers and an Advocate must also be transmitted contemporaneously to all other Advocates. Advocates may, but need not, be outside legal counsel selected by the relevant Convened DC Voting Members and Convened DC Consultative Members. For the avoidance of doubt, an Advocate may be a Convened DC Voting Member.

(b) **Administrative Meetings.** In addition to the administrative meeting scheduled under Section 4.4(a)(i) (*External Review Schedule*), the External Reviewers may call other
administrative meetings, in each case on no less than three hours' notice to all of the Advocates. Administrative meetings may be commenced at any time between 10:00 a.m. and 6:00 p.m. Relevant City Time on a Relevant City Business Day, or at any other time agreed to by the External Reviewers and all of the Advocates. All of the Advocates must be given the opportunity to be present at each administrative meeting and the External Reviewers must provide notice of (i) an administrative meeting taking place and (ii) the time, place and/or conference call details, as applicable, of such meeting. Administrative meetings may be held in person or by telephone, videoconference or web conference at the discretion of the External Reviewers. To the extent that in person meetings are held, any Advocate will be permitted to participate by telephone.

(c) **Written Materials.** Certain materials in support of a Presented Position may be submitted to the External Reviewers via the DC Secretary by any ISDA Member. Allowed materials are the following (collectively, the "**Written Materials**"):

(i) a brief addressing the question before the External Reviewers consisting of no more than twenty single-sided, double-spaced pages in Times New Roman twelve-point font, with one inch margins, headers and footers, on A4 or 8 ½" by 11" paper (the "**Brief**"); and

(ii) any exhibits in support of the Brief (the "**Exhibits**"). Unless requested or allowed by the External Reviewers, the Exhibits shall not contain any witness affidavits or additional argument.

Written Materials that do not satisfy the requirements of Section 4.5(c)(i) (Written Materials) will only be accepted in the sole discretion of the External Reviewers. All Written Materials shall only include information that was available to the Convened DC on or prior to the binding vote held for the DC Question corresponding to such Reviewable Question and the External Reviewers, in making their Decision, shall disregard any additional information. Notwithstanding the above, Written Materials may identify new information that is relevant to the resolution of a Reviewable Question and that was not available to the Convened DC on or prior to the binding vote held for the DC Question corresponding to such Reviewable Question for purposes of returning the Reviewable Question to the Convened DC in accordance with Section 4.6(a) (Returning the Reviewable Question to the Convened DC), provided that such information is clearly identified to the External Reviewers. Each ISDA Member submitting information to the DC Secretary shall be deemed to represent and warrant that such information has been disclosed and can be made public without violating any law, agreement or understanding regarding the confidentiality of such information and each DC Party may rely on such representation. All Briefs shall be promptly published by the DC Secretary on its Website, along with any accompanying Exhibits for which publicly available internet links acceptable to the DC Secretary are provided.

(d) **Oral Argument.** The External Reviewers shall hold one or more proceedings where the Advocates may orally present arguments in favor of their Presented Position (each such proceeding, an "**Oral Argument**"). An Oral Argument shall only include information that was available to the Convened DC on or prior to the binding vote held for the DC Question corresponding to such Reviewable Question. Notwithstanding the above, Oral Argument may identify new information that is relevant to the resolution of a Reviewable Question and that was not available to the Convened DC on or prior to the binding vote held for the DC Question corresponding to such Reviewable Question for purposes of returning the Reviewable Question to the Convened DC in accordance with Section 4.6(a) (Returning the Reviewable Question to the Convened DC), provided that such information is clearly identified to the External Reviewers. Unless the External Reviewers have altered the duration of an Oral Argument under Section 4.5(e)(ii) (Powers of the External Reviewers), the Advocates for each Presented Position shall be allocated an aggregate of one hour in
which to present their arguments. All Advocates must be given the opportunity to be present for the duration of an Oral Argument and the External Reviewers must provide reasonable prior notice of (i) an Oral Argument taking place and (ii) the time, place and/or conference call details, as applicable, of such Oral Argument. Oral Argument may be held in person, by videoconference, by web conference or by other means established by the External Reviewers; provided that any Advocate may participate in any Oral Argument by telephone. In the event that an Oral Argument is to be held in person, it shall be held in the Relevant City and may be held at ISDA’s offices in the Relevant City.

(v) upon request by a Convened DC Voting Member, allow witness affidavits as Exhibits or witness testimony at Oral Argument.

