

**Amendment to Section 3 (*Resolutions of a Convened DC*) of the 2018 ISDA Credit Derivatives
Determinations Committees Rules**

October 3, 2020

Section 3 (*Resolutions of a Convened DC*) of the 2018 ISDA Credit Derivatives Determinations Committees Rules is deleted in its entirety and replaced with the following provisions:

3. RESOLUTIONS OF A CONVENED DC

3.1 Credit Event and Potential Repudiation/Moratorium Resolutions

- (a) **Publicly Available Information Resolution.** A Convened DC may Resolve, with respect to an Affected Reference Entity, by a Majority, the date on which the DC Secretary first effectively received both a request to convene the Committee for a DC Question falling under (i) Section 3.1(b) (*Potential Repudiation/Moratorium Resolution*) or (ii) Section 3.1(c) (*Credit Event Resolution*) and Publicly Available Information that satisfies the requirements of Section 2.1(b) (*Publicly Available Information*) for purposes of such DC Question; provided that (A) determinations of effectiveness of notices for purposes of this clause shall be determined in accordance with Section 1.38 of the 2014 Definitions and (B) each reference to "Calculation Agent City time" and "Calculation Agent City Business Day" shall be deemed to refer to "Regional City Time" and "Regional City Business Day", respectively, provided that where the Relevant Transaction Type is included in the Australia-New Zealand Region, Sydney shall be deemed to be the only Regional City for purposes of this provision only (such DC Resolution, in the case of Section 3.1(a)(i), a "**Potential Repudiation/Moratorium Request Resolution**", and in the case of Section 3.1(a)(ii), a "**Credit Event Request Resolution**"). If there has been a DC Credit Event Question Dismissal prior to such time, the Convened DC shall nonetheless Resolve, by a Majority, the date on which the DC Secretary first effectively received both a request to convene the Committee for a DC Question falling under this Section 3.1 (*Credit Event and Potential Repudiation/Moratorium Resolutions*) and Publicly Available Information that satisfies the requirement of Section 2.1(b) (*Publicly Available Information*) for purposes of such DC Question.
- (b) **Potential Repudiation/Moratorium Resolution.** Following a Potential Repudiation/Moratorium Request Resolution, a Convened DC may Resolve, with respect to an Affected Reference Entity, by a Supermajority:
- (i) whether a Potential Repudiation/Moratorium has occurred; and
 - (ii) if applicable, the date of occurrence of such Potential Repudiation/Moratorium by reference to (A) if the Relevant Transaction type is included in the Region of Japan, Tokyo time or (B) otherwise, Greenwich Mean Time (such DC Resolution, a "**Potential Repudiation/Moratorium Resolution**").
- (c) **Credit Event Resolution.** Following a Credit Event Request Resolution, a Convened DC may Resolve, with respect to an Affected Reference Entity, by a Supermajority:

- (i) whether a Potential Failure to Pay or a Potential Repudiation/Moratorium has occurred;
 - (ii) whether a Credit Event of the type referenced in the relevant DC Question has occurred; and
 - (iii) if applicable, the date of the occurrence of the Potential Failure to Pay, Potential Repudiation/Moratorium and/or Credit Event, by reference to (A) if the Relevant Transaction Type is included in the Region of Japan, Tokyo time or (B) otherwise, Greenwich Mean Time (such DC Resolution, together with the related Credit Event Request Resolution, a "**Credit Event Resolution**").
- (d) Further Determination following a DC Resolution of a Restructuring. Following a DC Resolution that a Restructuring has occurred with respect to a Relevant Transaction: (i) for purposes of any Relevant Transaction that is (A) a July 2009 Supplement Transaction or a 2014 Transaction and (B) an Index Transaction, the Convened DC may Resolve by a Majority the form of documentation that will apply to the portion of such Relevant Transaction relating to the Affected Reference Entity that, as of the calendar day immediately following such DC Resolution, will be separated from such Relevant Transaction and separately documented as a separate Credit Derivative Transaction (such portion of such Relevant Transaction, a "**Component Transaction**") to the extent that the Convened DC determines that such Component Transaction should not be evidenced by a Confirmation for use with the Credit Derivatives Physical Settlement Matrix; and (ii) the Convened DC may Resolve by Supermajority the Exercise Cut-off Date and/or Movement Option Cut-off Date, if applicable, if it Resolves by Supermajority that the relevant date should be other than as set out in Sections 1.41 and 6.17 of the 2014 Definitions respectively.

3.2 Auction Resolutions and Potential Auctions Resolutions

- (a) Holding one or more Auctions. Upon the occurrence of a Credit Event Resolution, and unless the DC Resolves by Supermajority that no Deliverable Obligations exist in respect of the relevant Reference Entity:
 - (i) unless the relevant Credit Event is a Restructuring for purposes of any Relevant Transactions and either (A) Mod R or Mod Mod R is applicable or (B) such Relevant Transactions are March 2009 Supplement Transactions, a Convened DC may Resolve by a Majority whether one or more auctions will be held to settle Relevant Transactions with respect to which such Credit Event Resolution has occurred in accordance with the terms set out in the Credit Derivatives Auction Settlement Terms as amended in accordance with this Section 3.2 (*Auction Resolutions and Potential Auctions Resolutions*) (such DC Resolution, an "**Auction Resolution**" and each such auction, an "**Auction**"), provided that, if the Convened DC determines in accordance with the Relevant Transaction and Triggered Transaction Data Guidelines that, as of the date of such Credit Event Resolution, there exist, outstanding and confirmed through DTCC, 300 or more of such Relevant Transactions for which Auction Settlement is specified as the Settlement

Method in the related Confirmations, which would be likely to be covered by one single set of Credit Derivatives Auction Settlement Terms and to which five or more Global Dealer Voting Members and/or Global Dealer Consultative Members (and/or, with respect to the Region in which the Transaction Type of the relevant Affected Reference Entity is included, Regional Dealer Voting Members and/or Regional Dealer Consultative Members of the Convened DC for such Region) are parties (the "**Relevant Transaction 300/5 Criteria**") (provided that in determining whether the Relevant Transaction 300/5 Criteria are satisfied, the Convened DC will use information provided to it by DTCC in accordance with the Relevant Transaction and Triggered Data Guidelines which shall differentiate between 2014 Transactions, March 2009 Supplement Transactions and July 2009 Supplement Transactions and, in addition, will also incorporate any relevant information provided in a timely manner to DTCC by other appropriate sources, such as central clearing houses, if the Convened DC Resolves by Supermajority that DTCC shall incorporate such information into the data it provides to the Convened DC), an Auction shall be held to settle such Relevant Transactions in accordance with the Credit Derivatives Auction Settlement Terms, with such amendments thereto as the Convened DC Resolves in accordance with this Section 3.2 (*Auction Resolutions and Potential Auctions Resolutions*); or

- (ii) if the relevant Credit Event is a Restructuring for purposes of any Relevant Transaction that is a July 2009 Supplement Transaction or a 2014 Transaction for which either Mod R or Mod Mod R is applicable, a Convened DC may Resolve by a Majority whether one or more Auctions may be held to settle such Relevant Transactions with respect to which such Credit Event Resolution has occurred in accordance with the terms set out in the Credit Derivatives Auction Settlement Terms, with, for each Auction, such amendments thereto as the Convened DC Resolves in accordance with this Section 3.2 (*Auction Resolutions and Potential Auctions Resolutions*) (such DC Resolution, a "**Potential Auctions Resolution**").

If the Deliverable Obligation Provisions for all Relevant Transactions with respect to which a Credit Event Resolution has occurred are not equivalent in all material respects, the Convened DC may Resolve to hold separate Auctions and, in such case, shall Resolve the set(s) of Deliverable Obligation Terms that will apply, respectively, for purposes of each such Auction in accordance with Section 3.2(c) (*Deliverable Obligation Terms*). Following a Restructuring with respect to any Relevant Transaction that is a July 2009 Supplement Transaction or 2014 Transaction for which either Mod R or Mod Mod R is specified in the related Confirmation, the Convened DC may Resolve by a Majority whether one or more Auctions based on the respective Limitation Dates (or, with respect to such Relevant Transactions that are Triggered by Seller, the Maximum Maturity) applicable to such Relevant Transactions may be held to settle such Relevant Transactions.