(f) **Procedural Decisions by External Reviewers.** Unless otherwise specified, all procedural decisions contemplated under the Rules to be taken by the External Reviewers shall be decided by a Majority.

4.6 **The Review Process**

(a) **Returning the Reviewable Question to the Convened DC.** At any time before the Final Decision, a Convened DC may Resolve by a Majority to withdraw a Reviewable Question from External Review if new information exists that is relevant to the resolution of such Reviewable Question and was not available to the Convened DC on or prior to the binding vote held for the DC Question corresponding to such Reviewable Question. In addition, the External Reviewers shall inform the Convened DC, and may decide to return the Reviewable Question back to the Convened DC (even if the Convened DC has not withdrawn the Reviewable Question), if they determine that new information exists that is relevant to the resolution of such Reviewable Question and that it was not available to the Convened DC on or prior to the binding vote held for the DC Question corresponding to such Reviewable Question. In the event that a Reviewable Question is returned to a Convened DC for any reason, the External Reviewers may continue to deliberate but cannot reach a Decision on such Reviewable Question until the Convened DC has held a new binding vote with respect to such Reviewable Question. For the avoidance of doubt, the deadline for holding a binding vote under Section 2.4(d) (Binding Votes) shall be reset upon a Reviewable Question being returned to a Convened DC, but the External Review Schedule under Section 4.4(a) (External Review Schedule) shall only be suspended (and not reset) until the Convened DC either Resolves the Reviewable Question or again fails to Resolve
the Reviewable Question. In the case of a Reviewable Question being Resolved by a Convened DC, the DC Secretary shall notify the External Reviewers to cease any deliberations with respect to such Reviewable Question.

(b) **The DC Vote.** With respect to a Reviewable Question, the answer which was supported by the most Convened DC Voting Members in the binding vote held for the DC Question corresponding to such Reviewable Question shall be the "DC Vote". In instances where the number of votes in favor of the answer that was supported by the most Convened DC Voting Members is tied with one or more other answers, the DC Vote for such Reviewable Question shall be the deemed vote, if any, specified in Schedule 1 to the Rules for such Reviewable Question or, with respect to a Reviewable Question that relates to a component question of a DC Question, the deemed vote specified in Schedule 1 to the Rules for the Reviewable Question that relates to such DC Question.

(c) **Reviewable Information.** When deciding a Reviewable Question, the External Reviewers shall only consider information that was available to the Convened DC on or prior to the binding vote held for the DC Question corresponding to such Reviewable Question and shall make their Decision solely based on such information. For purposes of this Section 4 (External Review), all information that was publicly available on or prior to the binding vote held for the DC Question corresponding to the Reviewable Question shall be deemed to have been available to the Convened DC. For the avoidance of doubt, in cases where the Reviewable Question involves the identity of a purported Successor, the External Reviewers shall base their Selection solely on information that was available to the Convened DC as of the Reconvening Date, as modified in cases where the Reviewable Question is returned to the Convened DC under Section 4.6(a) (Returning the Reviewable Question to the Convened DC). With respect to a Reviewable Question, the Convened DC may disclose to the External Reviewers and Advocates what information was available to the Convened DC for purposes of its deliberations with respect to such Reviewable Question and the Advocates may jointly agree a list of the information that was available to the Convened DC and may be used for purposes of External Review. Any disputes among the Advocates regarding the composition of such list of information shall be resolved by the External Reviewers. Any agreed list of information shall be published by the DC Secretary on its Website.

(d) **The Decision.** The External Reviewers must each, with respect to a Reviewable Question, select, without alteration, one of the Presented Positions (each selection, a "Selection"). The answer to the Reviewable Question shall then be determined according to the sub-clauses below (such answer, the "Decision", and the term "Decided" will be interpreted accordingly).

(i) **More than 60% to less than 80%.** If more than 60% of the Convened DC Voting Members participating but less than a Supermajority voted for a specific outcome in the binding vote held for the DC Question corresponding to such Reviewable Question, the Reviewable Question will be Decided in accordance with the DC Vote of such Reviewable Question unless the External Reviewers unanimously conclude that another Presented Position is "the better answer", in which case the Reviewable Question will be Decided in accordance with the Selection of the three External Reviewers.