- (b) Other Auction-related Determinations. The Global Dealer Voting Members and Regional Dealer Voting Members of a Convened DC shall Resolve, for each Auction, by a Majority:
 - (i) the Auction Date for each Auction; provided that the Auction Date shall be the third Relevant City Business Day immediately preceding the 30th calendar day after the Credit

Event Resolution Request Date unless the Global Dealer Voting Members and Regional Dealer Voting Members of such Convened DC Resolve otherwise;

- (ii) whether an institution (other than a Global Dealer Voting Member, a Global Dealer Consultative Member, a Regional Dealer Voting Member or a Regional Dealer Consultative Member of such Convened DC) that submits a Participating Bidder Letter with respect to an Auction will be permitted to act as a Participating Bidder for purposes of the relevant Auction; provided that (A) an Eligible Global Dealer or Eligible Regional Dealer or any Affiliate of such Eligible Global Dealer or Eligible Regional Dealer (in each case, other than a Global Dealer Voting Member, a Global Dealer Consultative Member, a Regional Dealer Voting Member or a Regional Dealer Consultative Member of such Convened DC) that submits a Participating Bidder Letter will be permitted to act as a Participating Bidder for purposes of the relevant Auction unless the Global Dealer Voting Members and Regional Dealer Voting Members of a Convened DC Resolve otherwise by a Supermajority and (B) any Global Dealer Voting Member, Global Dealer Consultative Member, Regional Dealer Voting Member or Regional Dealer Consultative Member that participates in an Auction as a Participating Bidder will be deemed to be bound by the same terms, obligations, representations, waivers and agreements contained in the Participating Bidder Letter relating to such Auction that would bind any institution required to submit such Participating Bidder Letter in order to participate as a Participating Bidder in such Auction, irrespective of whether or not such Global Dealer Voting Member, Global Dealer Consultative Member, Regional Dealer Voting Member or Regional Dealer Consultative Member, as applicable, has in fact submitted a Participating Bidder Letter in respect of the relevant Auction; and
 - (iii) all of the Supplemental Auction Terms, to the extent applicable; provided that in aggregate, across all Credit Derivatives Auction Settlement Terms applicable to Relevant Transactions for which a Credit Event Resolution has occurred, the Initial Market Quotation Amount shall not be less than (A) if the Relevant Currency is USD or EUR, 2,000,000 units of the Relevant Currency or (B) if the Relevant Currency is JPY, 20,000,000 units of the Relevant Currency.
- (c) Deliverable Obligation Terms. With respect to an Auction, a Convened DC may Resolve by a Majority a separate set of Deliverable Obligation Terms to be published with respect to each set of Credit Derivatives Auction Settlement Terms. A Convened DC may Resolve by a Supermajority to add one or more sets of Deliverable Obligation Terms (and consequently publish a single set of Credit Derivatives Auction Settlement Terms with more than one set of Deliverable Obligation Terms) up until five calendar days prior to the first Auction Date to occur with respect to the relevant Affected Reference Entity; provided that no additional set of Deliverable Obligation Terms may have the effect of bringing into question a previous DC Resolution that an obligation of the relevant Affected Reference Entity is a Deliverable Obligation with respect to the relevant set of Credit Derivatives Auction Settlement Terms. Each set of Deliverable Obligation Terms shall include (collectively, the "**Deliverable Obligation Terms**"):
- (i) whether the 2014 Definitions and/or Updated 2003 Definitions are applicable;
 - (ii) the Deliverable Obligation Category and Deliverable Obligation Characteristics;

- (iii) whether the Deliverable Obligations are to be determined by reference to any Additional Provisions;
- (iv) whether an obligation should be specifically excluded and/or included as a Deliverable Obligation or Reference Obligation, notwithstanding that such obligation meets, or fails to meet, as applicable, the Deliverable Obligation Terms otherwise determined to be applicable;
- (v) whether "All Guarantees" is applicable;
- (vi) the obligation of the relevant Affected Reference Entity by reference to which the Not Subordinated Deliverable Obligation Characteristic, if applicable, should be assessed; and
- (vii) each other provision, if any, that the Convened DC Resolves is necessary to establish the criteria for what obligations will constitute Deliverable Obligations with respect to the relevant set of Credit Derivatives Auction Settlement Terms.

In determining whether the 2014 Definitions, the Updated 2003 Definitions, or both, are applicable to an Auction, the Convened DC shall take into account whether the settlement provisions would have been materially different under the 2014 Definitions and the Updated 2003 Definitions (including, but not limited to, the applicability of Asset Package Delivery) if the Settlement Method had been Physical Settlement.

Each time a Convened DC Resolves a set of Deliverable Obligation Terms with respect to a set of Credit Derivatives Auction Settlement Terms, the DC Secretary shall promptly publish such set of Deliverable Obligation Terms on its Website.

- (d) Amendments to the Credit Derivatives Auction Settlement Terms. With respect to an Auction, any amendment to the Credit Derivatives Auction Settlement Terms, as amended from time to time in accordance with this Section 3.2(d) (*Amendments to the Credit Derivatives Auction Settlement Terms*), that is not otherwise provided for in Section 3 (*Resolutions of a Convened DC*) may only be made after a public comment period, unless the Convened DC Resolves by a Supermajority to allow amendment to the Credit Derivatives Auction Settlement Terms without a public comment period. A Convened DC shall Resolve a proposed amendment by a Supermajority and allow any Eligible Market Participant to provide comment on the proposed amendment to the DC Secretary until 5:00 p.m. Relevant City Time on the Relevant City Business Day on or immediately following the seventh calendar day after the publication of such proposed amendment by the DC Secretary on its Website. By 7:00 p.m. Relevant City Time on the Relevant City Business Day on or immediately following the seventh calendar day after the publication of such proposed amendment by the DC Secretary on its Website, the DC Secretary will notify the Convened DC of all comments received by the DC Secretary with respect to the proposed amendment and the Convened DC, acting in a commercially reasonable manner, may make any changes to the proposed amendment that it Resolves to be necessary or desirable by a Supermajority.

If the Convened DC determines that the Credit Derivatives Auction Settlement Terms and Final List are not broadly reflective of the Deliverable Obligations and ability to settle which would have been available if Physical Settlement had been the applicable Settlement Method and that this would cause prejudice to either Buyer or Seller under a Relevant Transaction, it may Resolve by Supermajority to make amendments to the Credit Derivatives Auction Settlement Terms and/or Final List as applicable in an attempt to avoid or mitigate against such prejudice. Such amendment may only be made after a public comment period unless the Convened DC Resolves by a Supermajority to allow such amendment without a public comment period.

- (e) Decision to not hold an Auction.
 - (i) Subject to the requirements relating to the Relevant Transaction 300/5 Criteria in Section 3.2(a)(i) (*Holding one or more Auctions*) and the Triggered Transaction 300/5 Criteria in Section 3.4(a) (*Triggered Transactions and the Triggered Transaction 300/5 Criteria*), a Convened DC may Resolve, at any time, by a Majority:
 - (A) that no Credit Derivatives Auction Settlement Terms will be published following a Credit Event Resolution; and
 - (B) up to the Auction Final Price Determination Date of an Auction, that any Auction contemplated by a set of Credit Derivatives Auction Settlement Terms that has been published by ISDA will not be held; and
 - (ii) a Convened DC may Resolve, at any time, by a Supermajority, that no Deliverable Obligations exist in respect of the Reference Entity and that (A) no Credit Derivatives Auction Settlement Terms shall be published following a Credit Event Resolution with respect thereto or (B) in order to mitigate operational complexity associated with the Fallback Settlement Method, Credit Derivatives Auction Settlement Terms shall be published providing for a deemed Auction with an Auction Final Price of 100 per cent.

3.3 Deliverable Obligation Resolutions

- (a) Identifying Deliverable Obligations.
 - (i) Following an Auction Resolution. Following an Auction Resolution, the Deliverable Obligations of an Affected Reference Entity, for a particular set of Credit Derivatives Auction Settlement Terms and one or more sets of Deliverable Obligation Terms, shall be identified in accordance with the procedures in this Section 3.3 (*Deliverable Obligation Resolutions*). Any identification of a Deliverable Obligation in accordance with this Section 3.3 (*Deliverable Obligation Resolutions*) with respect to a set of Credit Derivatives Auction Settlement Terms shall only apply to a Relevant Transaction that is an Auction Covered Transaction, as defined in such set of Credit Derivatives Auction Settlement Terms.

- (ii) Following a Potential Auctions Resolution. Following a Potential Auctions Resolution, the Deliverable Obligations of an Affected Reference Entity shall be identified in accordance with the procedures in this Section 3.3 (*Deliverable Obligation Resolutions*), provided that any Deliverable Obligation so identified must, with respect to a Relevant Transaction, and in accordance with Section 3.31 or Section 3.32 of the 2014 Definitions, as applicable, also satisfy (i) the Restructuring Maturity Limitation Date requirement or the Modified Restructuring Maturity Limitation Date requirement, if any, as applicable, and (ii) the Fully Transferable Obligation requirement or the Conditionally Transferable Obligation requirement, if any, as applicable (each such identified Deliverable Obligation, a "**Permissible Deliverable Obligation**").