(ii) **Less than or equal to 60%.** If less than or equal to 60% of the Convened DC Voting Members participating voted for a specific outcome in the binding vote held for the DC Question corresponding to such Reviewable Question, the Reviewable Question will be Decided in accordance with the DC Vote of such Reviewable Question unless at least two out of the three External Reviewers conclude that another Presented Position is "the better
answer", in which case the Reviewable Question will be Decided in accordance with the Selection of the Majority of the External Reviewers.

(e) **Relevant Governing Law.** The External Reviewers will interpret the Reviewable Question in accordance with the Relevant Governing Law. Any Decision made by the External Reviewers will be made without regard to the governing law of any Relevant Transaction.

(f) **Publishing the Decision.** With respect to each Reviewable Question, the External Reviewers shall notify the DC Secretary by the Decision Deadline of each of their votes with respect to the Presented Positions for such Reviewable Question and will produce a single summary explaining their reasoning and analysis (including any dissenting views). In addition, the External Reviewers shall notify the DC Secretary by the Decision Deadline of the Decision reached in accordance with Section 4.6(d) (*The Decision*). The DC Secretary shall publish the votes of the External Reviewers, the written summary and the Decision on its Website within 5 hours of receiving such information from the External Reviewers (once published, the Decision is a "Final Decision").

(g) **Adopting the Decision.** The Convened DC shall be deemed to ratify the Final Decision, without any amendment or further action, at the time such Final Decision is published and such Final Decision will constitute a DC Resolution for purposes of the Rules.

(h) **Failure to Arrive at a Decision.** If the External Review Panel, for any reason, fails to make a Decision within the timeframe established by the External Review Schedule, a new External Review Panel will be selected in accordance with Section 4.3 (*Composition of the External Review Panels*) and External Review will re-commence with respect to the relevant Reviewable Question.

5. **ADDITIONAL PROVISIONS**

5.1 Waivers and Disclaimers

(a) **Waiver by DC Parties.** Each DC Party shall be deemed to agree:

(b) **Disclaimer by the DC Parties.** No DC Party and no outside legal counsel or other third-party professional hired by any DC Party in connection with any DC Party's performance of

No DC Party and no outside legal counsel or other third-party professional hired by any DC Party shall undertake any duty or otherwise be liable to any party to a Relevant Transaction for any action, including one based on negligence, that might arise in connection with any DC Party's performance of its duties, or any advice given by legal counsel or any other third-party professional hired by any DC Party in connection with any DC Party's performance of its duties, under the Rules, except in the case of gross negligence, fraud or wilful misconduct on the part of the relevant DC Party, legal counsel or other third-party professional, as applicable. Notwithstanding the above, outside legal counsel or a third-party professional hired by a DC Party may still be liable to such DC Party.

5.2 Other Provisions

(a) Confidentiality. Except as (i) expressly contemplated by the Rules or (ii) as may be required by applicable law or court order or requested by a regulatory, self-regulatory or supervising authority having appropriate jurisdiction, each DC Party (and any outside legal counsel or other third-party professional hired by such DC Party in connection with such DC Party's performance of its duties under the Rules) agrees to maintain confidentiality as to all non-public deliberations occurring under the Rules, including, without limitation, any discussions, deliberations or proceedings relating to a DC Question or Reviewable Question, the results of any non-binding vote and the location, timing and/or access details for any meeting (the "Confidential Material"). In the event that a DC Party is served with, or otherwise subject to, legal process (including subpoena or a discovery notice) requiring it to testify about, to produce, or otherwise to divulge Confidential Material, to the extent permitted by law, the DC Party subject to such process shall, as soon as practicable, inform the DC Secretary, who will in turn notify each DC Party so that any DC Party may seek a protective order or other remedy if desired. In the event that such protective order or other remedy has not been obtained and the DC Party is advised, in the opinion of counsel, that it is legally compelled to disclose any of the Confidential Material, the DC Party may disclose only such Confidential Material so advised to be disclosed. If a DC Party is requested by a regulatory, self-regulatory or supervising authority having appropriate jurisdiction to disclose any Confidential Material, to the extent permitted by law, the DC Party subject to such process may comply with such request but shall, as soon as practicable, inform the DC Secretary, who will in turn notify each DC Party so that any DC Party may seek a protective order or other remedy if desired. Following publication by the DC Secretary of any Confidential Material, a DC Party shall have no duty of confidentiality with respect to such Confidential Material. Following publication by the DC Secretary of the outcome of a binding vote of a Convened DC in accordance with Section 2.5(d)(iii) (Publication on the ISDA Website) or of a DC Meeting Statement in accordance with Section 2.5(d)(vi) (Publication on the ISDA Website), a DC Party shall have no duty of confidentiality with respect to Confidential Material relating to such binding vote or DC Meeting Statement as applicable.