- (b) Preliminary List of Deliverable Obligations; Solicitation of Proposed Obligations. Following an Auction Resolution, the DC Secretary shall request from the Convened DC Members the details of obligations of the relevant Affected Reference Entity to be included on a preliminary list of potential Deliverable Obligations (such list, when published, the "**Preliminary List**"). Any Convened DC Member may notify the DC Secretary of its proposal to include a particular obligation on the Preliminary List, and the DC Secretary will notify the Convened DC Voting Members of such proposal for their consideration. In order for an obligation to be included on the Preliminary List, a description of the obligation, including the CUSIP or ISIN number of the obligation (if applicable), and public copies of, or public internet links to, all material documentation, including offering documents, pricing supplements, indentures and, as applicable, guarantees, or, in each case, equivalent documentation (such documentation, "**DO Documentation**") must be provided to the DC Secretary. If the Convened DC Resolves by a Majority that a proposed obligation falls within a set of Deliverable Obligation Terms with respect to the relevant set of Credit Derivatives Auction Settlement Terms, the proposed obligation shall be included on the Preliminary List, other than an obligation included within a set of Deliverable Obligation Terms that is not an obligation of the Affected Reference Entity (provided that the Convened DC may still include such an obligation on the Preliminary List). No later than 5:00 p.m. Relevant City Time on or prior to the Relevant City Business Day occurring fifteen Relevant City Business Days prior to the scheduled Auction Date, the DC Secretary shall publish on its Website (i) the Preliminary List, and (ii) a solicitation addressed to Eligible Market Participants, requesting that Eligible Market Participants submit a description of the obligation, including the CUSIP or ISIN number of the obligation (if applicable), and DO Documentation of any additional obligations to be included on a further list of potential Deliverable Obligations (such list, when published, the "**Initial List**"), with such submissions to be submitted in each case in accordance with the format and submission process specified by the DC Secretary on its Website in its sole discretion no later than 5:00 p.m. Relevant City Time on the Relevant City Business Day occurring on or immediately following the day that falls two calendar days after publication of the Preliminary List. Any such submission must include agreement by such Eligible Market Participant to pay any of the reasonable costs related to a challenge of such obligation that could be incurred under Section 3.3(e) (*The Final List of Deliverable Obligations*).

- (c) Initial List of Deliverable Obligations. If the Convened DC Resolves by a Majority that an obligation proposed by an Eligible Market Participant pursuant to Section 3.3(b) (*Preliminary List; Solicitation of Proposed Obligations*) falls within a set of Deliverable Obligation Terms with

respect to the relevant set of Credit Derivatives Auction Settlement Terms, the proposed obligation shall be included on the Initial List, other than an obligation included within a set of Deliverable Obligation Terms that is not an obligation of the Affected Reference Entity (provided that the Convened DC may still include such an obligation on the Initial List). The DC Secretary shall publish the Initial List on its Website no later than 5:00 p.m. Relevant City Time on the Relevant City Business Day occurring on or immediately following the day that falls five Relevant City Business Days after publication of the Preliminary List.

- (d) **Challenging Potential Deliverable Obligations.** Any Eligible Market Participant (including any Convened DC Member) may challenge the inclusion or absence of an obligation on the Initial List by notifying the DC Secretary. Any such challenge must (i) have been effectively received by the DC Secretary by 5:00 p.m. Relevant City Time on the Relevant City Business Day occurring on or immediately following the day that falls three calendar days after the publication of the Initial List (the "**Challenge Deadline**"), (ii) include the CUSIP, ISIN or other identifying information of the challenged obligation, DO Documentation (if the relevant obligation was not included on the Initial List) and a statement of the reasons why such obligation should or should not be considered a Deliverable Obligation, as applicable, in each case in accordance with the format and submission process specified by the DC Secretary on its Website in its sole discretion (each, a "**Challenge Submission**") and (iii) include agreement by such Eligible Market Participant to pay any of the reasonable costs related to such challenge, if unsuccessful, that could be incurred under Section 3.3(e) (*The Final List of Deliverable Obligations*). Eligible Market Participants may submit responses to any Challenge Submission (each, a "**Response Submission**"), in each case subject to the documentation and disclosure requirements, including the agreement to bear costs, applicable to Challenge Submissions submitted pursuant to this Section 3.3(d) (*Challenging Potential Deliverable Obligations*), at any time prior to 5:00 p.m. Relevant City Time on the Relevant City Business Day occurring on or immediately following the day that falls two calendar days after the Challenge Deadline. Each validly submitted Challenge Submission and Response Submission shall be considered to be a DC Issue for purposes of the Rules, provided that the identity of the Eligible Market Participant submitting such Challenge Submission or Response Submission, as applicable, shall be published by the DC Secretary, together with the related Challenge Submission or Response Submission, as applicable, on its Website upon receipt.
- (e) **The Final List of Deliverable Obligations.** The Convened DC shall Resolve each Challenge Submission and/or Response Submission that is validly submitted pursuant to Section 3.3(d) (*Challenging Potential Deliverable Obligations*) by a Supermajority. Each validly submitted Challenge Submission and/or Response Submission must be Resolved no later than 5:00 p.m. Relevant City Time on the Relevant City Business Day that is two Relevant City Business Days before the scheduled Auction Date. Each obligation for which it is Resolved that such obligation falls within a set of Deliverable Obligation Terms with respect to the relevant set of Credit Derivatives Auction Settlement Terms shall be included on the final list of Deliverable Obligations (such list, when published, the "**Final List**"), other than an obligation included within a set of Deliverable Obligation Terms that is not an obligation of the Affected Reference Entity (provided that the Convened DC may still include such an obligation on the Final List). For each obligation on the Initial List, or that was proposed for inclusion pursuant to Section 3.3(d) (*Challenging Potential Deliverable Obligations*), that is not included on the Final List, the institution(s) that proposed such obligation shall, pro rata, bear the reasonable costs incurred by the DC Secretary or the Convened DC in obtaining advice and analysis as to whether or not such

obligation is a Deliverable Obligation, as determined by the DC Secretary in a commercially reasonable manner. For each obligation on the Initial List, or that was proposed for inclusion pursuant to Section 3.3(d) (*Challenging Potential Deliverable Obligations*), the inclusion of which is unsuccessfully challenged, the institution(s) that challenged such obligation shall, pro rata, bear the reasonable costs incurred by the DC Secretary or the Convened DC in obtaining advice and analysis as to whether or not such obligation is a Deliverable Obligation, as determined by the DC Secretary in a commercially reasonable manner. Promptly upon the resolution of all DC Questions (including those that have been referred to External Review, if any) concerning whether an obligation should be included or excluded from the Final List, the DC Secretary shall publish the Final List on its Website. With respect to a Final List compiled following a Potential Auctions Resolution, at the time of publication of such Final List, the DC Secretary shall specify each range of Scheduled Termination Dates with respect to which the same Permissible Deliverable Obligations apply.

- (f) Timetables. The Convened DC may Resolve to amend any deadline or time period established by this Section 3.3 (*Deliverable Obligation Resolutions*) by a Supermajority. The Convened DC may Resolve by a Supermajority to alter a previous DC Resolution regarding a potential Deliverable Obligation (including altering its Outstanding Principal Balance) if new information becomes known to the Convened DC. Notwithstanding Section 2.5(b) (*DC Resolutions*), the Global Dealer Voting Members and Regional Dealer Voting Members of a Convened DC may Resolve by a Supermajority to amend previous DC Resolutions fixing the Auction Date and other timing-related terms of the Auction if challenges under Section 3.3(d) (*Challenging Potential Deliverable Obligations*) result in a delay in publication of the Final List.
- (g) Other Deliverable Obligations-related Determinations. A Convened DC may Resolve by a Majority:
 - (i) with respect to each Deliverable Obligation, the longest number of Transaction Type Business Days for physical settlement in accordance with then current market practice of such Deliverable Obligation;
 - (ii) subject to Section 3.3(j) (*Loan Documentation*), with respect to each Deliverable Obligation, any specific assignment, novation or other document or any other action that may be necessary, customary or desirable and reasonably requested by either party under a Relevant Transaction in connection with Buyer's Delivery; and
 - (iii) if applicable, the Currency Rate Source.
- (h) Determinations relating to the Outstanding Principal Balance. In addition, when Resolving the Outstanding Principal Balance of a Deliverable Obligation, a Convened DC shall do so by Supermajority. In doing so, such Convened DC shall be entitled to assume that the Outstanding Principal Balance is par unless it has Eligible Information to the contrary. If the Deliverable Obligation is a Bond or Loan that was issued in exchange for Original Obligation(s) as part of an

exchange that resulted in more than one new obligation and "Fallback Discounting" is applicable pursuant to the 2019 Narrowly Tailored Credit Event Supplement to the 2014 ISDA Credit Derivatives Definitions, such Convened DC may also Resolve by Majority the methodology or specialist process to assess how the aggregate Outstanding Principal Balance of the Original Obligation(s) should be allocated amongst the obligations resulting from the exchange.