The Board of Directors of ISDA may at any time add a new region to the definition of "Region" for purposes of the Rules, in which case such new definition of Region shall be effective for purposes of the Rules upon publication of such new definition of Region by the DC Secretary on its Website. The DC Secretary may re-allocate the already covered Transaction Types among, or add additional

Notwithstanding the above, the provisions of this Section 5.2(e) (*Amendments to the Rules*) can be overridden by a Convened DC Resolving by a Supermajority to allow amendment to the Rules with respect to such Region with a shorter public comment period or without a public comment period altogether. SCHEDULE 2

THE NON-DEALER COMMITTEE

1. COMPOSITION OF THE NON-DEALER COMMITTEE

(a) The Non-dealer Committee will initially be composed of the non-dealer ISDA Members that actively participated in the ISDA meetings regarding the drafting of the March 2009 Supplement, as identified by ISDA.

(b) A non-dealer ISDA Member may join the Non-dealer Committee by (i) providing a written summary of its experience in the credit derivatives market to the DC Secretary and (ii) providing written certification to the DC Secretary that:

(i) it has at least USD1,000,000,000 of assets under management (or relevant equivalent concept); and

(ii) as of the last day of the calendar month immediately prior to the day on which such certification is provided to the DC Secretary, the sum of:

(A) the aggregate notional of Credit Derivative Transactions referencing a single Reference Entity to which such non-dealer ISDA Member is a party on the date falling 12 calendar months prior to the last day of the immediately preceding calendar month; and

(B) the aggregate notional of additional Credit Derivative Transactions referencing a single Reference Entity entered into (including by way of assignment or novation if the non-dealer ISDA Member is not the Remaining Party) or terminated early by mutual agreement of the parties during the period from, and excluding, the date falling 12 calendar months prior to the last day of the immediately preceding calendar month, to, but excluding, the last day of the immediately preceding calendar month,

exceeds USD1,000,000,000.

For purposes of this Section 1(b), non-dealer ISDA Member shall be deemed to include all Affiliates of such non-dealer ISDA Member that are not dealers.

(c) Upon effectively receiving a valid request to join the Non-dealer Committee, the DC Secretary shall provide each Non-dealer Committee Member with a copy of such request. Such request to join the Non-dealer Committee shall be deemed to be approved unless two-thirds of the Non-dealer Committee Members as of the time such request was effectively notified to all of the Non-dealer Committee Members vote, within 10 calendar days of the DC Secretary giving notice of a request, to deny such request; provided that, for purposes of the Initial List Review Date, (i) the DC Secretary shall compile all of the requests received prior to 5:00 p.m. New York time on March 20, 2009 and promptly provide such requests to each Non-dealer Committee Member and (ii) Non-dealer Committee Members may vote to deny any request until 5:00 p.m. New York time on March 27, 2009. For the avoidance of doubt, a non-dealer
ISDA Member requesting to join the Non-dealer Committee shall not be included on the List of Non-dealer Committee Members until the expiration of the relevant voting period under this Section 1(c).

2. PARTICIPATING ON A COMMITTEE

Each Non-dealer Committee Member must notify the DC Secretary whether it wishes to serve on the Committees and may change such decision at any time upon effective receipt of written notice by the DC Secretary. Each Non-dealer Committee Member that wishes to serve on the Committees must self-identify as either a "private investment company manager", a "registered investment company manager" or "other". If a Non-dealer Committee Member wishes to serve on the Committees, such Non-dealer Committee Member cannot change its designation as either a "private investment company manager", a "registered investment company manager" or "other" unless such Non-dealer Committee Member provides written notice to the DC Secretary and two-thirds of the Non-dealer Committee Members, as of the time such request was effectively notified to all of the Non-dealer Committee Members by the DC Secretary, vote to approve such request.

3. CONTINUING MEMBERSHIP ON THE NON-DEALER COMMITTEE

(a) On March 1st of each year, each Non-dealer Committee Member shall provide written certification that, as of such date, such Non-dealer Committee Member continues to satisfy the criteria of Section 1(b)(ii) of this Schedule 2. Failure to provide such certification shall result in the removal of such Non-dealer Committee Member from the Non-dealer Committee if such failure is not remedied within 10 calendar days of effective receipt of notice of such failure from the DC Secretary.