- (i) Other Determinations relating to the Asset Package. A Convened DC may Resolve:
 - (i) by a Supermajority, if Asset Package Delivery is applicable pursuant to the 2014 Definitions, and if so, any Asset Package relating to a Prior Deliverable Obligation or Package Observable Bond, as applicable;
 - (ii) by a Majority, if relevant, the Largest Asset Package as determined by reference to Eligible Information, or if this cannot be determined, the methodology for determining the package of Assets with the highest immediately realisable value (which methodology shall be applied by the Convened DC itself if the relevant Prior Deliverable Obligation or Package Observable Bond is included on a Final List);
 - (iii) by a Supermajority, whether any element of an Asset Package constitutes a Non-Transferable Instrument or a Non-Financial Instrument; and
 - (iv) if (iii) above is applicable, by a Majority, the methodology or the specialist valuation process to assess the Asset Market Value of a Non-Transferable Instrument or Non-Financial Instrument (which methodology or specialist valuation process shall be applied by the Convened DC itself if the relevant Prior Deliverable Obligation or Package Observable Bond is included on a Final List).
- (j) Loan Documentation. Notwithstanding Section 3.3(g)(ii) (*Other Deliverable Obligations-related Determinations*), with respect to each Deliverable Obligation that is a Loan, a Convened DC may Resolve by a Supermajority the documentation customarily used in the relevant market for Delivery of such Loan at that time, including any market advisory, and any amendments to such documentation to the extent necessary in order to preserve the economic equivalent, as closely as practicable, of the delivery and payment obligations of the parties under the 2014 Definitions.

3.4 Post-Final-List Determinations Where Mod R or Mod Mod R is Applicable

- (a) Triggered Transactions and the Triggered Transaction 300/5 Criteria. Upon publication of the Final List following the occurrence of a Potential Auctions Resolution, the Convened DC will, for purposes of any Relevant Transaction that is a July 2009 Supplement Transaction or a 2014 Transaction for which Mod R or Mod Mod R and, in either case, Auction Settlement, are specified in the related Confirmation, determine in accordance with Section 3.4(b) (*DTCC Triggered*

Transaction Data) the number of such Relevant Transactions that are confirmed through DTCC and with respect to which a Notifying Party has delivered an effective Credit Event Notice in accordance with the terms of such Relevant Transaction and on or prior to the Exercise Cut-off Date applicable to such Notifying Party (such timely and effective delivery of a Credit Event Notice, a "**Trigger**", and any such Relevant Transaction so triggered, a "**Triggered Transaction**"). Unless the DC Resolves by Supermajority that no Deliverable Obligations exist in respect of the Reference Entity, if 300 or more of any group of such Relevant Transactions for which the same Permissible Deliverable Obligations apply, which would be likely to be covered by the same single set of Credit Derivatives Auction Settlement Terms and to which five or more Global Dealer Voting Members and/or Global Dealer Consultative Members (and/or, with respect to the Region in which the Transaction Type of the relevant Affected Reference Entity is included, Regional Dealer Voting Members and/or Regional Dealer Consultative Members of the Convened DC for such Region) are parties, are Triggered on or prior to the Exercise Cut-off Date applicable to Buyer (such Exercise Cut-off Date, the "**Buyer Exercise Cut-off Date**", and such criteria, the "**Triggered Transaction 300/5 Criteria**"), Credit Derivatives Auction Settlement Terms will be published with respect to such Relevant Transactions. If the Convened DC determines that the Triggered Transaction 300/5 Criteria are not satisfied with respect to such a group of Relevant Transactions, the Convened DC will Resolve by a Majority whether Credit Derivatives Auction Settlement Terms will be published, pursuant to which a Relevant Transaction in such group of Relevant Transactions would be an Auction Covered Transaction.