(b) A Non-dealer Committee Member may be removed from the Non-dealer Committee by a binding vote of 80% of the Non-dealer Committee Members as of the date of such vote. Such Non-dealer Committee Member may not participate in such binding vote and shall not be counted for purposes of the voting threshold determination.

4. AMENDMENTS TO THIS SCHEDULE 2

Any amendment to this Schedule 2 will be made in accordance with Section 5.2(c)(i) (Amendments to the Non-dealer Committee) of the Rules.
SCHEDULE 3

FORM OF ELIGIBLE CCP CERTIFICATION LETTER

[Letterhead of CCP]

International Swaps and Derivatives Association, Inc. [Date]

Send to: DCSecretary@isda.org

Dear Sirs,

We write to inform you that we wish to be an "Eligible CCP", as described in the Credit Derivatives Determinations Committees Rules, as amended from time to time in accordance with the terms thereof and as published by the International Swaps and Derivatives Association, Inc. (ISDA) (the DC Rules). Capitalized terms used but not otherwise defined in this letter shall have the meanings given to them in (a) the 2003 ISDA Credit Derivatives Definitions as supplemented by the 2009 ISDA Credit Derivatives Determinations Committees, Auction Settlement and Restructuring Supplement to the 2003 ISDA Credit Derivatives Definitions published on July 14, 2009 (each as published by ISDA) (as supplemented, the Definitions) or (b) the DC Rules, as applicable.

By signing and sending this letter to you, we represent, as of the date of this letter, which representation will be deemed repeated on each date on which we submit a Potential DC Issue to the DC Secretary, that:

(a) we are a clearinghouse, clearing association, clearing corporation, or similar entity, facility, system, or organization (a Clearing Entity) that (i) enables each party to a Credit Derivative Transaction to substitute, through novation or otherwise, the credit of the Clearing Entity for the credit of its counterparty, (ii) arranges or provides, on a multilateral basis, for the settlement or netting of obligations resulting from Credit Derivative Transactions executed by participants in the Clearing Entity or (iii) otherwise provides clearing services or arrangements that mutualize or transfer among participants in the Clearing Entity the credit risk arising from Credit Derivative Transactions executed by the participants. We are a Clearing Entity that satisfies clause (i), (ii) or (iii) above other than solely due to the provision or the arranging of (A) settlement, netting, or novation of obligations resulting from Credit Derivative Transactions executed by participants in the Clearing Entity or (B) settlement or netting of cash payments through an interbank payment system.

(b) each credit default swap contract cleared by us constitutes a Credit Derivative Transaction (each, a Cleared Contract) and incorporates the Definitions without amendment or, to the extent that the Definitions are amended in respect of a Cleared Contract, such amendments neither (i) affect the applicability to such Cleared Contract of a DC Resolution that would otherwise be applicable to such Cleared Contract, or to a substantially equivalent non-cleared credit default swap contract nor (ii) provide for any entity, group, committee or other body (including us or any committee established pursuant to our rules for making determinations and resolving disputes) other than a Credit Derivatives
Determinations Committee (any such body, an Alternative Body) to affect the applicability of such DC Resolution to such Cleared Contract;

(c) with respect to a matter subject to resolution under any of Section 3.1 (Credit Event Resolutions), 3.3 (Deliverable Obligation Resolutions), 3.5 (Succession Event Resolutions), 3.6 (Substitute Reference Obligation Resolutions) or 3.7 (Merger of Reference Entity and Seller) of the DC Rules:

(i) our rules do not permit a determination to be made in respect of such matter by an Alternative Body; and

(ii) to the extent that a DC Resolution in relation to such matter is applicable to a Cleared Contract, such DC Resolution will, pursuant to our rules or the terms of such Cleared Contract, as applicable, and subject to Section 9.1(c)(iii) of the Definitions, be binding on such Cleared Contract; and

(d) either:

(i) with respect to a matter subject to resolution under Section 3.8(b) (Other Determinations Relating to the Overall Market) of the DC Rules:

(A) our rules do not permit a determination that would be binding on any party to a Cleared Contract to be made in respect of such matter by an Alternative Body other than an arbitrator or arbitration panel (each, an Arbitrator) pursuant to an arbitration proceeding (howsoever described) (I) between two or more parties (other than us), at least one of which shall be a clearing member (any such party, a Relevant Party), (II) which shall not be initiated by us other than at the request of a Relevant Party and (III) which shall be in respect of one or more specifically identified Cleared Contracts with respect to which a Relevant Party is a party (each, a Relevant Cleared Contract) (any such arbitration proceeding, an Arbitration Proceeding);

(B) with respect to a determination in respect of such matter by an Arbitrator pursuant to an Arbitration Proceeding, our rules do not permit a determination that would be binding on any party to a Cleared Contract to be made in respect of such matter by an Arbitrator pursuant to an Arbitration Proceeding unless such determination is reached on or after the twentieth calendar day following receipt by all Relevant Parties (other than the Relevant Party delivering the notice) of the last notice of claim (howsoever described, including without limitation a notice asserting a counterclaim or cross-claim) in respect of such Arbitration Proceeding, in which case such determination will only be binding on a Relevant Party to a Relevant Cleared Contract (any such determination of such matter by an Arbitrator pursuant to an Arbitration Proceeding on or after such date, an Arbitrator Determination); and

(C) notwithstanding (d)(i)(A) and (B) above, to the extent that a DC Resolution in relation to such matter is applicable to a Cleared Contract, such DC Resolution will, pursuant to our rules or the terms of such Cleared Contract, as applicable, be binding on such
Cleared Contract and will override any prior Arbitrator Determination in respect of such matter, subject to Section 9.1(c)(iii) of the Definitions. For the avoidance of doubt, Section 9.1(c)(iii) of the Definitions shall be interpreted as if any prior Arbitrator Determination in respect of such matter constituted a prior determination by the Calculation Agent with respect to the relevant Cleared Contract; or

(ii) with respect to a matter subject to resolution under Section 3.8(b) (Other Determinations Relating to the Overall Market) of the DC Rules that relates to a matter of contractual interpretation relevant to the credit derivatives market generally involving the Definitions or any confirmations, supplements, annexes or other market standard documents published by ISDA that are incorporated into the terms of a Cleared Contract (which, for the avoidance of doubt, excludes matters related to margin requirements, default management processes, clearing member and customer portability, clearinghouse disciplinary procedures and financial safeguards):

(A) our rules do not permit a determination to be made in respect of such matter by any entity, group, committee or other body (including us or any committee established pursuant to our rules for making determinations and resolving disputes) other than a Credit Derivatives Determinations Committee unless made (x) by a risk committee that is part of our governance structure or a supervisory committee that is part of our governance structure that acts in consultation with a risk committee that is also part of our governance structure (a Qualifying Supervisory Body) or (y) pursuant to arbitration, disciplinary or judicial proceedings or other third-party expert determination, and, in either case, only if:

I. such question has been previously submitted to the DC Secretary by an Eligible CCP (other than as a General Interest Question);

II. the DC Secretary has publicly announced that the relevant Credit Derivatives Determinations Committee has resolved to dismiss such question for a reason other than insufficient information being available to answer the relevant question or the question being premature in nature (in each case, as indicated by the Credit Derivatives Determinations Committee and published by the DC Secretary); and

III. where new information or analysis becomes available with respect to such matter after an announcement by the DC Secretary under clause (d)(ii)(A)II above and prior to a determination made by any Qualifying Supervisory Body or pursuant to arbitration, disciplinary or judicial proceedings or other third-party expert determination becoming binding under Section 9.1(c)(iii) of the Definitions (interpreted as if such Qualifying Supervisory Body or arbitration, disciplinary or judicial proceedings or other third-party expert determination constituted a Calculation Agent determination with respect to the relevant Cleared Contract), such information or analysis has been made available to the
DC Secretary (which may require the re-submission of the question to the DC Secretary) and an announcement has again been made by the DC Secretary under (d)(ii)(A)II above; and

(B) our rules or the terms of each Cleared Contract expressly provide that any DC Resolution in relation to such matter shall be binding on each Cleared Contract to which such DC Resolution is applicable (subject to Section 9.1(c)(iii) of the Definitions, interpreted as if any Qualifying Supervisory Body or arbitration, disciplinary or judicial proceedings or other third-party expert determination that resulted in a prior determination of such matter constituted a Calculation Agent determination with respect to the relevant Cleared Contract).