- (b) DTCC Triggered Transaction Data. With respect to each group of Relevant Transactions for which the same Permissible Deliverable Obligations apply, DTCC will, in accordance with the Relevant Transaction and Triggered Transaction Data Guidelines, provide to the Convened DC by 5:00 p.m. Relevant City Time on each Relevant City Business Day prior to, and including, the Buyer Exercise Cut-off Date, both a daily and a cumulative total of the number of such Relevant Transactions that have been Triggered. In accordance with the Relevant Transaction and Triggered Transaction Data Guidelines, DTCC will only count Triggered Transactions for which Auction Settlement is specified in the related Confirmations and that are confirmed through DTCC, unless the Convened DC Resolves by Supermajority that information provided in a timely manner to DTCC by other appropriate sources, such as central clearing houses, may also be counted by DTCC in the data provided by DTCC to the Convened DC. In accordance with the Relevant Transaction and Triggered Transaction Data Guidelines, for purposes of counting such Triggered Transactions, (i) DTCC will differentiate between 2014 Transactions and July 2009 Supplement Transactions, (ii) any such Relevant Transaction with respect to which each of Buyer and Seller has delivered an effective Credit Event Notice on or prior to the applicable Exercise Cut-off Date will be counted as one Triggered Transaction and (iii) all portions of a single such Relevant Transaction that are Triggered separately on or prior to the Buyer Exercise Cut-off Date, pursuant to Section 1.33 of the 2014 Definitions, will be counted collectively as one Triggered Transaction. With respect to each such group of Relevant Transactions, the DC Secretary will publicly announce on the Relevant City Business Day immediately following the Buyer Exercise Cut-off Date (A) whether Credit Derivatives Auction Settlement Terms will be published with respect to such Relevant Transactions and (B) the number of such Relevant Transactions that have been Triggered. If, however, with respect to any such group of Relevant Transactions, DTCC informs the Convened DC on any day up to, and including, the Buyer Exercise Cut-off Date that the Triggered Transaction 300/5 Criteria have been satisfied, the DC Secretary will publicly announce on such day that Credit Derivatives Auction Settlement Terms will be published, pursuant to which such Relevant Transactions will be Auction Covered Transactions.

- (c) Auction Date. The Auction Date specified in any such Credit Derivatives Auction Settlement Terms will be no earlier than six Relevant City Business Days following the Buyer Exercise Cut-off Date.

3.5 Successor Resolutions

- (a) Successor Request. A Convened DC may Resolve, with respect to an Affected Reference Entity, by a Majority, the date on which the DC Secretary first received a request to convene the Committee for a DC Question falling under this Section 3.5 (*Successor Resolutions*); provided that (i) determinations of effectiveness of notices for purposes of this clause shall be determined in accordance with Section 1.38 of the 2014 Definitions and (ii) each reference to "Calculation Agent City time" and "Calculation Agent City Business Day" shall be deemed to refer to "Regional City Time" and "Regional City Business Day", respectively, provided that where the Relevant Transaction Type is included in the Australia-New Zealand Region, Sydney shall be deemed to be the only Regional City for purposes of this provision only (such DC Resolution, a "**Successor Request Resolution**").

- (b) Determination of a Successor. A Convened DC may Resolve by a Supermajority and by reference to Eligible Information:
 - (i) with respect to an Affected Reference Entity that is not a Sovereign:
 - (A) the Relevant Obligation(s) of the Affected Reference Entity, if any, including any adjustments required to be made pursuant to Section 2.2(f)(ii) of the 2014 Definitions if there is a Steps Plan;
 - (B) the proportion of the Relevant Obligation(s) to which each purported Successor succeeds; and
 - (C) the Succession Date; or
 - (ii) with respect to an Affected Reference Entity that is a Sovereign:
 - (A) the Relevant Obligation(s) of the Affected Reference Entity, including any adjustments required to be made pursuant to Section 2.2(f)(ii) of the 2014 Definitions if there is a Steps Plan;
 - (B) whether a Sovereign Succession Event has occurred;
 - (C) if so, the proportion of the Relevant Obligation(s) to which each purported Successor succeeds; and
 - (D) the Succession Date.

Following, and by reference to the DC Resolutions under Sections 3.5(b)(i) and 3.5(b)(ii) (*Determination of a Successor*), the Convened DC shall Resolve the identity of the Successor(s), if any, by a Majority (such DC Resolution, a "**Successor Resolution**").

Notwithstanding anything to the contrary in these Rules, once made, the Successor Resolution shall have effect from the Succession Date.

- (c) Adjustments to the SRO List.
